CLASS TITLE: AGING AND DISABILITY RESOURCE NETWORK MANAGER

CHARACTERISTICS OF THE CLASS

Under direction, oversees the management and administration of the Aging and Disability Resource Network by ensuring streamlined access to long-term services and support options for older adults and individuals with disabilities, and performs related duties as required.

ESSENTIAL DUTIES

- Manages the resource and network section, overseeing supervisory staff responsible for managing the intake, information and referral assistance process for clients that are either older adults or individuals with disabilities.
- Manages community service programs and budgets including the Aging and Disability Resource Center, Information and Assistance Program, Intensive Case Advocacy and Support, Care Coordination.
- Supervises and directs supervisory and line staff by assigning work, setting performance measures and standards, and evaluating performance.
- Supervises the response to emergency requests received from individuals in crisis and with complex needs, including frail and abused older adults and individuals with disabilities.
- Assesses the needs of older adults and individuals with disabilities and develops plans, work and program standards and programs to address and resolve those needs.
- Develops strategic plans (e.g., short and long range) and administers quality assurance measures to ensure the effectiveness of programs.
- Monitors the delivery of services to ensure goals and objectives are met in accordance with the area plan and operation plans.
- Oversees the monitoring and evaluation of programs administered by delegate agencies to ensure compliance with federal, state and location regulations and policies.
- Manages the development of customer service standards, goals and measurements for the resource center.
- Participates in preparing requests for proposals, and in the scoring, evaluating and reviewing of proposals from responding agencies.
- Communicates network and policy changes to regional and satellite centers.
- Prepares comprehensive narrative, budgetary and statistical management reports.
- Works effectively with other work units in the Area Agency on Aging to ensure seamless service delivery for clients.
- Works with Information System staff and contractors to assist in the design, development and ongoing maintenance of programs utilized to manage the effective data sharing and communication.
- Markets the department's brand as a trusted focal point for information and assistance for older adults, disabled, family caregivers and others.
- Represents the department, coordinates and conducts presentations and in-service training sessions for staff, outside service providers, vendors, community organizations, program partners, and professional associations.
• Attends meetings and builds relationships with representatives from other City departments, areas on aging and partner agencies (e.g., Chicago Police Department, Chicago Fire Department, delegate agencies) to plan and coordinate services
