CLASS TITLE: CHIEF AUTO POUND SUPERVISOR

CHARACTERISTICS OF THE CLASS
Under general supervision, manages the operations of the city’s six auto pound facilities under the control of the Department of Streets and Sanitation, supervising a large staff of supervisors and property custodians and monitoring the performance of a vendor providing contractual auto pound management and towing services; and performs related duties as required

ESSENTIAL DUTIES

- Manages a staff of Auto Pound Supervisors and Property Custodians – Auto Pound engaged in the receiving, inspection, inventoring and release of vehicles towed to auto pounds
- Monitors the performance of vendor contracted to tow and manage operations at various city-owned auto pound facilities; conducts inspections and meets with vendor personnel to assess impoundment, inventoring and vehicle release operations
- Works with staff and vendor personnel to ensure compliance with federal and state laws and municipal ordinance governing the impoundment, notification, release and storage of vehicles
- Reviews vendor’s daily inventory reports and related activity reports; checks and verifies the accuracy of monthly vendor billings against work reports and forwards for payment
- Functions as the liaison to law enforcement agencies in matters related to towed and impounded vehicles
- Oversees administrative functions relating to auto pound operations including the identification and notification of vehicle owners, responding to and resolving customer complaints, and the preparation of productivity and operational work reports
- Coordinates the preparation of case files, paperwork and the scheduling of administrative hearing for cases involving vehicles seized by the Police Department or owners appealing the towing of their vehicles
- Prepares work schedules and makes work assignments, ensuring 24/7 work operations are properly staffed; responds to and available for special events and emergency incidents
- Implements safety work procedures and practices to minimize employee accidents and to promote a safe work environment
- Monitors work performance and ensures staff comply with work standards and procedures; approves time off; initiates and enforces disciplinary actions as required
- Participates in the preparation of the operating budget for the auto pound section; oversees the preparation of required paperwork for the disposal and salvage of unclaimed vehicles

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.
