CLASS TITLE: AIRPORT OPERATIONS CENTER COORDINATOR

CHARACTERISTICS OF THE CLASS

Under general supervision, assigned to staff the Airport Operations Center (AOC), coordinating operational activities at the City’s International Airports, performing a variety of duties to support incident response and other activities concerning security and public safety; and performs related duties as required.

ESSENTIAL DUTIES

- Monitors and coordinates operational activities at City Airports to identify any security, public health, or public safety incidents.
- Receives information on daily operational activities at City Airports and issues daily situation reports to agencies represented in the AOC.
- Issues notifications to airport stakeholders, the traveling public, and senior executives on incidents occurring within the Airports as identified in job aids and in coordination with supervisor.
- Coordinates the initial response to emergency incidents at Airports amongst agencies represented in the AOC, including initiating conference calls amongst senior leadership in response to incidents.
- Monitors calls received and dispatched by the AOC to quickly identify any issues needing to be addressed and coordinates the different CDA sections and agencies that may assist.
- Notifies supervisor of emergency situations, escalated police, fire or security incidents and other incidents requiring an emergency management response.
- Monitors special events occurring at O'Hare Airport and provides operational updates as warranted.
- Updates and briefs staff at start of shift on previous shift’s reported incidents, upcoming airport activities and other information with potential impact on communication center’s call taking, monitoring and dispatching operations.
- Coordinates response to maintenance requests and social media inquiries to ensure quick resolution of facilities or operational issues.
- Consolidates data from internal and external agencies to form a visual representation of airport activities and allow for reliable information and open communications to the Airports’ stakeholders.
- Coordinates information for planning and response with Incident Management Center staff when activated.
- Maintains and reviews logs of events to be used by emergency operations personnel.

NOTE: *The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.*
