CLASS TITLE: PARAMEDIC I/C

CHARACTERISTICS OF THE CLASS

Under general supervision of an Ambulance Commander, a Paramedic In-Charge supervises an assigned ambulance crew providing emergency medical care and transportation to victims of trauma, injury or illness; provides in-field training to probationary Fire Paramedics, maintains paramedic equipment, ensures completion of all necessary reports and documentation, and performs related duties as required

ESSENTIAL DUTIES

- Supervises the safe operation of an ambulance and the enforcement of established Illinois Department of Public Health (IDPH) regulations, Region XI Standing Medical Orders, Policies & Procedures, and Fire Department directives
- Initiates telemetry communications with appropriate telemetry base while responding to calls for emergency medical assistance to provide pre-hospital emergency medical care
- Assesses the nature and extent of illness or injury and following established protocols, treats sick and injured persons at fire and emergency scenes
- Uses medical equipment and applies paramedical protocols to administer injections of medications and drugs, monitor cardiac patients and perform other required medical procedures
- Prepares patients for transport to hospital facilities, placing them on a stretcher or other conveyance devices, lifting and carrying patients as required
- Transports patients to appropriate emergency departments, adult or pediatric trauma centers or other specialty care centers including burn and decompression chamber units as identified on participating hospital list.
- Responsible for the preparation of patient care reports, journal entries and other documents as required by assigned ambulance company
- Inspects operational condition of ambulance, ensures adequate inventory supplies on ambulance are stocked and that electronic and communication equipment is operating appropriately
- Supervises and evaluates the performance of subordinates
- Oversees and performs general maintenance and cleaning of Fire Department equipment and general housekeeping of firehouse facilities
- Supervises and strictly employs universal precautions, proper barrier devices and routine hand washing in the prevention of disease transmission

NOTE: The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.

MINIMUM QUALIFICATIONS

Education, Training, and Experience

- Career Service status as a Paramedic with the Chicago Fire Department
