QUESTIONS FROM BIDDERS

The following questions and requests for clarification were submitted in accordance with the instructions provided in the Contract Documents. The City's response (shown in ***bold italics***) follows each question or request for clarification in the table below:

Question 1:	Does the owner claim generator-status of any pre-existing materials encountered on the project?
Response:	<i>Yes.</i>
Question 2:	Please reference the contract drawings and Spec # P-156 – Temporary air and water pollution, soil erosion, and sediment control. Please clarify under what pay item are sediment logs and sediment containment filter bags to be paid under? Are they incidental to one of the pay items included on P-156-22 of the specifications or will they be covered under the allowance for additional erosion control?
Response:	<i>Work not shown on the plans will be paid for under item P-156-5.07, Allowance for Additional Erosion Control, as directed by the Commissioner</i>

In accordance with Section 1 of the "Requirements for Bidding and Instructions for Bidders" in Part One of Three: Interpretation of Contract Documents, the deadline for questions has passed. No additional questions will be answered prior to bid opening except as the Chief Procurement Officer, in her sole discretion, deems to be in the best interest of the City.
