

Code: 8605
Family: Public Safety
Service: Public Safety
Group: Fire Service
Series: Emergency Communications

CLASS TITLE: FIRE COMMUNICATIONS OPERATOR I

CHARACTERISTICS OF THE CLASS

Under supervision, the class functions as call takers within the Office of Emergency Management and Communications (OEMC), working a fixed shift processing and relaying 9-1-1 calls for fire suppression or emergency medical services (EMS), and performs related duties as required

ESSENTIAL DUTIES

- Receives emergency 9-1-1 calls from persons reporting fires or requesting emergency medical services
- Operates a two-screen computer console connected to a computer-aided dispatch (CAD) system and telephone equipment to receive and process 9-1-1 calls
- Obtains pertinent information from callers to determine location and extent of fire including conditions at the incident scene and if hazardous materials are present
- Obtains pertinent information from callers requesting emergency medical services and uses a triage computer screen to determine whether requests are of an emergency and life threatening nature
- Makes determination based on information provided and informs callers whether an ambulance will be dispatched
- Assigns priority codes and provides pre-arrival instructions to callers awaiting emergency medical services
- Relays emergency requests information to Fire Communications Operator II for dispatching
- Records reported interruptions to water, telephone and utility services, and traffic flow problems and relays information to dispatch personnel
- Notifies appropriate officials of Fire Department emergency incidents, as required
- Answers non-emergency calls regarding requests for information such as locations of fire houses or reporting of potential fire hazards, as required
- Notifies public utilities of services required by the Fire Department at scenes of emergencies, as required

NOTE: *The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.*

MINIMUM QUALIFICATIONS

Education, Training, and Experience

- High school graduation or GED certification

Licensure, Certification, or Other Qualifications

- Current certification as an Emergency Medical Technician/B (EMT/B)
- As of the date of application, candidates must have reached their twentieth birthday
- Must be able to type a minimum of twenty-five (25) words per minute

WORKING CONDITIONS

- General office environment

- 9-1-1 emergency communications environment

EQUIPMENT

- Standard office equipment (e.g., telephone, printer, photocopier, fax machine, calculator)
