CLASS TITLE: GENERAL FOREMAN OF PAINTERS

CHARACTERISTICS OF THE CLASS

Under direction, functions as a second level supervisor, directing and coordinating the work of Foremen of Painters and their crews engaged in the preparation and painting of interior and exterior walls, structures and surfaces of municipal facilities; and performs related duties as required

ESSENTIAL DUTIES

- Studies blueprints and project specifications and inspects work sites to assess project size and scope, prepare work orders and determine resources needed to complete jobs
- Prioritizes, schedules and assigns work to foremen and their crews based on the extent of work required, urgency and availability of resources
- Reviews initial and final cost estimates prepared by foremen for completeness and appropriateness
- Inspects work performed by painting crews to ensure completion according to specifications, work schedules and established quality standards
- Troubleshoots complex painting projects and recommends alternative strategies, paint products or equipment
- Reviews project status reports prepared by foremen and reallocates resources to ensure projects are completed in a timely, efficient and effective manner
- Coordinates painting work with other trades to ensure orderly and efficient work processes
- Develops and oversees the implementation of work and safety procedures and coordinates staff training
- Oversees the preparation of and completes staff performance appraisals and initiates and administers corrective or disciplinary action as needed
- Reviews and approves time and attendance records submitted by foremen
- Prepares project management reports
- Participates in streamlining departmental procedures, creating cost efficiencies and improving customer service

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.
