REQUEST FOR PROPOSALS (RFP)

FOR

LEAD ARCHITECTURAL DESIGN SERVICES – TERMINAL AREA PLAN – FOR THE O’HARE 21 PROGRAM AT O’HARE INTERNATIONAL AIRPORT

Specification No. 428915

Required for use by:

CITY OF CHICAGO
(Chicago Department of Aviation)

CITY OF CHICAGO
(Department of Procurement Services)

All Responses and other communications must be addressed and returned to:

Shannon E. Andrews, Chief Procurement Officer
Attention: Lisa Freelon, Senior Procurement Specialist
City Hall, Department of Procurement Services, Bid & Bond Room 103
121 N. LaSalle Street
Chicago, Illinois 60602

ALL RESPONSES MUST BE RECEIVED BY 4:00 P.M., CENTRAL TIME, on January 7, 2019.
SUBMITTAL CHECKLIST

This checklist is provided for ease of review of the Respondent’s submittal content; however, it is the responsibility of the Respondent to ensure that all the required material requested in this RFP is addressed and included in the Respondent’s submittal.

Required Content

Volume I - Required Content if necessary

☐ Conflict of Interests
☐ MBE/WBE Documentation – Narrative
  ☐ Schedule B and JV Agreement, if appropriate
  ☐ Schedule C-1 for each proposed MBE/WBE Subcontractor
  ☐ Letter of Certification from City of Chicago for each proposed MBE/WBE Subcontractor
  ☐ Schedule D-1

Volume II - Required Content

☐ Cover letter
☐ Drawings
☐ Renderings

I. GENERAL INFORMATION

The City of Chicago ("City"), acting through its Chicago Department of Aviation ("Department" or "CDA"), invites the submission of Proposals for Lead Architectural Design Services – Terminal Area Plan ("TAP") – for the O'Hare 21 Program. This invitation is only open to those firms who responded to the Request for Qualifications Specification Section 428915 and who were evaluated, placed on a short list for further review, and selected to receive this Request for Proposals ("RFP"). The City is seeking to engage world class terminal architectural talent capable of delivering the new O'Hare Global Terminal ("OGT") and O'Hare Global Concourse ("OGC") with a goal of redefining the image, technology and level of service for international terminal development. The selected architectural design will build upon Chicago’s unparalleled legacy of leading architectural achievements. The intent of this RFP is to identify qualified Respondents having demonstrated experience, expertise and resources to provide the design, engineering and construction administration services (the “Services”) for the following types of projects: demolishing existing Terminal 2 and replacing it with a new international terminal facility, constructing new concourse(s) S1 and S2, modification of some existing concourses and inter-terminal connectors.

The Scope of Services for the program includes the program definition, final planning, programming, design, engineering, phasing and detailed coordination of airside, landside and utilities to serve the existing and new facilities.

This RFP process will result in the ranking of proposals with the top scorer declared as the winner. The submissions will be ranked by an evaluation committee in order of rating from first to last with the intention of awarding two contracts.

CDA will enter into contract negotiations with the winning respondent for the award of OGT and OGC and upon successful negotiations concluding in a contract, CDA will then enter into negotiations with the second ranked party for the S1 and S2 concourses.

Should negotiations for either project prove unsuccessful CDA will negotiate in successive order of ranking established in the very beginning with the bidders in the same sequence, beginning with the OGT and OGC contract first and then the contract for Concourses S1 & S2. CDA envisions that the TAP development program will have a cohesive design esthetic and airport architectural language and it will be required for both teams to work collaboratively throughout the design process upon award.

The Design Consultant for the OGT and OGC will set the direction for and overall architectural language for the entire program so that the Design Consultant for the satellite concourses shall be able to proceed with their design incorporating the information provided. The nature of the works in this project is described in greater detail in Exhibit 1, Proposed Scope of Services, to the previously issued Request for Qualifications titled “Request for Qualifications (RFQ) for Lead Architectural Design Services – Terminal Area Plan – for the O'Hare 21 Program at O'Hare International Airport, Specification No. 428915” ("RFQ").

The requirements for submission and considerations for the RFP are contained within the following pages and in Attachment 1, Terminal Area Plan, O'Hare Global Terminal Development Design Competition Brief.

A. RFP Requirements

The RFP process will be approximately 12 weeks in length from initial information distribution to jury interview process. (approximate 2-hour interview per team). The following timeline illustrates the intended schedule in Paragraph I below.
Short-Listed Respondents will be expected to provide at minimum plans, sections, renderings and electronic and physical models to best communicate the design concept and intent meeting the goals and objects of CDA.

The OGT and OGC has a programmatic requirement for approximately 1.875 million square feet of terminal area and an established construction budget of $1.3B dollars. Submissions will be evaluated by the Program Management Office for constructability and cost. Submissions deemed to be unable to be constructed for established project budget will be considered non-responsive. A description of what is included and any exceptions are detailed in the Project Requirements sections of the RFP.

B. CDA will Retain Ownership of All Proposals for their Use

The proposal to be produced by Respondent and its Sub consultants, if any, at the City's instance and expense under this RFP, and further, in exchange for Respondent's receipt of the $50,000 stipend, if found to be in compliance, responsive, shortlisted for the RFP and accepted by the City, are conclusively considered "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 et seq., and the City will be the sole copyright owner of the proposal and of aspects, elements and components contained in the proposal in which copyright can subsist, and which are owned and transferable by, and of all rights to apply for copyright registration or prosecute any claim of infringement.

C. Respondents to Request for Proposals

"Respondent(s)" means the entities that submit Proposals ("Submittals") in response to this RFP. The Respondent(s) awarded an Agreement pursuant to this RFP, if any, are sometimes referred to herein as "Contractors". "Agreement" refers to a Contract awarded to a Respondent.

Note that due to file size limitations, Reference Drawings will be provided on a DVD and sent to via Federal Express.

D. Scope of Service

The Services requested for this RFP were fully described in Exhibit 1, Proposed Scope of Services, to the previously issued.

E. Term of Services

The City intends to select two (2) qualified Respondents and award two (2) Agreements pursuant to this RFP solicitation for a base contract period from the Notice to Proceed (NTP) to a period of one (1) year after final completion of the facility or facilities for which design services were contracted.

F. Communications; Pre-Submittal Conference; and Document Availability

1. Communications between the City and Respondents

Respondents must communicate only with the Department of Procurement Services ("DPS") regarding this RFP. All questions or requests for clarification must be submitted to the following e-mail address: CDAbidquestions@cityofchicago.org. The subject line of the email must clearly indicate that the contents are “Questions and Requests for Clarification” about the RFP, and must refer to “Request for Proposals (RFP) for Lead Architectural Design Services – Terminal Area Plan – for the O’Hare 21 Program, Specification No. 428915.” The specification number must appear in the subject line of the e-mail.
No telephone calls will be accepted.

All questions and requests for clarifications must be submitted no later than **4:00 p.m., Central Time, on November 15, 2018** or no response will be provided except at the sole discretion of the Chief of Procurement Officer. A Respondent that deviates from any of these requirements is subject to immediate disqualification from this RFP process.

2. **Pre-Submittal Conference**
   The City will hold a mandatory pre-submittal conference at the Chicago Department of Aviation, 10510 Zemke Road, Chicago, IL, 60666 on **November 8, 2018 at 10:00 a.m., Central Time**. Attendance is mandatory, at least one (1) local representative from your firm must be in attendance. The City will address questions regarding the RFP at the pre-submittal conference, may respond both to questions or requests for clarification submitted on the day of the conference, and to questions submitted prior to the conference date. However, Respondent may only rely on written addenda and/or clarifications. The City of Chicago accepts no responsibility for timely delivery of materials, and Respondents are solely responsible for acquiring necessary information, addenda and/or materials.

3. **RFP Document Availability, Information Resources**
   Respondents should obtain this RFP and reference documents from the Bid & Bond Room 103 located at City Hall, 121 N. LaSalle Street, Chicago, Illinois 60602.

   Respondents may request the Bid & Bond Room personnel to mail them a copy of the RFP by faxing the Bid & Bond Room a completed Federal Express Airbill or make arrangements with Bid & Bond Room personnel to have a package ready for pickup by another courier service. The Bid & Bond Room telephone number is (312) 744-9773. The City accepts no responsibility for the timely delivery of materials.

