

ONE CHICAGO 2019-23 HOUSING PLAN

Housing Strategies for a Thriving City

2022 SECOND QUARTER
PROGRESS REPORT
APRIL – JUNE

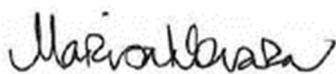

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2022 Second Quarter Progress Report, which presents the Department of Housing's (DOH) progress on the goals set forth in *One Chicago: Housing Strategies for a Thriving City*, the City's sixth Five-Year Housing Plan since 1994. The 2019-23 Plan established a \$1.4 billion strategic framework for City housing initiatives, coordinating support for approximately 40,000 residential units across Chicago.

The second quarter marked a milestone in our ongoing efforts to help at-risk renters facing the potential loss of their homes due to the economic impacts of the pandemic. With the full allocation of all our federal funds for emergency rental assistance, DOH now has distributed \$170 million in rent and utility payments through four rounds of grants, enabling more than 30,000 families to stay in their homes. In April the Department announced a new initiative that will provide free legal representation, in and out of court, to low-income tenants threatened by eviction or lockout. This **Right to Counsel Pilot Program** is expected to play a key role in forestalling the disruption and hardship caused by the eviction process.

For the past two years, the Department of Housing has not only pressed forward in our mission to expand housing choice and access for all Chicagoans, but also ensured that our most vulnerable residents could remain safely in their homes in the face of the pandemic. Now, as we shift our focus toward creating long-term programs and services to assist renters and homeowners, we are proud that we were able to keep so many families stably housed while helping property owners to remain solvent in these uniquely challenging times.

INTRODUCTION

This document is the 2022 Second Quarter Progress Report on the Chicago Department of Housing's (DOH) 2019-23 housing plan, *One Chicago: Housing Strategies for a Thriving City*.

For 2022 DOH has projected commitments of nearly \$260 million to create or preserve more than 5,700 units of housing. In addition, City programs will provide up to \$94 million in direct rental assistance to support stable housing for more than 12,000 families at risk of homelessness, many of them as a result of COVID-19.

Through the second quarter, the Department has committed \$298.6 million in funding to create or preserve 3,040 units, which represents 115% of the 2022 unit goal and 53% of the resource allocation goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

For 2022, DOH has projected commitments of over \$217 million to create or preserve nearly 2,900 units of affordable rental housing. DOH initiatives support new construction along with rehab of abandoned or deteriorated properties.

Through the second quarter, DOH has committed \$288.0 million in resources to create or preserve 2,072 rental units. Those totals represent 73% of the 2022 multi-family unit goal and 132% of the multi-family resource allocation goal. In addition to these production programs, the City has also provided direct rental assistance for over 9,000 units.

Multi-family Rehab and New Construction

Westhaven Park II-D

On June 22 the City Council approved financing for the seventh and final affordable phase in the redevelopment of the former Henry Horner Homes public housing complex on the Near West Side. **Westhaven Park II-D**, to be constructed at 145 N. Damen Avenue in the 27th Ward, will contain 96 mixed-income apartments, along with a business center, community room, bike room, exercise room, rooftop deck and 3,000 square feet of commercial space.

The \$49.6 million project is being developed by the team of The Michaels Organization and Brinshore Development LLC, who previously have collaborated in the production of some 1,800 units of affordable housing in Chicago. The 12-story building will be sited next to the new CTA Green Line station now under construction at Damen Avenue. The apartments

will include 38 for CHA residents, 25 additional affordable units and 33 to be rented at market rate.

The City will issue \$30 million in Tax-exempt Bonds that will generate \$12.4 million in 4% Low Income Housing Tax Credit equity in support of the project. Additional City assistance will include \$10 million in TIF funds and a \$6.3 million Multi-family Loan. The CHA is providing a \$12.2 million loan and \$1.1 million in Donation Tax Credits.

