

Code: 9168
Family: Public Safety
Service: Public Safety
Group: Police Service
Series: Police General Duty

CLASS TITLE: POLICE OFFICER (ASSIGNED AS MARINE OFFICER)

CHARACTERISTICS OF THE CLASS

The Police Officer (Assigned As Marine Officer) works to accomplish the department's mission to serve the community and protect the lives, rights, and property of all people in Chicago.

Assignments are within the Marine Operations Unit which is responsible for patrolling over 90 miles of natural and artificial waterways within the City limits such as the Cal-Sag Channel, Calumet River, Chicago River, Chicago Sanitary & Ship Canal, and several other waterways and approximately 17 miles of lakefront. These patrols ensure a safe and environmentally responsible use of the City's waterways by residents and tourists (boating, sailing, fishing and swimming (where allowed), as well as safe and responsible use by commercial shipping (tourist boats, commuter boats, freight shipping, and movement and placement of construction equipment, etc.).

Under general supervision, carries out standard police duties such as traffic control, security (boats, docks, waterfront buildings), enforcing regulations ranging from proper registration to DUIs, dock maintenance, etc., and responds to and resolves (including the making of arrests, and/or issuing fines) incidents ranging from disputes, theft, illegal sales of narcotics, violence, as well as illegal activities related to dumping of garbage, fuels and other chemicals, illegal run-offs from factories, warehouses, and residents. In addition, conducts water rescue operations, body recovery, evidence recovery and documentation; and performs related duties as required.

Positions assigned to this classification must maintain other requirements, knowledge, skills, and abilities for successful performance in the Police Officer class.

ESSENTIAL DUTIES

- Sanctity of Human Life. The Department's highest priority is the sanctity of human life. The concept of the sanctity of human life is the belief that all human beings are to be perceived and treated as persons of inherent worth and dignity, regardless of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military status, immigration status, homeless status, source of income, credit history, criminal record, criminal history, or incarceration status. Department members will act with the foremost regard for the preservation of human life and the safety of all persons involved
- Patrols Chicago's waterways to ensure security, smooth water traffic flow especially in high traffic areas such as the Chicago River, where there are architectural tours, pleasure boats, water taxis, paddle craft, and barges moving industrial goods
- Enforces the Municipal Codes of Chicago and Illinois State Statutes and works in conjunction with BACP as they issue the license such as boat registration, and inspect required licensing for charter, tourist and commuter boats (water taxis) and ships, etc.
- Ensures compliance with maritime safety laws regarding operation of canoes, kayaks, motor boats, sail, commercial shipping, etc. Examples include ensuring canoes and kayaks and other boats have proper lighting and/or reflective material for nighttime operation, radio, etc., general rules on condition of water craft, wearing of life jackets and availability of life jackets for every person on a boat, etc.
- Ensures vessel safety by conducting safety inspections on vessels based on observed concerns, or random audit process. In cases where there are issues, may provide verbal

CLASS TITLE: POLICE OFFICER (Assigned as Marine Officer)

warning and require minor issues to be addressed within a specific time period, or issue fines and provide specific dates to address more complex issues.

