CLASS TITLE: CLINICAL THERAPIST III

CHARACTERISTICS OF THE CLASS

Under general supervision, the class provides professional therapeutic treatment services in a supervisory and administrative capacity, and performs related duties as required.

ESSENTIAL DUTIES

- Manages a therapeutic program, coordinating case management services to clients and overseeing clinical staff to ensure adherence to program goals and standards.
- Assigns caseloads, reviews treatment plans prepared by staff, and facilitates psychotherapy sessions for clinical staff.
- Oversees and evaluates staff performance in all phases of psychotherapeutic treatment.
- Meets with staff to review the status of caseloads and the progress of clients.
- Assists staff in providing quality services and managing workloads.
- Develops and implements objectives and standards for client care.
- Plans and implements staff development, in-service training programs, and case management presentations.
- Assists in the implementation of administrative policies, programs, and activities at a mental health center.
- Maintains program records and prepares statistical and narrative reports of program activities and accomplishments.
- Prepares various administrative reports relating to services provided and clients served.
- Provides counseling and psychotherapy services to employees through a departmental employee assistance program.
- Provides professional diagnostic assessment and psychotherapy to individuals, groups, and families.
- Consults with psychiatrists, physicians, clinical therapists, and other staff members to ensure cooperative treatment planning.
- Provides referrals and linkages with outside agencies to obtain additional services needed by clients.
- Responds to crisis situations (e.g., violence in the workplace, accidents, general workplace unrest), as required.
- Conducts and facilitates training seminars requested by various City departments and outside agencies, as requested.

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.

MINIMUM QUALIFICATIONS

Education, Training, and Experience

- Graduation from an accredited college or university with a Master's degree in Psychology or Social Work, plus three years of professional mental health experience; or a Master's degree in
Guidance and Counseling, Vocational Rehabilitation, Pastoral Counseling, Art Therapy, or Educational Psychology, plus one year post-master's supervised practicum carried out in a mental health setting, as well as three additional years of professional mental health experience, or an equivalent combination of education, training and experience, provided that the minimum degree requirement is met
