## **CLASS TITLE: AVIATION SECURITY SERGEANT**

### **CHARACTERISTICS OF THE CLASS**

Under direction, supervises Aviation Security Officers during an assigned tour of duty and patrols airport grounds, terminals, and facilities to provide a security presence, deter criminal activity, prevent unauthorized airport access, enforce security rules, and perform related duties as required

### **ESSENTIAL DUTIES**

- Assigns and monitors the work of Aviation Security Officers to ensure maximum coverage of airport grounds, roadways, terminals, and facilities and to cover emergency situations and special events
- Patrols airport terminal areas and perimeter and identifies improper activities and irregularities in order to provide security and customer service to the public
- Contacts the Chicago Police Department to arrange for the transfer, transporting, and processing of detained individuals
- Participates in issuing general security instructions to airlines and airport tenants and assists in coordinating special security matters with the Chicago Police Department
- Conducts and supervises patrols and security checks to ensure they are in accordance with Transportation Security Administration (TSA), Federal Aviation Administration (FAA), and Airport Emergency Plan (AEP) security programs and regulations
- Monitors access to restricted and secured areas, including the verification and validation of identification badges of individuals at designated checkpoints
- Observes vehicles and checks vehicle information including proper signage, stickers, and license plates to ensure vehicles are authorized prior to allowing access to the airfield and other restricted areas
- Issues citations for traffic violations on the airfield and airport roadways, and non-traffic citations for security violations including failure to display identification badges by airport personnel
- Conducts pat down searches of detained individuals found violating or suspected of violating city, state, and federal laws, as required
- Administers first aid and cardiopulmonary resuscitation (CPR) and uses Automated External Defibrillator (AED) equipment as required
- Drives/operates security vehicles and uses radios to maintain communications in the performance of duties
- Prepares and reviews incident reports and updates and maintains work activity logs and administrative reports
- Evaluates work performance of Aviation Security Officers and makes preliminary recommendations for discipline
- Trains and coordinates training for Aviation Security Officers
- Attends meetings with departmental staff and airport tenants and serves as liaison with law enforcement agencies, as required
- Testifies at judicial proceedings and administrative hearings

*NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.*

## MINIMUM QUALIFICATIONS

### Education, Training, and Experience

- Five years of professional law enforcement officer experience OR five years of experience in security work, and at least 60 semester (or 90 quarter) hours of credit from an accredited college or university, or an equivalent combination of education, training and experience, provided that the minimum education requirements are met