   Alternatively, Respondents may download the RFP from URL address: [www.cityofchicago.org/bids](http://www.cityofchicago.org/bids). All Respondents who choose to download the RFP are responsible for checking this website for clarifications and/or addenda.

   If Respondent chooses to download the RFP document, the Respondent must contact the Bid & Bond Room by faxing a legible copy of Respondent’s business card, referencing **Specification No. 428915** to fax number (312) 744-5611 or by calling the Bid & Bond Room at (312) 744-9773 to register Respondent’s company as an RFP document holder, which will better enable Respondent to receive any future clarifications and/or addenda related to this RFP. Respondents are responsible for obtaining all RFP materials.

   Under no circumstances shall failure to obtain clarifications and/or addenda relieve a Respondent from being bound by any additional terms and conditions set forth in the clarifications and/or addenda, or from considering additional information contained therein in responding to the RFP. Furthermore, failure to obtain any clarification and/or addendum shall not be valid grounds for a protest against award(s) made under this RFP.

   **G. Deadline and Procedures for Submitting Proposal**

   1. Proposal must be received by the Bid & Bond Room no later than **4:00 p.m., Central Time, on January 7, 2019**.
2. The City may not accept submittals that are not received by the date and time set forth in Section I.G.1 above. Only the City’s Chief Procurement Officer, at her sole discretion, will determine whether to accept a submittal received after the due date and time.

Failure by a messenger delivery service or printing service to meet the required deadline will not excuse the Respondent from the deadline requirement of this RFP. Hand-carried Proposals must be received in the depository located in the Bid & Bond Room 103 at City Hall. The actual time of the receipt of all Proposals to this RFP will be determined solely by the clock located in the Bid & Bond Room. It is the Respondent’s sole responsibility to ensure that the Proposal is received as required.

3. The Respondent submittals must be delivered to the following address:

Shannon E. Andrews, Chief Procurement Officer
City Hall - Department of Procurement Services
121 N. LaSalle Street,
Bid & Bond Room 103
Chicago, Illinois 60602
Attention: Lisa Freelon, Senior Procurement Specialist

4. Respondents must submit one (1) original, twenty (20) paper copies, and twenty (20) electronic copies in one searchable pdf format, all on USB drive or CD-ROM. Each USB drive/CD-ROM should contain both Volumes of the Proposal. The original Proposal must be clearly marked as “ORIGINAL” and all documents requiring a signature must bear the original signature of Respondent’s authorized signatory. Respondents must submit their Proposals in enclosed sealed envelopes, packages, or boxes, and addressed to the City of Chicago, Department of Procurement Services, Bid & Bond Room 103, City Hall, 121 N. LaSalle Street, Chicago, IL 60602. Proposal packages in boxes must be dropped off in the Bid & Bond Room for date/time stamp during regular hours, 8:30 a.m. to 4:00 p.m. Central Time, Monday through Friday (except legal Holidays) prior to the date and time advertised. The Bid & Bond Room can be reached at (312) 744-3002 between the hours of 8:30 a.m. to 4:00 p.m., Central Time, Monday through Friday (excluding holidays). Please refer to Section III (Transparency Website; Trade Secrets, Paragraph F), for the submittal of One CD marked “Confidential.

5. The outside of each sealed envelope or box must be labeled as follows: Proposal Enclosed

RFP for Lead Architectural Design Services – Terminal Area Plan – for the O’Hare 21 Program
Specification No. 428915
Due: 4:00 p.m., Central Time, January 7, 2019
Submitted by: ______________________________

(Name of Respondent)
Package_______of_______
The City's opening of Respondent's sealed envelope(s) or package(s) containing a Proposal shall neither be deemed nor constitute acceptance by the City of Respondent's Proposal. The City reserves the right to open and inspect all such sealed envelope(s) or package(s), regardless if the same were submitted by the due date and time specified herein, for any purpose, including without limitation, determining the particular RFP to which Respondent has responded, determining if a Proposal was submitted by the date and time specified in this RFP, and in order to determine a Respondent's return address.

6. All submittals shall become the property of the City of Chicago.

H. Interview

1. The Respondents will be required to make a presentation in person to the evaluation committee. The interviews will be limited to a maximum of eight (8) team members.

2. The interviews will take place with up to five (five) firms total over a two-day period with three (3) firms being interviewed on one day and two (2) firms on another day. Firms will be given 45 minutes to set up, 2 hours to present and 15 minutes to clear the room.

3. The tentative dates for the interview will be January 15 and 16, 2019. Location to be determined.

4. Prior to the presentation the firms will be given information regarding the presentation room, dimensions, equipment to be provided, and access requirements and restrictions.

I. Procurement Timetable

The timetable for the selection process is summarized below. Note that these target dates are subject to change by the City:

- Issuance of Request for Proposals: October 31, 2018
- Pre-Submittal Conference: November 8, 2018
- Question Cut-Off Date: November 15, 2018
- Submissions Due: January 7, 2019
- Interviews: January 15 and 16, 2019

J. Conflicts of Interests

All shortlisted teams have been determined to not have any conflicts that would prevent them from responding to this RFP. The Respondents are not allowed to augment their teams for any Joint Venture Partners or replacement of key personnel.

Respondents that may have lost firms or individuals for reasons beyond their control must submit the name and qualifications of the firms/individuals that have been added and the following rules would apply to any new team members.

For the purposes of this section, the following definitions apply:

- “CARE Plus” or Chicago Airports Resources Enterprise Plus” means a joint venture, which serves as the Department’s Owner Representative and Construction Manager for Capital Improvement Program projects.
- “Master Civil Engineer” means BPC Airport Partners, a limited liability company, which serves as the OMP's Master Civil Engineer.
• “CCA” means Connect Chicago Alliance, a joint venture, which serves as the TAPs Program Management Office (PMO).

Respondents will be subject to the following conflicts of interest rules:

1. The O’Hare 21 Program is very complex, which has changed how potential and real conflicts are presented and reviewed. The most important rule is that no Engineering or Architectural firm in either a prime or sub-consultant role will have oversight or review of any design work or a construction management role for any project which they have worked on. Generally, professional services firms providing design services for a facility cannot also be part of constructing the same facility.

2. CARE Plus, the Master Civil Engineer, and the PMO (“Covered Entity #1”) are not eligible for consideration for award of the Agreement and may not participate on the Agreement as a subcontractor (“Ineligible Parties”).

3. If Respondent is a subcontractor of one or more of the Ineligible Parties (Covered Entity #2) or the subcontractor is identified in the Conflicts Matrix, Attachment A.1, as having a “Definite Conflict of Interest” and intends to resolve a conflict by withdrawal from a conflicted contract, the subconsultant must provide documentation showing actual withdrawal from the conflicted contract, not merely an offer to withdraw contingent on the team moving forward. Please note also that some conflicts cannot be mitigated through withdrawal from a conflicting contract.

4. If Respondent proposes to use as one of its subcontractors any Covered Entity #2 as described above, Respondent must comply with the requirements set forth below to be eligible for consideration for award of an Agreement:
   a. The Covered Entity #2 shall have no management role whatsoever in the Respondent; and
   b. The Covered Entity #2 shall have no beneficial interest whatsoever in the Respondent; and
   c. Respondent’s Proposal shall propose to use Covered Entities #2 on no more than forty-nine percent (49%) of all Services under an Agreement; and
   d. Respondent must provide an accurate and complete description of the conflict of interest and the measures the Respondent proposes to mitigate the effects of the conflict of interest.

5. Affiliated Relationship
   a. If Respondent is an entity that has an Affiliated Relationship (as defined below) (Covered Entity #3), Respondent will be ineligible for consideration for award of an Agreement as a Consultant but may provide Services as a subcontractor in accordance with Section 4 above.

