CLASS TITLE: MANAGER OF QUALITY ASSURANCE

CHARACTERISTICS OF THE CLASS

Under direction, directs and coordinates the development of quality assurance standards for a City department’s health-related programs and operations, and performs related duties as required

ESSENTIAL DUTIES

- Directs and coordinates the development of departmental quality assurance standards
- Convenes committees and works with consultants and other experts to evaluate current standards used in various operations and program areas (e.g., clinics, laboratories, EMS services)
- Consults with program directors, delegate agencies, and partnership representatives to develop and implement new and revised quality assurance measures and standards
- Researches current industry practices, health care standards, and federal and state regulations and initiatives and communicates information to departmental staff for use in developing quality assurance standards
- Directs program managers and health care professionals in implementing quality assurance management processes
- Supervises staff engaged in conducting quality assurance reviews to ensure programs are providing quality services in compliance with state and federal requirements
- Works with program managers and administrators in preparing performance management improvement plans
- Prepares manuals and other reports documenting the department's quality standards, practices, and protocols
- Oversees the implementation of regulatory requirements by the Illinois Department of Public Health Division
- Coordinates and facilitates training and project initiatives to inform staff of new or revised policies and standards
- Represents the department at various local, state, and federal conferences or meetings
- Develops and interprets policies and procedures that affect departmental operations and programs, ensuring that quality standards of care and regulatory mandates are maintained
- Participates in emergency preparedness initiatives to determine responsiveness of laboratory services
- Provides laboratory support during outbreaks and emergency incidents, as required

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.
