CLASS TITLE: LABORER

CHARACTERISTICS OF THE CLASS

Under immediate supervision, performs unskilled, physically demanding labor at new construction and repair and maintenance work sites or in the public way, and performs related duties as required. Positions are allocated primarily to the Department of Transportation, assignments including the Bureau of Electricity, In-House Construction and Sign Shop, and to the Department of General Services

ESSENTIAL DUTIES

- Loads and unloads trucks carrying a variety of equipment, power tools and construction materials including street light and traffic signal heads, concrete and cement bags, PVC and steel pipe, and electrical wire
- Digs and backfills trenches, holes, pole foundations and sidewalk/street excavations. Sets braces and shoring equipment and drives sheeting to set up retention walls
- Operates pneumatic power and hand tools such as jack hammers, concrete saws, shovels, picks and sledge hammers in performance of labor work
- Assists in the installation of concrete forms, conduit and other materials, and mixes and pours concrete in specified amounts
- Sets up barricades, traffic safety cones and steel street plates, and uses hand signals and flags to slow or control traffic around work sites
- Cleans up work sites at completion of jobs, loading and removing debris, sweeping and clearing areas and performing light landscaping duties to restore areas
- Operates forklifts to lift, move, store and distribute large and heavy construction materials maintained in stock at central warehouses or supply yards
- Tracks the delivery and distribution of materials and tools at a warehouse or supply yard
- Assists skilled trades workers by readying and supplying needed tools, equipment and materials
- Moves furniture and office equipment to assist trades crews working on maintenance and rehabbing projects for city offices and facilities
- Works on crews with seasonal Painters, assisting in the removal and placement of street markings on city streets and Lake Shore Drive. Operates small grinding equipment to remove street markings

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.

MINIMUM QUALIFICATIONS

Education, Training, and Experience

- One year of work experience as a general laborer on a construction work site

Licensure, Certification, or Other Qualifications

- Assignments involving the operation of a forklift will require positions to be trained and evaluated by the employer prior to the assignment, as required under OSHA standards administered by the Illinois Department of Labor (IDOL)