For purposes of this section, an "Affiliated Relationship" exists if the Respondent and any of the Ineligible Parties or any joint venture partner of the Ineligible Parties or any subcontractor of the Ineligible Parties have any common ownership, whether directly or indirectly (including, without limitation, if they are subsidiaries of the same parent company); however, if any institutional investor owns less than 10% of both the Respondent and the Ineligible Party, joint venture partner of the Ineligible Party, and/or Covered
Entity #2, such ownership will not render the relationship between the Respondent and the Ineligible Party, joint venture partner of the Ineligible Party, and/or Covered Entity #2 an Affiliated Relationship.

b. If Respondent proposes to use any Covered Entity #3 as a subcontractor, the Respondent must comply with the requirements set forth below to be eligible for consideration for award of an Agreement.

i. The Covered Entity #3 shall have no management role whatsoever in the Respondent; and

ii. The Covered Entity #3 shall have no beneficial interest whatsoever in the Respondent; and

iii. Respondent's Proposal shall propose to use Covered Entities #3 on no more than forty-nine percent (49%) of all Services under an Agreement; and

iv. Respondent must provide an accurate and complete description of the conflict or apparent conflict and the measures that the Respondent proposes to mitigate the effects of the conflict.

c. The CPO will make the determination of eligibility in his/her sole judgment based upon the requirements set forth above. The CPO’s determination adverse to the Respondent shall be final unless the Respondent’s Proposal contains a letter from the Covered Entity #3 agreeing to withdraw from Respondent’s team in the event of such an adverse determination.

6. Covered Entity #1 Joint Venture Members

a. The current joint venture partnerships working at CDA for Program Management and Construction Management are conflicted from pursuing the Engineering work as a joint venture. However, they are permitted to pursue the work as individual entities and may or may not have a conflict depending upon their other pursuits. For example, the Master Civil Engineer Joint Venture (BPC Airport Partners) is precluded from pursuing any contracts as the same joint venture entity. Any member of that joint venture may pursue the work as an individual firm, but they may or may not have a conflict depending on the nature of the contract and work scope. Similarly, the Care Plus Joint Venture may not pursue any of the contracts as the same joint venture, but may be able to pursue other projects as individual firms.

b. Due to CCA’s role as the TAP PMO, CCA and its members are conflicted from pursuing the Engineering work, since they will have oversight of the TAP Program.

7. Additional Ineligible Parties

If a Respondent, subcontractor to Respondent or Respondent which has an entity with an Affiliated Relationship is awarded an Agreement under this RFP for Lead Design Services, they will then become an Ineligible Party for consideration of award of any Agreements for any current or future Program Management Services or Construction Manager Services including Construction Manager At-Risk Services (CMR), which would fall under the management role of the Program Manager or the Construction Manager. Additional ineligible parties also include firms involved in the planning process which formulated the TAP development program including:
8. Conflict of Interest Evaluations
   
a. The Evaluation Committee (“EC”) will consider any information regarding Respondent, including information contained in a Respondent’s Proposal, that may indicate any conflicts (or potential conflicts) of interest which might compromise Respondent’s ability to successfully perform the proposed Services or undermine the integrity of the competitive procurement process. If any Respondent has provided any services for the City in researching, consulting, advising, drafting or reviewing this RFP or any other services related to this RFP, such Respondent may be disqualified from further consideration.

b. If a particular subconsultant is determined to have a conflict during the selection process or during the course of the project, teams may be asked to identify another certified subconsultant. Joint venture partners who are identified as having a conflict during the selection process, will disqualify their team – unless they are able to resolve the other project causing the conflict.

c. Notwithstanding the above descriptions, Respondents are urged to be open and flexible in developing their teams. Given the fluid nature and magnitude of this program, conflicts may arise throughout the program that were not considered previously.

d. The City reserves the right to evaluate potential conflicts of interests, if any, not set forth above that could present a conflict in the performance of the Services. With respect to the evaluation of potential conflicts of interest, the City also reserves the right to render a final decision on the eligibility of a particular Respondent to be considered for an award of an Agreement, all in a manner consistent with the best interests of the City.

9. If your firm receives notification regarding a Conflict of Interest, Substitution Requests should be submitted to lfreelon@cityofchicago.org and be received no later than November 9, 2018. The City will provide a response to said request on or before November 16, 2018.

10. Conflicts Matrix

Attachment A.1 is a Conflicts Matrix that covers all current and proposed Professional Services contracts at this time. For those projects which have been advertised and not awarded, joint ventures (Primes) and subconsultants should review the matrix. For projects that will be advertised in the future, the matrix will apply. The matrix is consistent with the current understanding of scopes of work. A RED box indicates that there is a direct conflict in the program and the respective Primes and in some cases subconsultants are precluded from being in certain roles on certain contracts. Any Yellow Box indicates that there is a potential or real conflict of interest. It will be up to the specific Prime Firm to
provide specific information with the RFP submittal that will show the plan to mitigate the conflict. If a sub-consultant is providing a named key person(s) in a specific role in a Yellow Box that sub-consultant will need to provide a specific mitigation plan with the RFP submittal indicating how the key person(s) role(s) will not conflict with the contract package marked in Yellow Box.

1. "Prime" refers to single Prime or any Joint Venture Partner.
2. "JV Entity" refers to the Joint Venture and not the JV Partners as individual firms.
3. "Subs" refers to subconsultants or subcontractors to the Prime.
4. In no case shall any designer (Prime or Sub) be involved with any CM or CMAR assignments on a project where they have performed design or design review activities.
5. Those entities enumerated in the prologue to this chart are not shown as they do have specific conflicts with most or all of these contracts.
6. "NA" means Not Advertised.

| Potential Conflict of Interest; firm must submit a mitigation plan, or remove themselves from conflicted contract. |
| No apparent Conflict of Interest, but combinations of positions could cause a conflict. |
| Definite Conflict of Interest; firm will not be allowed to participate not allowed to participate unless they remove themselves from conflicted contract. |
| Existing Contract (Contract Awarded) |
| Future Contract (Contract Pending Award) |
K. Title VI Solicitation Notice

The City, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all Respondents that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

II. EVALUATION OF SUBMITTALS

A. Evaluation Committee

An Evaluation Committee ("EC"), will review and evaluate the submissions to the Request for Proposals. The City reserves the right to enlist independent consultants to assist with the evaluation of all or any portion of the submittals, as it deems necessary. Any incomplete submittal with missing key components necessary to fully evaluate the response may, at the discretion of the CPO, be rejected from further consideration due to "non-responsiveness" and rated Non-Responsive. Any response deemed non-responsive shall not receive a stipend.

The EC will then evaluate the extent to which a Response meets the requirements set forth in the RFP. The focus of the evaluations will be on the Respondent’s approach and methodology, qualifications, experience, proposed implementation plan, and other factors based on the evaluation criteria outlined in this section. The City reserves the right to seek clarification of any information that is submitted by any Respondent in any portion of its submittal or to request additional information at any time during the evaluation process. Any material misrepresentation made by a Respondent may void the Response and eliminate the Respondent from further consideration.

The EC will then make a final evaluation and will submit a ranking of the interviewed firms from first to last. If the Commissioner concurs with the selection recommendation from the EC, the Commissioner will forward such concurrence and recommendation to the CPO for authorization to enter into contract negotiations with the selected Respondent(s).

The City will require the selected Respondent(s) to participate in contract negotiations including but not limited to negotiations regarding compensation. The City’s requirement that the selected Respondent negotiate is not a commitment by the City to award an Agreement, nor is such requirement an opportunity for Respondent to take exception or objection to any part of the Agreement which it did not take exception or objection to as allowed in this RFP. If the City determines that it is unable to reach an acceptable Agreement with a selected Respondent, including failure to agree on fair and reasonable compensation for the Services or any other terms or conditions, the City may initiate negotiations with one or more other Respondents and may terminate negotiations with such selected Respondent, and may commence negotiations with any of the other Respondent(s) until such time as the City has negotiated an Agreement or multiple Agreements meeting its needs.
B. Evaluation Criteria

The evaluation of the Respondent’s Statement of Qualifications from the Request for Qualifications will carry forward and be considered in aggregate with the evaluation of the Proposal solution presented during the interview process. The evaluation criteria for the RFP submittal is as follows:

1. Design Vision and Approach

   The Design Vision and Approach is a narrative indication of the prospective team’s solution to the project. It identifies how the proposer intends to execute the project and should be clearly articulate in narrative format in a way that can be easily understood when reviewing the graphic representations of the solution.

   a. Provide an understanding of specific airport culture and vision unique to the City of Chicago articulated in narrative format that can be clearly understood when reviewing the graphic representations of the solution;

   b. Meet the programmatic needs of the terminal as defined in the RFP documents. All defined spaces shall be clearly indicated with required functional adjacencies;

   c. Exhibit operational efficiency for the all stakeholders utilizing the facilities including passengers, airlines, concessionaires, federal agencies, maintenance staff, and airport employees;

   d. Include Passenger Flow diagrams that indicate clearly defined passenger’s journeys through the terminal in a straightforward intuitive manner;

   e. Exhibit Aircraft gate and terminal interfaces that allow for the accommodation of the maximum number of aircraft;

   f. Clearly identify service roads and baggage tug access;

   g. Provide a level of flexibility to allow modifications to be implemented over time;

   h. Illustrate how the improvements will be integrated with existing Terminal 1 concourse and ticketing building in addition to the Rotunda structure;

   i. Provide for Retail Plan Integration that maximizes revenue potential and passenger convenience; and

   j. Demonstrate innovative cost effective sustainable development. The City and CDA have defined an aspiration that the initiatives equivalent to LEED Gold be considered during design and construction, as well as including the consideration of all cost effective sustainable measures, in terms of total cost of ownership.