Updates to Previously Reported Developments

Lucy Gonzalez Parsons Apartments Now Open

On May 20 Mayor Lightfoot and Commissioner Novara joined Alderman Ramirez-Rosa (35th Ward) and community leaders to celebrate the opening of **Lucy Gonzalez Parsons Apartments**, an all-affordable, 100-unit rental complex adjoining the Logan Square station on the CTA Blue Line. The transit-oriented development was constructed by Bickerdike

Redevelopment Corporation on the site of a City-owned parking lot at 2614 N. Emmett Street, the culmination of a years-long public process that effectively incorporated community input into the final design.

Known as the Emmett Street Apartments when it was approved by the City Council in May 2020, the long-awaited project has now been renamed for a pioneering Black activist and labor organizer in Chicago who helped found the IWW. The seven-story structure contains a mix of one-through three-bedroom apartments, all affordable for households at less than 60% of AMI, along with ground-floor commercial space, a community room and a small public plaza.

City assistance for the \$40.5 million development included \$22.5 million in tax-exempt bonds, \$10.1 million in TIF funds, \$10.4 million in Low Income Housing Tax Credit equity, \$1.8 million in Donation Tax Credit equity, a \$4 million land write-down and a \$1.7 million Multi-family Loan.

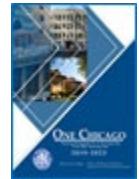

Englewood Welcomes New Senior Housing

Mayor Lightfoot joined Alderman Coleman (16th Ward) and other officials for the April 13 grand opening of a \$26 million affordable senior building in Englewood. **Montclare JoAnn Thompson Senior Residences of Englewood**, at 6332 S. Green, was approved by the City Council in April 2017. City assistance included \$14 million in LIHTC equity and a \$6.6 million Multi-family Loan. The 102-unit development was named in honor of the late 16th Ward Alderman JoAnn Thompson, who died in 2015.

Rental Assistance

Fourth Round of COVID Emergency Grants Closes With Over 30,000 Households Assisted

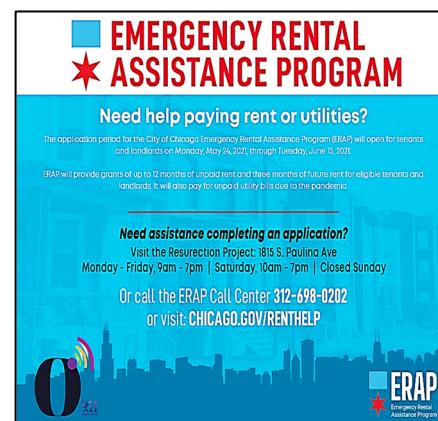

On May 2 the Department of Housing marked the conclusion of the fourth round of direct emergency rental assistance to renters and landlords financially impacted by the COVID-19 pandemic. The final totals: \$170 million in direct rent and utility payments that helped more than 30,000 families stay in their homes. With the end of ERAP2 (the second round of **Emergency Rental Assistance Program** grants), all currently available funds not reserved for court-based assistance or stabilization services have now been deployed.

ERAP2 included \$102 million from the American Rescue Plan Act of 2021 and provided up to eighteen months of rental assistance and utility payment assistance for impacted renters. Both rounds of ERAP prioritized households earning less than 50% of AMI (\$46,600 for a family of four). During the most recent application period, DOH received over 15,000 new requests for assistance as the economic impacts of COVID-19 shutdowns continued to place financial strains on residents.

"The pandemic has prompted and exacerbated many challenges facing our residents, one of which is the ability to pay rent and bills," said Mayor Lightfoot. "Through ERAP, the City was able to ease some of their burdens and give them the breathing room they deserve to get back on their feet and recover from the economic fallout of COVID-19."

