CLASS TITLE: SENIOR BUDGET ANALYST

CHARACTERISTICS OF THE CLASS

Under supervision, performs at the fully functioning level supporting the preparation and administration of the city's annual budget, and performs related duties as required

ESSENTIAL DUTIES

- Evaluates moderately complex budget requests from operating departments for the establishment of new positions and new or expanded programs and services
- Analyzes annual budget submissions from medium sized departments and recommends the allocation of funding based on spending caps, priorities, and departmental initiatives
- Provides technical assistance to staff in operating departments engaged in the preparation of budget estimates for corporate and grant-funded programs and services and equipment purchases
- Analyzes current and past spending patterns and forecasts revenue in order to make recommendations for budget appropriations
- Monitors the disbursement of departmental appropriations identifying deficiencies, recommending budgetary controls and ensuring compliance with funding requirements
- Advises departmental personnel on regulations governing the financial management of grant-funded programs
- Approves or denies requests for fund transfers between accounts ensuring account balances are sufficient to meet financial obligations
- Conducts independent management studies to evaluate the efficiency and effectiveness of city programs and recommends changes where needed
- Prepares status reports of budgetary activities and special projects
- Analyzes cost information from operating departments requesting emergency or supplemental grant funding, as required

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.

MINIMUM QUALIFICATIONS

Education, Training, and Experience

- Graduation from an accredited college or university with a Master's degree in Business Administration, Public Administration, Public Policy, Political Science, Finance, Economics or a directly related field, plus one year of budgetary, financial analysis, legislative analysis, program evaluation or program management experience or an equivalent combination of education, training and experience, provided that the minimum education requirement is met.
