

# CLASS TITLE: CLAIMS MANAGER

## **CHARACTERISTICS OF THE CLASS**

Under direction, investigates and evaluates claims against the City and provides support on litigation matters involving alleged damage to private property; **OR** manages the claims audit and appeal processes including subrogation efforts for self-funded employee benefits plans, grievances and arbitrations; and performs related duties as required.

## **ESSENTIAL DUTIES**

## Positions assigned to the Law Department:

- Supervises the claims adjustment process and performs complex, atypical or sensitive claims work for the city in order to assess alleged damage to private property
- Coordinates efforts with city departments to obtain pertinent records and collaborates with expert witnesses in pending claim investigations
- Supplies information and provides support to department attorneys responsible for prosecuting ordinance violations
- Reviews claim settlements and approves or rejects recommendations of independent insurance adjusters
- Negotiates claims settlements with individuals, self-insured entities and claimants' insurance carriers
- Conducts site inspections (e.g., evidence collection, takes photographs and audio recordings, performs damage analysis) and interviews witnesses in order to gather evidence for claims submitted to the city
- Serves as contract administrator for vendors supplying claims adjuster services including participating in contract negotiations, directing the preparation of related reports and approving monthly invoices
- Reviews and verifies the validity and accuracy of bills submitted for the repair or replacement of private property
- Oversees and participates in the preparation of claims activity reports

## Positions assigned to the Finance Department:

- Oversees the claims management process; establishes procedures to ensure timely and accurate disposition of claims
- Assists in establishing standards for insurance coverage by reviewing and evaluating City contracts and agreements and establishing insurance provisions to transfer risk
- Develops insurance specifications and requests for proposals (RFP) for the purchase of new insurance policies, the renewal of existing policies, insurance broker selection, and third-party insurance administrators
- Develops and implements insurance programs for the City's airports, including owner-controlled insurance programs (OCIP)
- Reviews contractors' certificates of insurance (COI) to ensure compliance with contract requirements and to transfer risk exposure

- Participates in vendor meetings (claims payers, health plans, ancillary benefit providers, subrogation vendor) to review claim adjudication problems, policy decisions, and claim activity and financial reports
- Assists with renewing existing insurance policies by evaluating existing pricing, coverage, and other specifications to procure insurance

**NOTE**: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.

## MINIMUM QUALIFICATIONS

## Education, Training, and Experience

 Graduation from an accredited college or university with a Bachelor's degree in Business Administration, Accounting or a directly related field, plus five years of claims management or cost recovery work experience of which two years are in a supervisory/managerial role related to the responsibilities of the position or an equivalent combination of education, training and experience.