2. Evaluation Panel Interview Discussion and responses to questions

3. Evaluation of Project Team Members capabilities and qualifications

4. Public Input

   The general public will be invited and encouraged to provide input on the various solutions provided.
III. TRANSPARENCY WEBSITE; TRADE SECRETS

Consistent with the City’s practice of making available all information submitted in response to a public procurement, including all information and documentation contained therein, any additional information or documentation submitted to the City as part of this solicitation, and any information or documentation presented to City as part of negotiation of a contract or other agreement may be made publicly available through the City’s Internet website. However, Respondents may designate those portions of the Response which contain trade secrets or other proprietary data (“Data”) which Respondent desires remain confidential.

To designate portions of the Response as confidential, Respondent must:

A. Mark the cover page as follows: “This Response includes trade secrets or other proprietary data.”

B. Mark each sheet or Data to be restricted with the following legend:

"Confidential: Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this RFP."

C. Provide a CD-ROM with a redacted copy of the entire RFP or submission in .pdf format for posting on the City’s website. Respondent is responsible for properly and adequately redacting any data which respondent desires remain confidential. If entire pages or sections are removed, they must be represented by a page indicating that the page or section has been redacted. Failure to provide a CD-ROM with a redacted copy may result in the posting of an un-redacted copy.

D. Provide a written explanation of the basis under which each redacted item has been deemed confidential, making reference to the Illinois Freedom of Information Act (5 ILCS 140/1 et seq.).

E. All information submitted to the City in response to this RFP are subject to the Illinois Freedom of Information Act. The City will make the final determination as to whether the information will be disclosed pursuant to a request under the Freedom of Information Act or valid subpoena. Respondent agrees not to pursue any cause of action against the City with regard to disclosure of this information.

F. Consistent with the City’s practice of making available all information submitted in response to a public procurement all Proposals, any information and documentation contained therein, any additional information or documentation submitted to the City as part of this RFP, and any information or documentation presented to City as part of the negotiation of an Agreement will be made publicly available through a website hosted by the City. Data will only remain confidential if Respondent has marked the documents containing such data in the manner required by this Section III.

Indiscriminate labeling of material as "Confidential" may be grounds for deeming a Proposal as non-responsive.
IV. ADDITIONAL DETAILS OF THE RFP PROCESS

A. Addenda

If it becomes necessary to revise or expand upon any part of this RFP, an addendum will be sent to all of the prospective Respondents listed on the "Specification Take-Out-Sheet" prior to the due date. Prospective Respondents are automatically included on the Specification Take-Out Sheet when they sign for a copy of the RFP package in the Bid and Bond Room, request that the Bid and Bond Room personnel mail them a copy, or download the RFP document per the instructions and requirements in Section I.F.3 above. Each addendum is incorporated as part of the RFP documents, and receipt must be acknowledged by the prospective Respondents in the Cover Letter of their submittals or as otherwise directed herein.

The addendum may include, but will not be limited to, the following:

- A change of the Response due date;
- Clarifications to Respondents questions; and
- Terms and conditions the City anticipates will be included in the final signed contract.

B. City's Rights to Reject Submittals

The City is under no obligation to award an Agreement pursuant to this RFP and, acting through the CPO, reserves the right to reject any and all Proposals. The City reserves the right to use any other procurement method available under applicable law to obtain the Services described herein.

C. No Liability for Costs

The City is not responsible for any costs or damages incurred by Respondents, its team member(s), subcontractors or other interested parties in connection with the RFP process, including but not limited to costs associated with preparing the Proposal, and/or participation in any conferences, oral presentations or negotiations other than defined in the paragraph below.

CDA will retain ownership of all Proposals for their use. The Proposal to be produced by Architect and its Subconsultants, if any, at the City's instance and expense under this RFP, and in exchange for Architect's receipt of the $50,000 stipend, are conclusively considered "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 et seq., and the City will be the sole copyright owner of the Proposal and of aspects, elements and components contained in the Proposal in which copyright can subsist, and which are owned and transferable by, and of all rights to apply for copyright registration or prosecute any claim of infringement.

D. Debriefing

If any Respondent requests a debriefing in writing, it may be granted at the discretion of the CPO only after the award of the Contract. No EC member will individually debrief a Respondent at any time.

V. PROGRAM OVERVIEW, CDA VISION and TAP OBJECTIVES

The new TAP ("the Project") will construct new concourse(s), modify some existing concourses, restore and modernize components of the Rotunda and inter-terminal...
connectors, demolish existing Terminal 2 and replace it with a new international terminal facility. The TAP will be planned for wide ranging fleet mix including wide-body and gates for A380 aircraft, depending on the fleet mix, primarily on double-loaded pier concourses. These gates will also be able to accommodate narrow-body aircraft in alternative configurations.

A. The new TAP replaces nearly all of the terminal processing functions of existing Terminal 2, while expanding capacity and providing the desired passenger amenities and experience found in a world class international terminal. This work includes associated landside and apron work and utilities; and connections to other airport facilities, such as Terminals 1 and 3.

B. The Project must be designed with constructability and passenger experience at its core. The Project must be designed and constructed in multiple phases to allow continuation of passenger services in the existing terminals. It is anticipated that the Satellite Terminals will proceed the demolition of Terminal 2, while the existing Terminal 2 is decommissioned and demolished in phases, it is anticipated that certain portions of existing Terminal 2 may remain in operation at all times. Construction phasing will be crucial and will need to be refined in the early stages of the project. The City would like to evaluate an option to accelerate construction by advancing construction of the new gates and constructing the new terminal in phases.

C. Each phase of TAP construction will require temporary interfaces to allow construction of the new facilities while protecting the passenger experience. Design Consultant will need to address the interfaces in each phased construction package to maintain passenger, landside, airside, airport wide work, utilities infrastructure, and access to all terminals. In addition, logistics management must be ensured within the TAP implementation and back-of-house corridors and building access during each phase of construction.

The TAP information provided to Design Consultant will include:

1. Airfield dimensions and confirmation of FAA standards;
2. Dimensional tie to existing airfield controls;
3. Environmental overview for conformance to existing approved plans or programs;
4. Coordination of on-going plans or programs adjacent to TAP;
5. Budget;
6. Conceptual program schedule;
7. Initial phasing plans;
8. Design level of activity for key components; and
9. Program Definition Documents (PDD’s).

D. Figure 1 depicts the breakdown of the anticipated distribution of work for the Lead Architectural Design Services Contracts (2) and the Lead Engineering and Tunnel Design Contract (1). One Lead Architectural contract will be will be awarded for the O’Hare Global Terminal OGT and O’Hare Global Concourse illustrated in Red, and one contract for Concourses S1 & S2 illustrated in light blue. The Lead Engineering and Tunnel Design scope of work is depicted in the light green color.
These projects components will also will be divided between multiple CMR firms. The design consultants must anticipate working with multiple CMR contacts. Any reference to the term CMR in this RFP should be interpreted as multiple CMR’s.

E. The Project includes international passenger services and support facilities including: ticketing check-in, holdrooms (departure lounges), baggage handling and claim areas, passenger and baggage screening, passenger amenities, customer service areas, and non-airline facility support space. Supplementary information will be provided which details the functional space requirements and required passenger flows to be utilized as a guide for the development of the design solutions. The following diagrams – Figures 2 and 3 – illustrate the conceptual breakdown of scope between the Lead Architectural Contracts (2) and Lead Engineering and Tunnel Design Contract (1) scope of services. The division between the Lead Engineering and Tunnel Design scope and the Architectural Scope below grade will generally be the intersection of the Station Box for the APM and the APM tunnel section. The tunnel section will be the responsibility of the Lead Engineering and Tunnel Design Consultant, and the Station Box will be the responsibility of the Lead Architectural Scopes.

