CLASS TITLE: DIRECTOR OF ENVIRONMENTAL, HEALTH, AND SAFETY (EHS) COMPLIANCE

CHARACTERISTICS OF THE CLASS

Under direction, position is managerial in nature, formulates and implements strategic Environmental, Health and Safety (EHS) policies and related initiatives to guide and govern City departments through day to day operations in providing a safe and healthy work environment in an environmentally sustainable manner, and performs related duties as required

ESSENTIAL DUTIES

- Develop and implement EHS policies based on industry standards/best practices and knowledge of City operations to govern a comprehensive EHS System for the City of Chicago’s work force (except sworn Police and uniformed Fire personnel)
- Interpret, monitor and ensure policy compliance with applicable federal, state and local regulatory standards (e.g. EPA, IDOL, NIOSH, etc)
- Provide leadership, guidance and counsel to EHS staff members and to Department liaisons to enable efficient, effective and customer – oriented service to City Departments
- Develop methods to effectively communicate program policies and expectations, and tools to monitor and track compliance; strive to create a “culture of compliance” owned by all City employees and motivate Departments to achieve full levels of compliance
- Ensure that adequate systems are in place to collect, measure and report on various EHS compliance statistics, including mandatory reporting to agencies as required; analyze data to inform EHS policy and the prioritization of initiatives
- Establish and lead an EHS Council composed of public and private industry liaisons
- Develop and advise City departments of training requirements designed to ensure compliance with EHS policies and minimize the City’s risk of non-compliance
- Maintain and disseminate a recommended training schedule and list of training resources to Department liaisons
- Conduct periodic internal audits of governed City departments to identify potential issues of non-compliance in a proactive manner; incorporate the use of third-party audits as needed to adequately assess the effectiveness of the program
- Assess effectiveness of the EHS System, tracking relevant performance metrics and implementing program modifications to address under-performing metrics

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.
