CLASS TITLE: PRINCIPAL BUDGET ANALYST

CHARACTERISTICS OF THE CLASS

Under general supervision, performs at the technical professional level supporting the preparation and administration of the city's annual budget and functions as a lead worker on a broad range of budget research projects, and performs related duties as required

ESSENTIAL DUTIES

- Conducts in-depth studies of departmental operations to evaluate the need for requested appropriations for new positions, new and expanded programs and services, and capital improvement projects and equipment purchases
- Analyzes annual budget submissions from large departments with complex, multiple funding sources and fiscal operations and recommends the allocation of funding based on spending caps and departmental priorities and initiatives
- Provides technical assistance to staff in operating departments engaged in the preparation of budget estimates, applications for corporate and grant-funded programs and services, and equipment purchases to ensure compliance with budgetary guidelines
- Monitors the disbursement of departmental appropriations identifying deficiencies, recommending budgetary controls and ensuring compliance with funding requirements
- Approves or denies requests for fund transfers between accounts, ensuring account balances are sufficient to meet financial obligations
- Analyzes current and past spending patterns and forecasts revenue in order to make recommendations for budget appropriations
- Interprets regulations governing the financial management of grant-funded programs and advises departmental personnel on the appropriate application of guidelines
- Functions as team leader in the conduct of management studies in order to evaluate the efficiency and effectiveness of city programs and services, as required
- Compiles comprehensive statistical data and oversees the preparation of budgetary reports
- May oversee budget analysts engaged in the preparation of revenue estimates and budget recommendations for inclusion in the Annual Appropriation Ordinance
- May participate in the training of lower level budget analyst positions
- May coordinate the work of staff engaged in gathering and analyzing cost information from operating departments requesting emergency or supplemental funding

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.