It is anticipated that the Lead Architectural Contracts for the OGT will provide interior finish throughout the passenger walkway tunnels between the OGT and the S-1, S-2 concourse components while the Lead Engineering & Tunnel Design Consultant will be responsible for ventilation, life fire safety and other systems, including exiting requirements from the tunnel structures. A detailed list of scope terms will be provided after the Program Definition Documents are complete and prior to contract negotiation.
Figure 2
Figure 3
VI. PROGRAMMATIC REQUIREMENTS AND PLANNING CRITERIA

The minimum programmatic requirements and planning criteria that will be utilized as a basis for the Respondent’s proposal are contained in the TAP Design Competition Brief which is an attachment to this RFP.

VII. DESIGN ASPIRATIONS

A. CDA Vision

1. CDA has established a vision for the development of the OGT and is contained in the supplementary information and at a minimum the TAP design will provide to the following overarching themes:
   a. Reflect Chicago’s world-renowned architectural heritage;
   b. Respect and enhance the architectural heritage of the existing Terminals at the airport;
   c. Create a sense of place reflective of Chicago and its geographic and cultural environment;
   d. Embrace the concept of Universal Design to provide a convenient, functional, and intuitive design for an enhanced passenger experience;
   e. Flexible design to allow for innovation and changes to technology, operations, and security;
   f. Technology for automated processing and customer convenience;
   g. Contemporary and timeless design with use of natural light for an open, expansive feel;
   h. Designed within the program budget;
   i. Maintainable facilities and systems that consider whole-life cycle costing; and
   j. Provide Sustainable and energy efficient design solutions.

B. TAP Objectives

1. The TAP design shall address the following key planning objectives:
   a. Provide additional international gate capacity with convenient connections to the domestic terminals;
   b. Provide a high level of customer service;
   c. Meet airline requirements for contact gates and passenger processing facilities;
   d. Replace aging infrastructure, ensuring a focus on the maintainability and total cost of ownership of new assets;
   e. Develop a terminal facility that utilizes space efficiently;
   f. Develop a terminal facility that maximizes concession revenue opportunities;
   g. Increase opportunities for non-airline revenue sources;
   h. Maximize airside envelope to establish flexible and high gate utilization; and
i. Maintain existing operations and number of gates during construction phasing.

2. The new TAP replaces nearly all of the terminal processing functions of existing Terminal 2, while expanding capacity and providing the desired passenger amenities and experience found in a world class international terminal. This work includes associated landside and apron work and utilities; and connections to other airport facilities, such as Terminals 1 and 3. In addition, plans for connection between TAP and the existing hotel. The following elements must be taken into consideration and addressed in the design:

   a. The Architectural Design Consultants, the Lead Tunnel and Civil Engineer (separate procurement contract) and Construction Manager at Risk (CMR’s) shall jointly develop Enabling Packages to be issued as early procurement (work) packages for Component Guaranteed Maximum Price (CGMP) proposals, such as establishing a non-Airport Operations Area (AOA) work areas, site surveys, removal or relocation of existing utilities, hydrant fuel main extension to the existing fuel main, and other enabling projects identified during design services;

   b. Tunnel sections to be located in areas not occupied by current terminals/concourses;

   c. New satellite concourses;

   d. Demolish T2 terminal and concourses (separately); and

   e. Modifications to Inter-Terminal connectors.

VIII. REQUIRED INFORMATION
Each Response must contain all of the following information and must conform to the following requirements:

A. Format

   1. Volume I

      a. Under separate cover hard copies of the Proposals responding to this RFP should be prepared on 11”x17” paper (preferably recycled), printed double-sided and bound. The City encourages using reusable, recycled, recyclable and chlorine-free printed materials for all documents prepared in connection with this RFP.

      b. There is no page limitation for the submittal and the Respondents are free to prepare the amount of information they believe will sufficiently convey their design intent and communicate their understanding and solution to the airport’s needs. The responses should be developed using a font no smaller than 12 point for narrative sections and not smaller than 8 point for graphics and other exhibits.

      c. The electronic version of the response must, to the extent practicable, mimic the structure required for the hard copies (original and copies).

      d. All renderings included in the submittal shall be provided in individual electronic format with a minimum resolution of 2560 x 1920.

B. Proposal Content
This section outlines the various design deliverables which will be required of design teams and should be incorporated into the response submitted by the architect. Attachment 1 provides a detailed description of the submission requirements but in general the submittal should include the following:

1. Executive Summary that explains Respondent’s design vision and key features for the Development of the O'Hare Global Terminal and O'Hare Global Concourse and its ability to achieve the CDA’s design aspirations;
2. Explain through narratives, diagrams, sketches and renderings the design proposal for the OGT & OGC and its relevance in the overall TAP program;
3. Explain through illustrations the design process, and the reason for choosing proposed OGT Configuration;
4. Strategy for Aircraft MARS Stand and Apron Layout;
5. Strategy for integration and interface of new facilities with existing structures while maintaining and enhancing the architectural legacy of those structures;
6. Explain functionality of Landside design through narratives, diagrams and renderings;
7. Architectural concept and design features;
8. Functional flows for Passengers, Baggage, Goods Movement;
9. Baggage systems;
10. Retail layout;
11. Forecourt design;
12. Walking distances;
13. Constructability of design and Construction Approach – Speed, Quality, Innovation & Modularity;
14. Demonstrate the incorporation of Universal Design Principles;
15. Compliance with Facility Space Program defined in Program Definition Document;
16. Narratives on design data with regards to addressing site challenges, sustainability studies, future proofing and flexibility of proposed design and construction; and
17. Relevant research and studies on trends in the aviation industry to highlight design ideas or suggestions.

C. **Drawings**

Design drawings for the proposal shall include but not limited to following:

1. OGT & OGC Plans with Terminals, associated airside and landside Facilities;
2. Land Use Plan;
3. Site Plans, Site Sections and Elevations;
4. Drawings indicating various flows including interconnections to other terminals;
5. All Floor plans and diagrammatic cross sections;
6. Drawings indicating aircraft, passenger, baggage, staff, goods delivery and distribution and refuse flows;
Lead Architectural Design Services – Terminal Area Plan – for the O’Hare 21 Program
Chicago Department of Aviation (Specification No. 428915)

7. Terminal Apron layout;
8. Enlarged drawings of key design features (appropriate scale);
9. Retail Layout;
10. Airside Layout illustrating MARS gate Layouts appropriate scale;
11. Departure and Arrival forecourt layouts (appropriate scale);
12. Typical Gate Lounge;
13. Passenger Boarding Bridge interfaces and circulation at gate locations; and

Note: The drawings shall provide a level of detail reflecting the underlying purpose and intent of the Architect. Submission of additional drawings which in the opinion of architect are helpful in expressing the design proposal's intent and characteristics are left to the discretion of the Architect.

The unit of measurement for all design deliverables should be indicated in Imperial Units (feet & inches).

D. Renderings

1. Views of OGT from Main Approach road, and other significant areas;
2. Exterior views of Terminal (from landside and airside);
3. Views of key interior spaces within Terminal & Concourse;
4. Check In Hall;
5. Baggage Reclaim & Arrivals Hall;
6. Departure Lounge (Retail);
7. Typical Pier/Gate Lounge;
8. Interior views;
9. Exterior views; and
10. Illustrate the interfaces between the OGT and OGC with Terminal 1 & the Rotunda Structure.

Note: Views listed above shall be from human eye level. Additional views shall be provided, which offer alternate viewpoints including: 1) Aerial view of Terminal with existing buildings added for context. (Terminal 1, Concourse B, Terminal 3, Controls Towers, and Parking Garage); and 2) Other Aerial views of OGT & OGC as necessary.

E. Video Walkthrough

Architects shall prepare a walkthrough (minimum 1 minute) to illustrate design intent of the OGT and the OGC. The video walkthrough shall be due at the time of the interview process. Proposer shall provide a minimum of 10 copies of the video on USB drives.

Note: Any other interactive visual aids such as VRMLs are left to the discretion of the Architect.

F. Physical Model
Physical models will be required and will need to be presented at the time of interview. The models shall show full form and arrangement of OGT and OGC including Terminals, landside and airside facilities as per scope — scale shall be 1” = 40’ details on site area to be provided at Pre-Submittal Conference.