DOH opened applications for ERAP2 last December as the Department completed the distribution of \$80 million already received under federal legislation passed in December 2020 (ERAP1). U.S. Treasury guidelines required 65% of these funds to be obligated by September 30, 2021. In meeting that deadline and fully utilizing all of its ERAP1 dollars, Chicago outperformed national averages, according to data from the National Low Income Housing Coalition. That success continued in 2022 as DOH obligated over 50% of its ERAP2 funding by March 29, thus qualifying for an additional \$1.5 million in reallocated federal funds.

Case management services for grants under ERAP1 and ERAP2 were provided by The Resurrection Project through an online platform designed by Unqork. More than a dozen delegate agencies also provided in-person services to assist residents with limited access to technology and ensure that those in need could connect with the assistance offered by the City.

The graphic is a rectangular promotional card for the Emergency Rental Assistance Program (ERAP). It features a blue and white color scheme with a red star icon. At the top, it says "EMERGENCY RENTAL ASSISTANCE PROGRAM". Below that, there's a section titled "Need help paying rent or utilities?". It provides information about the application period (May 24, 2022 - June 12, 2022), grant amounts (up to 12 months of unpaid rent and three months of future rent), and eligible tenants (those impacted by the pandemic). It also mentions that ERAP will provide utility assistance. At the bottom, there's a section titled "Need assistance completing an application?" with details about visiting the Resurrection Project office or calling the ERAP Call Center. The background of the card features a stylized Chicago skyline silhouette.

The two ERAP rounds followed two earlier emergency assistance programs also administered by DOH. In March 2020, the Department opened its first rental assistance program using \$2 million from the City's Affordable Housing Opportunity Fund, distributing 2,000 one-time grants of \$1,000 to aid renters. Later that year, in collaboration with the Department of Family and Support Services, DOH launched the Chicago Housing Assistance Program, supported by funds from the Coronavirus Aid, Relief and Economic Security (CARES) Act and Chicago's philanthropic community. Through this program the City provided more than \$33 million in assistance to over 10,000 households.

DOH's successful implementation of these initiatives, noted Commissioner Novara, "ensured that our most vulnerable residents were able to remain safely in their homes in these unprecedented times. As we shift our efforts toward creating long-term programs and services to assist renters, we are proud that we were able to keep so many tenants stably housed, keep the lights on and keep property owners solvent."

Although new applications are no longer being accepted under ERAP2, DOH now provides court-based ERAP ("C-ERAP") within the county eviction court system through the Early Resolution Program offered by Cook County Legal Aid for Housing and Debt. Under this program, tenants and landlords are directed to apply for ERAP assistance following an assessment by the court. C-ERAP can provide up to eighteen months of rental payments and was designed to identify vulnerable residents in eviction court who were unable to apply for assistance during earlier application periods. The City will continue to offer this program through 2023 supported by \$10 million in ERAP2 funding from the Illinois Department of Human Services.

PROMOTION AND SUPPORT OF HOME OWNERSHIP

DOH is projecting commitments of over \$18 million to help more than 400 households achieve or sustain homeownership in 2022. DOH initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties, and financing programs for home purchase and rehabilitation.

Through the second quarter, DOH has committed \$2.4 million to support 114 units. These numbers represent 28% of the 2022 homeownership unit goal and 13% of the homeownership resource allocation goal.

"Buy Back the Block" Comes to West Woodlawn

Commissioner Novara joined County Board President Preckwinkle and other officials at the May 17 groundbreaking for a joint development that will replace eleven vacant lots in Woodlawn with new three-flats. Under the County's ***Buy Back the Block*** initiative, five local developers of color have purchased the lots from the Cook County Land Bank Authority at \$1,000 apiece for the construction of ***West Woodlawn Pointe*** on the 6300 block of S. Evans Avenue in the 20th Ward. The new buildings will house a total of 33 family-sized units, each with three bedrooms and two baths.

DOH is partnering with the Chicago Community Loan Fund, a non-profit lender that specializes in development initiatives benefitting low- and moderate-income neighborhoods, to establish a \$1.4 million loss reserve fund that will help back the construction loans for the new development.