- Supports and notifies USCG on issues regarding areas such as environmental compliance regarding fuel, motor oil leaks, illegal dumping of garbage or waste water from boats, as well as dumping, chemical and waste run-off from riverfront properties. Ensures proper notification to the USCG if appropriate. Supports the Coast Guard with investigations in areas where there on a federal waterway or coastline. CPD does have ability to enforce and fine.
- Removes dead and decomposing bodies (human, animal) from Chicago's waterways
- Responds to and enforces laws regarding safe operation, which may include arrests and/or fines (speed, watercraft violations, operation while under the influence)
- Carries out police activities involving accidents, disputes, and criminal activity (theft, drug traffic, and other water related crime scenes and water related death investigations)
- Provides direct public safety service such as responding to and making responsible life-saving efforts to active drowning incidents, responding to and assisting with boat accidents, boat fires, sinking vessels, and mayday incidents (coordinates with CFD and Coast Guard)
- Performs search and rescue functions for vessels and people in distress, as well as providing rafting and towing of disabled vessels
- Provides first response during any major maritime disaster, and acts as the initial lead in managing the disaster. This effort includes assessment, determining the amount of additional support required and coordinating with other agencies such as the Coast Guard, CFD (fire, hazmat issue)
- Performs underwater vessel hull searches for explosive devices in conjunction with Explosive Technicians, and performs Homeland Security functions
- Provides security, traffic control, and other related duties during special events such as a sponsored boat race, or parade of sail boats / antique classic boat event, or a boat rally supporting a specific cause
- Appears in court and presents testimony
- Routinely maintains / cleans / ensures operational readiness (preparing lines, knot tying, line-splicing, checking engine fluids) of Marine Unit vessels, vehicles, equipment, and unit facilities
- Ensures vessel is fully stocked with safety and rescue equipment such as first-aid kits, life jackets and ring buoys, other water rescue items such as throw bags, rescue tube, reel, float marker, knives and cutting tools, and inflatable rafts with corresponding equipment (inflator, paddles, etc.) that may be used in areas where the boat cannot reach or maneuver effectively such as shallow and / or narrow water areas. (Note; some of the items listed above are for rescue or to support diver in search and rescue efforts.)
- Maintains required training and / or certification to operate as a diver and rescue swimmer (CPD Public Safety Diver endorsement) qualify for approved heavy weapons, operate marine vessels in general and in all types of weather conditions, operate basic video surveillance equipment, radio / communication equipment, and other types of equipment. Examples include radar, sonar/depth finders, GPS Navigational systems, cameras, underwater communications systems, and operate heavy dive truck (CDL), etc.
- Interacts with public and other agencies in a professional and courteous manner, conduct informal water safety training at meetings held by boating and / or fishing organizations, and stay abreast of and maintain operating familiarity with civilian water craft and sailing vessels
- Complies with department rules, regulations, and policies and all Federal, State, and Municipal laws that govern the activities of Police Officers

CLASS TITLE: POLICE OFFICER (Assigned as Marine Officer)

- Takes steps to build and maintain personal fitness and wellness by taking care of one's overall health and accessing resources made available by the department
- Utilizes impartial policing strategies, principles, and best practices to promote fairness, eliminate bias, and build community trust
- Utilizes de-escalation strategies and skills to avoid, mitigate or minimize force during community police encounters
- Practices procedural justice strategies by giving voice, neutrality, respect, and trustworthiness in policing actions

NOTE: *The list of essential duties is not intended to be inclusive; there may be other duties that are essential to particular positions within the class.*

- Must successfully complete each component of the Swimming Skills Test such as a surface swim covering a specific distance and completed within a specific time, retrieve and surface with an object with a specific weight, tread water in place for a fixed period of time). NOTE: There are certain test such as Swimming Skills that are subject to changes
- Complete an oral interview that covers areas such as prior vessel or marine related experience, training, certifications or licenses; scuba related experience, training and certifications, etc.
- Successfully complete 26 weeks intensive New Diver Training for the Marine Officer and an additional 6 months continuing training on, attaining all endorsements.

Licensure, Certification, or Other Qualifications

- Must have a valid Firearm Owner's Identification (FOID) card issued by the State of Illinois
- Valid State of Illinois Driver's License
- Upon appointment to Police Officer (Assigned as Marine Officer) the following certifications/licenses must be maintained:
 - Merchant Mariner's License to operate vessels
 - Basic open water scuba card from SDI up to Dive Master or Instructor
 - Rescue Diver, and will also receive certifications for specialized equipment (AGA Mask, Dry Suit)
 - May require certification as CPD Public Safety Divers
 - Must successfully pass Ice Diving Certification class

- o Must maintain Illinois Department of Public Health First Responder License or above

WORKING CONDITIONS

- Marine Boat and Marine Facility
- Assignment anywhere within the boundaries of the City of Chicago
- Assignment Duty hours may be any time. Department operates twenty-four (24) hours a day, every day of the year, including weekends and recognized holidays
- Interact with public in a variety of situations
- Diving and swimming in contaminated water
- Exposure to outdoor weather conditions including extreme weather situations
- Exposure to hazardous or life-threatening situations
- Diving in overhead environments, confined spaces, and under the ice

EQUIPMENT (including but not limited to)

- Computers and peripheral equipment (e.g. personal computer, computer terminals, mobile data computers)
- Two-way radio
- Handcuffs
- Specialized safety equipment (e.g., bulletproof vests)
- Transportation (e.g., marine boat, inflatable raft, dive truck)
- Specialized rescue equipment related to the person being rescued, as well as equipment to assist rescuer in search and rescue efforts
- Specialized equipment for ice rescue operations
- Boat radio equipment, various types of radar/sonar such as depth finders, sector and side scan sonar, underwater communications system, Forward Looking InfraRed cameras, night goggles, underwater communication systems, remote operated vehicle, underwater metal detectors, navigational tools (GPS).
- Dry suit, dry-suit gloves, full face mask, BCD with redundant air supply
- Body worn camera
- In-car camera
- Personal defense weapons (e.g., baton, taser, handgun, rifle, shotgun, handheld chemical agent, etc.)