The RFP specifies that models/samples shall be submitted as evidence of the type and quality of items or illustration of design offered in the Proposal. Such models/samples shall be delivered & assembled (if required) at the site and by the time as stated in the timeline. The Proposal should be marked clearly with the Proposal number, item number and the name of the Respondent. Where models/samples are required, failure to provide the required models/samples at the stipulated time may render the Proposal liable to be considered non-responsive.

The Respondent shall note that all models/samples submitted will not be returned.

In event the models/samples are to be moved to another location as required by CDA during the course of Proposal Evaluation, the Respondent shall move and transport the models/samples including dissembling and re-assembling at no additional cost to CDA.

All costs, including but not limited to all shipping and transportation duties incurred in providing and delivering such models/samples to CDA, shall be borne by the Proposer.

G. Cost Estimates

The cost estimate should be broken down in sufficient detail for the Evaluation Committee to review for consistency with the project budget. Further definition of cost components will be provided in the program definition document. The cost estimates shall be included in Volume 1 and are due at the time of the submittal.

The OGT and OGC has a programmatic requirement for approximately 1.875 million square feet of terminal area and an established construction budget of $1.3B dollars. Submissions will be evaluated by the Program Management Office for constructability and cost. Submissions deemed to be unable to be constructed for established project budget will be considered non-responsive. A description of what is included as well as exceptions is included in the Programmatic Requirements section in Attachment 1 of the Design Competition Brief.

The design-to budgets in 2018 dollars include the actual trade costs to construct the finished building ready for occupancy including:

1. Demolition of existing structures not including apron areas;
2. Public Area Fixtures, Furniture and Equipment (FFE);
3. Fit out for Customs and Border Protection Facilities;
4. Passenger Boarding Bridges gate systems (400 HZ, potable water, pre-conditioned air, aircraft docking systems);
5. Apron lighting attached to building;
6. Moving walkways and vertical circulation;
7. Phasing costs and temporary improvements;
8. Enabling and ancillary tasks associated with the footprint of the project required to complete the overall construction and provide a functional facility; and
9. APM station and Platform Costs.

**Design to Budget does not include the following items which are budgeted separately:**

1. Tenant fit out for Airlines, Concessions, other stakeholders;
2. Aircraft Parking Apron Areas;
3. Aircraft fueling;
4. Baggage Systems;
5. Tunnel Structures not directly under Terminals;
6. APM systems costs;
7. Construction Manager at Risk – General Conditions;
8. Construction Manager at Risk – Fee;
9. Construction Manager at Risk – Contingency;
10. Design Contingency (separately controlled by owner);
11. Site utilities outside of building to support new terminal;
12. Design Fees;
13. Program Management Costs; and
14. Any other soft costs.
Exhibit 1
Proposed Scope of Services
See Previously Issued RFQ
Exhibit 2
Sample Schedule of Compensation

Consultant will be compensated for its Services based on actual costs plus a percentage fee (i.e., profit) to be negotiated. Allowability and allocability of costs will be determined in accordance with the terms and conditions of the Agreement. As further described below, compensation will consist of: 1) the actual cost of labor (not to exceed the maximum rates per position as set forth in Exhibit 2A); 2) overhead and burden (including but not limited to payroll related taxes, insurance and fringe benefits); 3) the percentage fee; 4) certain direct costs; and 5) Subcontractor costs.

The multiplier set forth on Exhibit 2A is inclusive of overhead, burden and the percentage fee, and shall not exceed 2.75. Actual labor costs are multiplied by the multiplier to arrive at the billable amount for Consultant's Services performed by Consultant's own forces. Direct costs and Subcontractor labor and material costs incurred by the Consultant are reimbursable without markup of any kind by Consultant, including but not limited to Consultant's administrative costs or profit.

A. Labor Costs. Labor costs will consist of the actual costs of all allowable and allocable salaries and wages (exclusive of overtime premiums and payroll related taxes, insurance and fringe benefits) paid to Consultant’s employees for the time spent in the performance of Services under this Agreement (collectively, "Labor Costs"). Maximum Hourly Labor Rates for Consultant by position classification are set forth in Exhibit 2A. Consultant must request, in writing, that position classifications and maximum wage rates be adjusted. Any adjustments are made at the City’s discretion, on an annual basis, but any such adjustment in rates shall not increase labor rates by more than 4% each year or the CPI for Kenosha-Gary-Chicago area, whichever is lower. Labor costs associated with Consultant’s principals for administrative tasks are not billable. Principals may bill for their hours for non-administrative tasks directly applicable to the Services only by request and with prior approval of the City.

B. Multiplier. The multipliers set forth on Exhibit 2A is inclusive of Overhead, Burden and the Percentage Fee. "Overhead" includes the non-payroll indirect costs of the home and branch offices of Consultant which are allowable and allocable to the Services, and "Burden" includes payroll-related costs (e.g., payroll related taxes, insurance, and fringe benefits). The Overhead and Burden rates applicable to Consultant employees who perform Services in relation to this Agreement shall be the Consultant’s audited rates approved by Illinois Department of Transportation ("IDOT"), the United States Department of Transportation ("USDOT") or another governmental authority recognized by the City. The Consultant must provide evidence of approval of the Overhead and Burden rate by IDOT, USDOT or another cognizant authority on a yearly basis. However, the combined Overhead and Burden rate included in the multiplier shall not exceed a maximum of 150% of labor costs.

C. Limitation on Overhead and Burden. In the event the Consultant does not have approved rates, the combined rates for Overhead and Burden will not exceed 150% for office work, 125% for field offices, and 100% for field inspectors without an office. Further, the Consultant shall have one year, in which to obtain Overhead and Burden rates approved by IDOT. Failure to do so may lead to an event of default. Consultant’s rates may not exceed the lowest of: (a) the current rate determined by IDOT; (b) the rate determined at a later date by IDOT; or (c) the rate determined at a later date by an audit acceptable to the City. The City has the right to recapture (via offset or refund) the difference between the amount it has actually paid to
D. **Direct Costs.** Direct costs will consist of those costs described below which are incurred in the performance of Services under this Agreement, which are allowable and allocable to the Project; are not included in Overhead or Burden; and are routinely and uniformly charged to specific projects under Consultant’s accounting system (collectively, “Direct Costs”).

Any expenditure in excess of $5,000 which qualifies as a Direct Cost will require prior approval of the Executive Director. Consultant may not break down an expenditure which would otherwise be greater than $5,000 in order to avoid this approval requirement. All Direct Costs must not exceed IDOT’s current allowable rates, as published in the IDOT Professional Transportation Bulletin. Direct Costs will include the following:

1. **Drawings, Printing and Reproduction Costs.** The costs of all printing, binding and reproduction related only to the production of the milestone submittals to the City.

2. **Long Distance Telephone/Telegraph and Shipping Costs.** Long distance telephone calls, postage, messenger and overnight delivery costs. Cell phone and radio communication services are allowed for Construction Engineering field services only.

3. **Travel and Related Expenses.** Out of town travel is not anticipated under this Agreement. However, should out of town travel become necessary in the performance of the Services, Consultant must obtain prior written approval from the City for expenses related to travel into or out of the City. All such expenses must conform with the City’s travel reimbursement guidelines, a copy of which is attached to the Agreement. Expenses incurred for travel in Chicago will be subject to Group I Limitations as set forth in the City’s guidelines. The City will pay current auto mileage to Consultant and/or Subcontractors for travel associated within project site visits as required by the Commissioner. The auto mileage rate within current City policy is set forth in the travel guidelines and may be amended from time to time by the City Office of Budget & Management.

4. **Equipment, Tools and Vehicles.** Cost of any equipment, tools, furniture, computer equipment, or vehicles hired/leased or purchased for Consultant’s performance of the Services, provided that any such item purchased will become the property of the City and further provided that Consultant must obtain prior written approval of the City for the purchase, hire or lease of such equipment, tools, furniture, computer equipment or vehicles to the extent any one such item will cost in excess of $200.

5. **Permits and Fees.** Costs to Consultant for permits and fees, if any, required to carry out the Services, except for normal business and professional fees (which Consultant may include in its Overhead cost pool).

6. **Premium on Overtime.** To the extent that Consultant pays its employees a premium in excess of its hourly rates for overtime spent on the Project and such premium is not included in the calculation of Burden rates, the cost of the premium will be treated as a Direct Cost which will not be included in Labor Cost and which will not be subject to application of the multiplier. Any such overtime must be in accordance with Consultant’s policies which are subject to prior approval by the City.

