

Code: 8232

Family: Construction, Maintenance, and Skilled Labor

Service: Operation and Construction

Group: Street, Water, Sewer and Disposal

Series: Street Maintenance and Construction

CLASS TITLE: COORDINATOR OF STREET PERMITS

CHARACTERISTICS OF THE CLASS

Under general supervision, supervises right of way construction activity including One-Call operations, public way permitting, and the Office of Underground Coordination (OUC) of the Department of Transportation; and performs related duties as required

ESSENTIAL DUTIES

- Supervises One-Call and permits operations including the call enter, 811 enforcement, permit operations, and Office of Underground Coordination (OUC)
- Researches CDOT permit, dig, and hit ticket application—including field work when necessary—to ensure information is accurate and in compliance with Municipal Code of Chicago (MCC) requirements; approves CDOT permits, dig, and hit tickets
- Educates right of way stakeholders on compliance with applicable rules, laws, and regulations
- Prepares documents, including electronic reporting from databases, to support inquires from internal and external requestors and One Call Adjudication Panel hearings
- Participates in the Greater Chicago Damage Prevention Council (GCDPC)
- Collaborates with the Office of Underground Coordination (OUC) and Project Coordination Office (PCO) to manage right of way construction activity
- Liaises with utility companies, contractors, other government agencies, and elected officials
- Monitors and evaluates work performance of subordinate clerical and administrative staff and prepares performance appraisals; trains subordinates on job duties
- Attends disciplinary hearings for staff; initiates and enforces disciplinary actions as required; responds to and resolves work related conflicts or problems with staff; enforces personnel rules
- Oversees the operations of core data systems including troubleshooting and development
- Conducts plan reviews of drawings to ensure that City streets will not be adversely affected by construction
- Performs duties of subordinates when necessary including entering and editing permit, dig, and hit ticket data in electronic databases, and answering the phone

NOTE: *The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.*

MINIMUM QUALIFICATIONS

Education, Training, and Experience

- Five (5) years of work experience in paraprofessional engineering, review and processing of construction permit applications and/or utility coordination of which two (2) years are in a supervisory capacity; or an equivalent combination of training and experience.

Licensure, Certification, or Other Qualifications

- None

WORKING CONDITIONS

- General office environment

EQUIPMENT

- Standard office equipment (e.g., telephone, printer, photocopier, fax machine, calculator)
- Computers and peripheral equipment (e.g., personal computer, computer terminals)

PHYSICAL REQUIREMENTS

- Ability to stand and walk for extended or continuous periods of time
- Ability to move one's hands and arms to grasp or manipulate objects

KNOWLEDGE, SKILLS, ABILITIES, AND OTHER WORK REQUIREMENTS

Knowledge

Moderate knowledge of:

- applicable federal, state, local laws, regulations, and guidelines
- applicable safety principles, methods, practices, and procedures
- applicable engineering and construction theories, principles, methods, practices, and procedures
- construction and supplies, including engineering mechanical and electrical equipment used during construction projects
- the public way in Chicago
- Microsoft data systems including Outlook and Excel
- Technology workflows
- Municipal Code of Chicago (MCC) sections 10-20 and 10-21

Some knowledge of:

- *supervisory methods, practices, and procedures
- CDOT data systems and CDOT rules and regulations

Knowledge of applicable City and department policies, procedures, rules, regulations, and ordinances

Other knowledge as required for successful performance in the Engineering Technician class series
