CLASS TITLE: SUPERVISING AUDIO-VISION TESTER

CHARACTERISTICS OF THE CLASS

Under general supervision, participates in and supervises the activities of Audio-Vision Testers engaged in testing children for vision or hearing impairments and for compliance with State of Illinois Head Start, Childcare, and School Age guidelines, and performs related duties as required.

ESSENTIAL DUTIES

- Assigns and reviews the work activities of personnel engaged in audio-vision testing activities.
- Schedules schools and Head Start program sites for hearing and vision testing services and makes staff assignments to ensure screenings are efficiently administered.
- Drives to program sites in order to conduct vision and audiometric assessments and to evaluate the work of Audio-Vision Testers, ensuring that vision and hearing tests are being performed according to established screening procedures and standards.
- Provides training to staff and/or delegate agencies on proper use of screening equipment, testing procedures, and required documentation related to hearing and vision screenings.
- Makes referrals for additional testing of children identified as having possible vision or hearing impairments.
- Follows up with school officials and parents to ensure children who are given referrals receive additional medical services.
- Maintains statistical information and prepares reports on program activities including services and referrals provided.
- Coordinates and implements screenings for community-based events (e.g., health fairs, block clubs).
- Compiles submitted activity reports and prepares comprehensive summaries of unit productivity.
- Maintains maintenance schedule for testing equipment and contacts vendors for repair services as needed.

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.