7. **Miscellaneous.** Any other costs or expenses incurred by Consultant as reasonable and necessary for the proper performance of the Services and allowable and directly allocable to specific projects under Consultant’s accounting system.
to the project. Any such expenditure in excess of $1,000 will require prior approval of the Commissioner.

E. **Subcontractors.** The City will reimburse Consultant for the costs of Subcontractors as those costs are incurred under or in connection with Subcontracts awarded by Consultant in accordance with the terms and conditions of this Agreement, subject to the City's prior written approval. In no event is Consultant entitled to any mark-up of Subcontractor labor or material costs. The costs of Subcontractors which are reimbursable to Consultant will include the Subcontractors' Labor Costs, Overhead, Burden, profit and Direct Costs. Subcontractor compensation is subject to the same terms and limitations established for Consultant's compensation in this Exhibit 2, including but not limited to audits, maximum multiplier rates and the prohibition on mark-up on Direct Costs.

F. **Percentage Fee.** A 10% (ten percent) fee is included in the multiplier as profit to be earned in Consultant's performance of Services under this Agreement.

G. **“Lump Sum” Agreement.** CDA at its sole discretion may elect to transition to and negotiate a Lump Sum Agreement for completion of the design documents between 30% and 100%. In addition, Construction Administration services may be negotiated as a lump sum agreement.

H. **Maximum Compensation.** The maximum aggregate compensation for the Services performed under this Agreement shall not exceed $ without a formal amendment of this Agreement in accordance with Section 3.1.4.9., of this Agreement.

I. **Method of Payment.** Contractor shall submit invoices and be paid pursuant to Article 3 of the Agreement for satisfactory completion of Services. Satisfactory completion of the Services means Consultant has provided Deliverables acceptable to the City and achieved contractual milestones timely. It will not be construed solely in terms of expenditure of Consultant's time.

J. **Audits.** In accordance with the audit provisions of this Agreement, the City reserves the right to audit Consultant's overhead and burden rate(s) and/or any of the components of the compensation. The Consultant must have an annual audit performed by a Certified Public Accountant in accordance with the Federal Acquisition Regulations, 48 CFR 1, Part 31 (FAR).

ARTICLE 1. SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT FOR COMMODITIES OR SERVICES

1.1. Policy and Terms
It is the policy of the City of Chicago that Local Businesses certified as Minority Owned Business Enterprises (MBE) and Women Owned Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses

and all other Regulations promulgated under the aforementioned sections of the Municipal Code, as well as MBEs and WBEs certified by Cook County, Illinois, will have full and fair opportunities to participate fully in the performance of this contract. Therefore, the Contractor will not discriminate against any person or business on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status or source of income and will take affirmative action to ensure that women and minority businesses will have the maximum opportunity to compete for and perform subcontracts for supplies or services.

Pursuant to Section 2-92-430 of the Municipal Code of Chicago, the Chief Procurement Officer has established

a goal of awarding not less than 25% of the annual dollar value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-construction contracts to certified WBEs.

Accordingly, the Contractor commits to make Good Faith Efforts to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

<table>
<thead>
<tr>
<th>MBE Percentage</th>
<th>WBE Percentage</th>

</thead>
<tbody>
<tr>
<td>25%</td>
<td>5%</td>
</tr>
</tbody>
</table>

(See Form "Bidders Commitment to Utilize MBE and WBE Firms on No Stated Goals Contract" for Contract Specific Goals in the case of a contract subject to a bid preference pursuant to MCC 2-92-525.)

This commitment is met by the Contractor's status as a MBE or WBE, or by a joint venture with one or more MBEs or WBEs as prime contractor (to the extent of the MBE or WBE participation in such joint venture), or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both MBE and WBE may only be listed on a bidder’s compliance plan as either a MBE or a WBE, but not both to demonstrate compliance with the Contract Specific Goals.

The Contractor also may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector contracts.

M/WBE Special Conditions for Commodities & Services 4.19.2017

Exhibit 3: Special Conditions Regarding MBE/WBE Participation
Pursuant to MCC 2-92-525, the prime contractor may apply be awarded an additional 0.5 percent credit, up to a maximum of a total of 5 percent additional credits, for every 1 percent of the value of a contract self-performed by MBEs or WBEs, or combination thereof, that have entered into a mentoring agreement with the contractor or subcontractor-to-subcontractor mentoring agreement. This may be 5% be applied to the Contract Specific Goals, or it may be in addition to the Contract Specific Goals.

1.2. Definitions

"Area of Specialty" means the description of an MBE or WBE firm's business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm's Area of Specialty. This information is also contained in the Directory (defined below). Credit toward this Contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

NOTICE: The City of Chicago does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.

"Bid" means a bid, proposal, or submittal detailing a description of the services or work to be provided by the contractor in response to a bid solicitation, request for proposal, request for qualification of task order request (issued in accordance with the Master Consulting Agreement) that is issued by the City.

"Bidder" means any person or business entity that submits a bid, proposal, qualification or submittal that seeks to enter into a contract with the City, and includes all partners, affiliates and joint ventures of such person or entity.

"Broker" means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory and provides no commercially useful function other than acting as a conduit between his or her supplier and his or her customer.

"Chief Procurement Officer" or "CPO" means the chief procurement officer of the City of Chicago or his or her designee.

"Commercially Useful Function" means responsibility for the execution of a distinct element of the work of the contract, which is carried out by actually performing, managing, and supervising the work involved, evidencing the responsibilities and risks of a business owner such as negotiating the terms of (sub)contracts, taking on a financial risk commensurate with the contract or its subcontract, responsibility for acquiring the appropriate lines of credit and/or loans, or fulfilling responsibilities as a joint venture partner as described in the joint venture agreement.

"Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract. In the case of a contract subject to the bid incentive set forth in MCC 2-92-525, "Contract Specific Goals" means the utilization percentage for MBEs or WBEs to which contractor committed with its bid.

"Contractor" means any person or business entity that has entered into a contract with the City as described herein, and includes all partners, affiliates, and joint ventures of such person or entity.

"Direct Participation" the value of payments made to MBE or WBE firms for work that is performed in their Area of Specialty directly related to the performance of the subject matter of the Contract which will count as Direct Participation toward the Contract Specific Goals.

"Directory" means the Directory of Certified "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the City of Chicago. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE, and WBE firms.
"Good Faith Efforts" means actions undertaken by a bidder or contractor to achieve a Contract Specific Goal that the CPO or his or her designee has determined, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program's requirements.

"Indirect Participation" refers to the value of payments made to MBE or WBE firms for work that is done in their Area of Specialty related to other aspects of the Contractor's business. (Note: no dollar of such Indirect MBE or WBE participation shall be considered in a Good Faith Efforts determination more than once against a contractor's MBE or WBE commitment with respect to all government contracts held by that contractor.)

"Joint venture" means an association of a MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each joint venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

"Mentor-Protégé Agreement" means an agreement between a prime and MBE or WBE subcontractor ("Mentoring Agreement"), or an agreement between a prime’s subcontractor and MBE or WBE subcontractor ("Subcontractor-to-Subcontractor Mentoring Agreement"), pursuant to MCC 2-92-535, that is approved by the City of Chicago and complies with all requirements of MCC 2-92-535 and any rules and regulations promulgated by the Chief Procurement Officer.

"Minority Owned Business Enterprise" or "MBE" means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a minority owned and controlled business by Cook County, Illinois. However, it does not mean a firm that has been found ineligible or which has been decertified by the City or Cook County.

"Supplier" or "Distributor" refers to a company that owns, operates, or maintains a store, warehouse or other establishment in which materials, supplies, articles or equipment are bought, kept in stock and regularly sold or leased to the public in the usual course of business. A regular distributor or supplier is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of a contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular distributor the firm must engage in, as its principal business and in its own name, the purchase and sale of the products in question. A regular distributor in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock if it owns or operates distribution equipment.

"Women Owned Business Enterprise" or "WBE" means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a women owned business by Cook County, Illinois. However, it does not mean a firm that has been found ineligible or which has been decertified by the City or Cook County.