PHYSICAL REQUIREMENTS

- Reaction Time – Ability to quickly initiate a response to one or more stimuli; the situation could involve a choice of reactions (e.g., hit the brakes or gas when a vehicle skids) or a single reaction
- Fine Hand/Body Movements – Ability to use fingers, hands, arms and other body parts to make skilled muscle movements (e.g., to handle objects, tools, or controls)
- Balance/Coordination – Ability to maintain an upright position and stay balanced (e.g., standing or sitting for extended or continuous periods of time) and/or coordinate the movement of arms, legs, and trunk of the body (e.g., when walking or crawling across a narrow beam).

CLASS TITLE: POLICE OFFICER (Assigned as Marine Officer)

- Muscular Endurance – Ability to use muscles repeatedly without a rest; involves using one's arms and trunk in moving one's body weight for some time or across some distance (e.g., to climb a rope)
- Stamina – Ability to exert oneself physically over long periods of time without getting winded or out of breath
- Flexibility – Ability to stretch or extend one's arms and legs and their muscle groups and make continuous arm and leg flexing movements with some speed (e.g., to reach with hands and arms, stoop, bend, kneel, crouch)
- Muscular Strength – Ability to exert force continuously such as when lifting, pushing, or pulling objects or people
- Ability to safely and lawfully operate automotive vehicles and associated equipment
- Ability to safely and appropriately use specialized law enforcement tools and equipment to include firearms, handcuffs, batons, and other items
- Hearing and recognizing the normal range of sounds in terms of loudness, pitch, tone, patterns or rhythms, or duration
- Specific vision abilities may include close vision, distance vision, peripheral vision, depth perception, ability to adjust focus
- Must pass all phases of the selection process including a medical evaluation, drug screen, and physical performance test
- Using the necessary force to restrain a person when making an arrest
- Standing for extended or continuous periods of time
- Sitting for extended periods of time
- Walking for extended periods of time
- Remaining alert or vigilant and reacting to infrequent but important events or specific details within a stream of information (e.g., alarms, radio)
- Swimming and rescue in all types of weather conditions
- Working in a two to five person crew aboard vessel in close quarters for extended periods of time
- Safely and lawfully operate marine boat and related equipment such as dive truck
- Annually, must pass all required swimming tests
- Annually, must pass diver physical approved by the department
- Safely and efficiently remove themselves unassisted from water too deep to stand in while wearing all required public safety diver equipment

SKILLS, ABILITIES, AND OTHER WORK REQUIREMENTS**Knowledge**

Considerable knowledge of:

- water rescue and recovery operations
- operation of equipment related to search and rescue, and recovery
- marine boat operation and the various radio, radar, and sonar devices
- specialized equipment related to water rescue operations

Good knowledge of:

- *general powers and authorities of law enforcement officers, including public safety and security procedures and strategies to effectively enforce laws and protect lives and property

CLASS TITLE: POLICE OFFICER (Assigned as Marine Officer)

- *Federal, State, and Municipal criminal and traffic laws and ordinances and related departmental policies, directives, and resources
- *Chicago Police Department directives, operations, and regulations
- public safety and security procedures and strategies to effectively enforce laws and protect lives and property
- practices and procedures used in community policing
- geographical locations in the City of Chicago and the city waterways
- traffic operations on city waterways
- various types of watercraft used on Chicago waterways such as paddle craft, motor boats, sail boats, water taxis, tugs and barges, etc.

Knowledge of applicable City and department policies, procedures, rules, and regulations

