(312) 744-6451 (FAX)

Pursuant to powers and duties granted to the Commissioner of the Department of Environment in Chapter 2-30-030(12) of the Municipal Code of the City of Chicago, the following rules regarding the notice of public hearings required under Chapter 11-4-1640 for waste control facilities are issued for public comment and review.

These rules set forth notice for all waste control facilities, including but not limited to reprocessible construction/demolition material facilities, transfer stations, landfills, incinerators, resource recovery facilities, and liquid waste handling facilities.

The Department shall give notice of the time, date, and location of the hearing at least 2 weeks prior to the scheduled hearing date. Notice shall be given by publication of the time, date, and location of the hearing in a newspaper of general circulation within the city. The public may attend, register for comment, and raise questions or make statements regarding the application at the public hearing.