IMPROVEMENT AND PRESERVATION OF HOMES

DOH is projecting commitments of almost \$24 million to assist nearly 2,500 households to repair, modify, or improve their homes for 2022. DOH initiatives support emergency repairs, energy efficiency improvements, and financing programs to help existing homeowners keep their homes.

For the ongoing protection of our service providers and clients, most of our home improvement and repair programs have operated at reduced levels since the onset of the pandemic. Through the second quarter, DOH has committed \$8.2 million in resources to support 854 units. These numbers represent 35% of the 2021 improvement and preservation unit goal and 35% of the improvement and preservation resource allocation goal.

POLICY, LEGISLATIVE AFFAIRS AND OTHER INITIATIVES

New Loan Fund Will Help Stem Loss of SRO Units

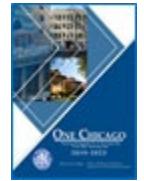

Legislation passed by the City Council on April 27 will help preserve low-cost, affordable housing options for at-risk residents by bolstering the financial viability of SRO buildings through reduced debt loads. Under a partnership with Community Investment Corporation (CIC), the new **SRO Preservation Fund** will earmark \$5 million from the Affordable Housing Opportunity Fund to assist existing and prospective SRO owners refinance construction or rehab loans.

The SRO fund also secures long-term affordability for these properties, with owners required to maintain rent levels at 50% of AMI or below. Tenants will pay no more than 30% of their income in rent; the level of private investment determines the percentage of restricted units in each building to be supported through the fund.

To qualify for City assistance, developers must first secure private construction financing. SRO preservation funding can then be tapped to convert these loans to permanent mortgage financing with monthly payments cut by 50%.

City financing preserved the Mark Twain Apartments as an SRO in 2018.

DOH Announces Free Legal Services for At-Risk Renters

The Department of Housing on April 4 unveiled a new pilot initiative designed to help vulnerable renters facing eviction in Chicago. The **Right to Counsel (RTC) Pilot Program** will provide free legal representation, in and out of court, to eligible low-income tenants at risk of eviction or lockout.

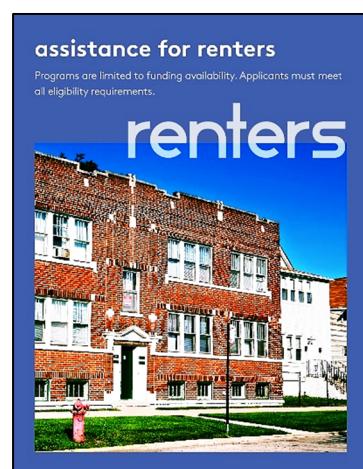

The COVID-19 pandemic and subsequent economic fallout have given rise to massive housing instability across the country, especially as eviction moratoriums were lifted. DOH's new three-year pilot program, supported by \$8 million in funding from the Emergency Rental Assistance Program 2 (ERAP2), is expected to play a pivotal role in preventing and minimizing the disruption and hardship caused by the eviction process.

"Just as the Department of Housing works to expand housing access and choice for all residents regardless of income or zip code, through the Right to Counsel Pilot Program we are working to ensure that those vulnerable to eviction have the legal representation they need to help them remain in their homes," said Commissioner Novara.

RTC services will be offered by two groups of legal aid providers, each selected through an RFP issued by DOH in November 2021. One group is led by the Lawyers' Committee for Better Housing, partnering with Legal Aid Chicago and the Coordinated Advice and Referral Program for Legal Services. They will provide full-and limited-scope legal representation at no cost to eligible low-income tenants at risk of or subject to eviction. The second group, led by Beyond Legal Aid, will deliver legal services through its existing network of community-located, community-operated and community-directed legal aid programs.

"The Lawyers' Committee for Better Housing and Beyond Legal Aid have been invaluable partners throughout the pandemic, helping renters stay safely housed," noted Novara. "I am excited that we can continue this partnership to protect Chicago tenants from unnecessary eviction."

