CLASS TITLE: REGIONAL NUTRITION COORDINATOR

CHARACTERISTICS OF THE CLASS

Under direction, oversees supervisory nutrition staff and coordinates program activities at public health centers and clinics within an assigned geographical region of the City, and performs related duties as required.

ESSENTIAL DUTIES

- Directs Public Health Nutritionist III staff responsible for supervising nutrition services and programs, ensuring program policies and procedures are followed.
- Conducts site visits to review and assess staff performance, the maintenance of patient records and files, and the delivery of nutrition services to patients and their families.
- Conducts quality assurance meetings with staff to ensure compliance with established nutritional care standards.
- Confers with representatives of funding agencies to review funded nutrition programs' policies, procedures, and reporting requirements.
- Reviews program reports and monitors operations and nutrition education components to ensure compliance with program requirements.
- Develops and provides in-service nutrition education workshops and seminars for regional staff.
- Works with the Director of Nutrition in gathering data and preparing grant proposals to obtain additional funding for nutrition programs.
- Prepares reports on region-wide program activities and services for management use.
- Oversees administrative support services for region staff including purchasing, personnel, and budget.
- Provides direct services to clients (e.g., nutritional assessment, counseling, referrals, WIC coupons), as required.
- Oversees other geographical regions to maintain site coverage, as required.

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.

MINIMUM QUALIFICATIONS

Education, Training, and Experience

- Graduation from an accredited college or university with a Master's degree in Dietetics, Foods and Nutrition, or a directly related field, plus four years work experience in nutrition, of which one year is in a supervisory role related to the responsibilities of the position or an equivalent combination of education, training and experience provided that the minimum education requirement is met.

Licensure, Certification, or Other Qualifications

- Registered Dietitian (RD) credential awarded by the Commission on Dietetic Registration.
- Licensed Dietitian Nutritionist (LDN). At the time of employment, positions must be a Licensed Dietitian Nutritionist (LDN) in the State of Illinois.
- The following certifications must be obtained within one year of employment: International Board Certified Lactation Consultant (IBCLC), Certified Lactation Counselor (CLC), and a Certified Lactation Specialist (CLS).
