

Code: 7230
Family: Construction, Maintenance, and Skilled Labor
Service: Operation and Construction
Group: River, Harbor, and Transportation
Series: Bridge Operation

CLASS TITLE: BRIDGE OPERATOR

CHARACTERISTICS OF THE CLASS

Under supervision, works a rotating shift and operates electric controls to raise and lower bascule drawbridges to allow the passage of waterway traffic on the Calumet River and the Chicago River, and performs related duties as required

ESSENTIAL DUTIES

- Operates an assigned bridge, or travels from bridge to bridge, in order to raise and lower electrically operated drawbridges to permit passage of waterway traffic
- Activates power source and operates levers on operating console to initiate sequence of steps to release and activate locks to lift bridge to appropriate height and to lower and close bridge
- Operates controls that activate signals and alarms and lower gates to halt street traffic
- Ensures locks designed to secure the bridge in lowered position are properly in place before opening gates for vehicular traffic
- Observes and monitors waterway traffic and communicates with vessels traveling through the river; maintains communication with supervisor during boat runs on Chicago River
- Performs visual integrity checks to ensure bridge sidewalks are free of loose concrete, metal objects and other debris and that lights on bridge are operational
- Visually inspects area around bridge houses to ensure they are properly maintained and secured; informs supervisor of needed repairs
- Maintains the Bridge House by periodically cleaning the house (floors, desk(s), windows, equipment and tools, as well as ensuring documents, supplies, and tools are organized, maintained and easy to access
- Maintains records of the number, time, and duration of bridge lifts and of the names and direction of passing vessels
- Prepares incident reports of accidents occurring on drawbridges

NOTE: *The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.*

MINIMUM QUALIFICATIONS

Education, Training, and Experience

- Willingness and ability to perform the duties of the job
