CLASS TITLE: DISTRICT ASPHALT SUPERVISOR

CHARACTERISTICS OF THE CLASS

Under general supervision, positions report to a General Foreman of Laborers; direct work operations within an assigned district, supervising multiple crews and monitoring work operations relating to the spreading, finishing and compacting of asphalt for the re-surfacing and repair of City residential streets and alleys and related asphalt work, and performs related duties as required

ESSENTIAL DUTIES

- Oversees day to day field work operations including the preparation of surface areas (e.g. grinding) and the spreading, finishing and compacting of asphalt for the pavement, re-surfacing and repair of residential streets and alleys
- Supervises Asphalt Foreman and their work crews, resolving operational problems and ensuring work crews receive timely delivery of asphalt and other required resources and equipment (e.g. grinders, pavers, rollers) to efficiently complete work projects
- Monitors and directs the work operations of specialized crews installing alley humps, street speed humps, alley key cuts, ADA ramps and related jobs
- Inspects work sites and monitors work in progress to assess and ensure compliance with established work procedures, safety practices and quality standards
- Responds to incidents and troubleshoots problems at job sites, working with managers, vendors and crew foremen in resolving problems delaying or preventing the completion of jobs
- Reviews daily manpower reports and equipment resources and works with supervisor in re-allocating personnel to ensure adequate manning of crews and efficiency of operations
- Confers with asphalt vendors and management to schedule, monitor and track the timely delivery of hot asphalt from plants to work sites
- Monitors the ordering and delivery of asphalt and additional supplies to complete the job
- Monitors and evaluates work performance of subordinate staff; addresses performance issues; and initiates and enforces disciplinary actions as required
- Responds to complaints of poor quality or inadequate work of asphalt crews in the pavement, re-surfacing or repair of streets and alleys, inspects completed jobs and takes proper actions to correct problems
- Reviews accident and injury reports and conducts required follow-up
- Prepares management reports on completed asphalt work projects, status of planned and scheduled projects and related productivity and performance reports

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.

MINIMUM QUALIFICATIONS

Education, Training, and Experience

- Four years of work experience in the paving and repair of street surfaces using asphalt materials and/or related asphalt equipment of which two years are in a supervisory role related to the responsibilities of the position
Class Title: District Asphalt Supervisor