Skills

- *IMPARTIAL POLICING – Provide services equitably to all members of the public without bias and will treat all persons with the courtesy and dignity which is inherently due every person as a human being without reference to stereotype (i.e., race, color, ethnicity, religion, homeless status, national origin, immigration status, gender identity or expression, sexual orientation, socio-economic class, age, disability, incarceration status, or criminal history)
- *PROCEDURAL JUSTICE – Utilizing techniques for communicating with complainants and members of the public to bolster relationships and promote positive change through fairness in the process, transparency in actions, promoting opportunities or voice, and providing impartiality in decision-making
- *COMMUNITY POLICING – Build strong community partnerships and positive interactions to effectively engage with the public in problem-solving techniques, which include the proactive identification and analysis of issues in order to develop solutions and evaluate outcomes
- *CRITICAL THINKING – Use logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions or approaches to problems
- *COMPLEX PROBLEM SOLVING – Identify complex problems and review related information to develop and evaluate options and implement solutions
- *JUDGEMENT AND DECISION MAKING – Consider the relative costs and benefits of potential actions to choose the most appropriate one
- *ACTIVE LEARNING - Understand the implications of new information for both current and future problem-solving and decision-making
- *RESOLVING CONFLICTS AND INFLUENCING OTHERS - Resolve disputes between groups and individuals; negotiate with others to influence behaviors, opinions; deal effectively with various members of the public; handle upset and injured victims, get people to cooperate
- *ORGANIZATIONAL AWARENESS AND COMMITMENT - Remain firm in one's allegiance to the Department's core values and faithful in pursuit of the Department's mission despite obstacles or opposition; follow Department policies and regulations and show support for their intent and value; demonstrate positive regard for the Department and personal role; show respect for members in positions of authority; work in a chain-of-command environment
- *SERVICE ORIENTATION – Actively look for ways to help people
- *SOCIAL PERCEPTIVENESS – Be aware of others' reactions and understand why they react as they do
- WATER RESCUE SKILLS – Be able to carry out search and rescue operations

CLASS TITLE: POLICE OFFICER (Assigned as Marine Officer)

- MECHANICAL SKILLS – Related to boat operation and maintenance, rescue equipment

Abilities

- *DE-ESCALATION TECHNIQUES – Use distance, speech, tone, empathy, and other tools to peacefully resolve a situation and minimize the need to use force; only use force that is proportional to the threat faced and immediately reduce the level of force as the threat diminishes
- *COMPREHEND ORAL INFORMATION – Listen to and understand information and ideas presented through spoken words and sentences
- *PUBLIC SPEAKING - Make formal presentations before large or small audiences
- *SPEAKING – Communicate information and ideas in speaking so others will understand
- *ACTIVE LISTENING – Give full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and not interrupting at inappropriate times
- *COMPREHEND WRITTEN INFORMATION – Read and understand information and ideas presented in writing
- *WRITE – Communicate information and ideas in writing so others will understand.
- *MEMORIZATION – Remember information such as words, numbers, picture, and procedures
- *RECOGNIZE PROBLEMS – Tell when something is wrong or is likely to go wrong
- *REACH CONCLUSIONS – Combine pieces of information to form general rules or conclusions (includes finding a relationship among seemingly unrelated events)
- *MAKE DECISIONS AND SOLVE PROBLEMS – Analyze information and evaluate results to choose the best solution and solve problems

Other Work Requirements

- *INTEGRITY – Upholding high moral standards and values; includes acting in accordance with an ethical and honorable code of conduct in both personal and professional situations (e.g., remaining fair and firm in actions and judgments) to earn the trust and respect of the communities we serve
- *ANALYTICAL THINKING – Analyze information and use logic to address work or job issues and problems
- *ATTENTION TO DETAIL – Pay careful attention to detail and thoroughness in completing work tasks
- *COOPERATION – Be pleasant with others on the job and display a good-natured, cooperative attitude
- *CONCERN FOR OTHERS – Demonstrate sensitivity to others' needs and feelings and be understanding and helpful on the job
- *SELF CONTROL – Maintain composure, keep emotions in check even in very difficult situations, control anger and avoid aggressive behavior
- *STRESS TOLERANCE – Accept criticism and deal calmly and effectively with high stress situations
- *PERSISTENCE – Persist in the face of obstacles on the job
- *DEPENDABILITY – Demonstrate reliability, responsibility, and dependability and fulfill obligations
- *INITIATIVE – Demonstrate willingness to take on job challenges

CLASS TITLE: POLICE OFFICER (Assigned as Marine Officer)

- *ADAPTABILITY/FLEXIBILITY – Be open to change (positive or negative) and to considerable variety in the workplace
 - *LEADERSHIP - Demonstrate willingness to lead, take charge, and offer opinions and direction
-

All employees of the City of Chicago must demonstrate commitment to and compliance with applicable state and federal laws, and City ordinances and rules; the City's Ethics standards; and other City policies and procedures.

The City of Chicago will consider equivalent foreign degrees, accreditations, and credentials in evaluating qualifications.

* May be required at entry.