A \$300,000 grant from the Polk Bros. Foundation to the Chicago Bar Foundation (CBF) will support a formal evaluation of the RTC pilot and its effectiveness in preventing evictions, as well as an assessment of the total costs necessary to implement a sustainable eviction right-to-counsel program in Chicago. DOH will collaborate with CBF and Stout, a Chicago-based investment bank and advisory firm, to conduct a three-year cost-benefit analysis of the pilot program.

DOH and UChicago to Explore Government's Role In Building Wealth for Marginalized Communities

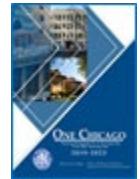

On April 12 DOH joined with the University of Chicago's Crown Family School of Social Work, Policy, and Practice in announcing a new partnership to examine how city governments around the world are using housing policies to promote wealth creation in communities of color. The collaboration will work to identify inclusive housing policies that can effectively build wealth among Chicago's traditionally marginalized populations and shrink the City's racial wealth gap.

"Decades of disinvestment—redlining, restrictive covenants, contract buying, predatory lending—have left many Black and Brown communities with vacant lots, vacant storefronts, and low land values, issues that prevent the residents of these communities from building generational wealth through homeownership," said Commissioner Novara. "This partnership with the Crown Family School will provide a road map of what is working and what is not and the path to creating more affordable homeownership opportunities throughout our cities."

Over the coming months, a research team will survey the myriad ways in which cities around the world are developing strategies that leverage housing policy to accelerate wealth-building for marginalized communities, particularly communities of color. The researchers will be led by the Crown Family School's Office of Community Partnership and Impact and McCormick Foundation Professor Robert Chaskin.

Based on this work, the team will produce a report identifying promising housing practices and policies that can increase financial security for low- and moderate-income households and expand wealth equity. The University's Mansueto Institute for Urban Innovation will then convene a global symposium that will bring together housing leaders from a selected group of cities—including those featured in the written report—to delve into the research findings and explore how housing policy and related wealth-building interventions in other communities can inform new, targeted and more equitable outcomes here in Chicago.

This partnership reaffirms the City's continuing commitment to evaluate the outcomes of its work through a racial equity lens and recalibrate policies where needed. In March 2021, DOH released the nation's first Racial Equity Impact Assessment (REIA) on a Qualified Allocation Plan for Low-Income Housing Tax Credits. Among the priorities identified by the REIA was the need to target DOH investment policies to improve wealth-building opportunities and life outcomes for residents of City-funded developments; this new research will help bring us closer to that goal.

Affordable Housing Tax Break Approved For Northwest Side Apartment Complex

Affordable housing got a boost on the Far Northwest Side with the City Council's April 27 designation of the O'Hare community area as Chicago's first Low-Affordability Community under the State of Illinois's Affordable Housing Special Assessment Program. This program, which was signed into law by Governor Pritzker last year, authorizes a special property tax reduction for any multi-family property in an area where less than 40% of the total housing units are affordable, provided that the owner agrees to maintain at least 20% of the units as affordable for a minimum of thirty years.

The availability of this tax break was a key factor in the Council's approval in December 2021 of a major new apartment complex proposed at 8535 W. Higgins Rd. in the 41st Ward. To qualify for the reduction, developer Glenstar Properties agreed to double the percentage of affordable units that would otherwise have been required under the Affordable Requirements Ordinance. As a result, 59 new affordable units will be created in a community where the share of affordable housing currently is less than 20%.

NOTE: Gross rent limits for 50% and 65% AMI, High HOME Rent and Fair Market Rent are as published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the lesser of the Fair Market Rent or the High HOME Rent for the unit size, in HOME-funded developments with 5 or more units. 20% of the HOME-assisted units must be occupied by very low-income families whose rents do not exceed 30% of the annual income of a family @ 50% of the area median. This is known as the "Low HOME Rent".