1.3 Joint Ventures
The formation of joint ventures to provide MBEs and WBEs with capacity and experience at the prime contracting level, and thereby meet Contract Specific Goals (in whole or in part) is encouraged. A joint venture may consist of any combination of MBEs, WBEs, and non-certified firms as long as one member is an MBE or WBE.

a. The joint venture may be eligible for credit towards the Contract Specific Goals only if:
   i. The MBE or WBE joint venture partner's share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;
   ii. The MBE or WBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it is at risk;
   iii. Each joint venture partner executes the bid to the City; and
iv. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in Items i, ii, and iii above in this Paragraph a.

b. The Chief Procurement Officer shall evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on other City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the Contract Specific Goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive MBE or WBE credit for work performed by the MBE or WBE joint venture partner(s) equal to the value of work performed by the MBE or WBE with its own forces for a distinct, clearly defined portion of the work.

Additionally, if employees of the joint venture entity itself (as opposed to employees of the MBE or WBE partner) perform the work, then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in Schedule B.

The Chief Procurement Officer may also count the dollar value of work subcontracted to other MBEs and WBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the Contract Specific Goals.

c. Schedule B: MBE/WBE Affidavit of Joint Venture

Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its bid a Schedule B and the proposed joint venture agreement. These documents must both clearly evidence that the MBE or WBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the MBEs or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

i. The parties' contributions of capital, personnel, and equipment and share of the costs of insurance and bonding;

ii. Work items to be performed by the MBE's or WBE's own forces and/or work to be performed by employees of the newly formed joint venture entity;

iii. Work items to be performed under the supervision of the MBE or WBE joint venture partner; and

iv. The MBE's or WBE's commitment of management, supervisory, and operative personnel to the performance of the contract.

NOTE: Vague, general descriptions of the responsibilities of the MBE or WBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as "participate in the budgeting process," "assist with hiring," or "work with managers to improve customer service" do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites in the City, stating that the MBE or WBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

1.4. Counting MBE/WBE Participation Toward the Contract Specific Goals

MBE/WBE Special Conditions for Commodities & Services 04.19.2017

C-4 | P a g e

Exhibit 3: Special Conditions Regarding MBE/WBE Participation
Refer to this section when preparing the MBE/WBE compliance plan and completing Schedule D-1 for guidance on what value of the participation by MBEs and WBEs will be counted toward the stated Contract Specific Goals. The "Percent Amount of Participation" depends on whether and with whom a MBE or WBE subcontracts out any portion of its work and other factors.

Firms that are certified as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE to demonstrate compliance with the Contract Specific Goals. For example, a firm that is certified as both a MBE and a WBE may only be listed on the bidder's compliance plan under one of the categories, but not both. Except as provided in MCC 2-92-525(b)(2), only Payments made to MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements above will be counted toward the Contract Specific Goals.

a. Only expenditures to firms that perform a Commercially Useful Function as defined above may count toward the Contract Specific Goals:

i. The CPO will determine whether a firm is performing a commercially useful function by evaluating the amount of work subcontracted, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the credit claimed for its performance of the work, Industry practices, and other relevant factors.

ii. A MBE or WBE does not perform a commercially useful function if its participation is only required to receive payments in order to obtain the appearance of MBE or WBE participation. The CPO may examine similar commercial transactions, particularly those in which MBEs or WBEs do not participate, to determine whether non MBE and non WBE firms perform the same function in the marketplace to make a determination.

iii. Indications that a subcontractor is not performing a commercially useful function include, but are not limited to, labor shifting and equipment sharing or leasing arrangements with the prime contractor or a first tier subcontractor.

b. Only the value of the dollars paid to the MBE or WBE firm for work that it performs in its Area of Specialty in which it is certified counts toward the Contract Specific Goals, except as provided in MCC 2-92-525(b)(2).

c. For maintenance, installation, repairs or inspection, or professional services, if the MBE or WBE performs the work itself: 100% of the value of work actually performed by the MBE's or WBE's own forces shall be counted toward the Contract Specific Goals, including the cost of supplies and materials purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub)contract with its own forces (except supplies and equipment the MBE or WBE subcontractor purchases or leases from the prime contractor or its affiliate). 0% of the value of work at the project site that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals.

d. If the MBE or WBE is a manufacturer: 100% of expenditures to a MBE or WBE manufacturer for items needed for the Contract shall be counted toward the Contract Specific Goals. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the bidder or contractor.

e. If the MBE or WBE is a distributor or supplier: 60% of expenditures for materials and supplies purchased from a MBE or WBE that is certified as a regular dealer or supplier shall be counted toward the Contract Specific Goals.

f. If the MBE or WBE is a broker:

i. Zero percent (0%) of expenditures paid to brokers will be counted toward the Contract Specific Goals.

ii. As defined above, Brokers provide no commercially useful function.
g. If the MBE or WBE is a member of the joint venture contractor/bidder:
   i. A joint venture may count the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the MBE or WBE performs with its own forces toward the Contract Specific Goals; or
   ii. If employees of this distinct joint venture entity perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm’s percentage of participation in the joint venture as described in the Schedule B.
   iii. A joint venture may also count the dollar value of work subcontracted to other MBEs and WBEs.

h. If the MBE or WBE subcontracts out any of its work:
   i. 100% of the value of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.
   ii. 0% of the value of work that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals (except as allowed by (c) above).
   iii. The fees or commissions charged for providing a bona fide service, such as professional, technical, consulting or managerial services or for providing bonds or insurance and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.
   iv. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.
   v. The fees or commissions charged for providing any bonds or insurance, but not the cost of the premium itself, specifically required for the performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

1.5. Regulations Governing Reduction to or Waiver of MBE/WBE Goals
The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder determines that it is unable to meet the MBE and/or WBE Contract-Specific Goals on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder’s letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

A bidder will be considered responsive to the terms and conditions of these Regulations if, at the time of bid, it submits a waiver request and all supporting documentation that adequately addresses the conditions for waiver of MBE/WBE goals, including proof of notification to assist agencies except:

- Bidders responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than
fourteen (14) calendar days to submit to the Department of Procurement Services complete documentation that adequately addresses the conditions for waiver described herein; and

- Bidders responding to Request for Information and or Qualifications (RFI/RFOs) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit documentation that adequately addresses the conditions for waiver described herein during negotiations.

Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his or her discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder; or re-advertising the bid/proposal. All bidders must submit all required documents at the time of bid opening to expedite the contract award.

1.5.1. Direct Participation

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

a. The bidder has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct work identified or related to the advertised bid/proposal. Documentation must include but is not necessarily limited to:

1. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;

2. A listing of all MBE/WBE firms contacted that includes:
   - Name, address, telephone number and email of MBE/WBE firms solicited;
   - Date and time of contact;
   - Method of contact (written, telephone, transmittal of facsimile documents, email, etc.)

3. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:
   - Project identification and location;
   - Classification/commodity of work items for which quotations were sought;
   - Date, item and location for acceptance of subcontractor bid proposals;
   - Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portions of the work and indicates why negotiations were unsuccessful;
   - Affirmation that Good Faith Efforts have been demonstrated by:
     - choosing subcontracting opportunities likely to achieve MBE/WBE goals; and
   - not imposing any limiting conditions which were not mandatory for all subcontractors; and
Lead Architectural Design Services – Terminal Area Program – for the O'Hare 21 Program  
Chicago Department of Aviation (Specification No. 428915)

- providing notice of subcontracting opportunities to M/WBE firms and assist agencies at least five (5) business days in advance of the initial bid due date; and
- documented efforts or actual commitment to the indirect participation of MBE/WBE firms.

OR

b. Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontractor's quote is excessively costly, the bidder must provide the following information:

1. A detailed statement of the work identified for MBE/WBE participation for which the bidder asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).
   - A listing of all potential subcontractors contacted for a quotation on that work item;
   - Prices quoted for the subcontract in question by all such potential subcontractors for that work item.

2. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
   - The City's estimate for the work under a specific subcontract;
   - The bidder's own estimate for the work under the subcontract;
   - An average of the bona fide prices quoted for the subcontract;
   - Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

1.5.2. Assist Agency Participation in waiver/reduction requests
Every waiver and/or reduction request must include evidence that the bidder has provided timely notice of the need for subcontractors to an appropriate association/assistant agency representative of the MBE/WBE business community. This notice must be given at least five (5) business days in advance of the initial bid due date.

The notice requirement of this Section will be satisfied if a bidder contacts at least one of the associations on Attachment A to these Regulations when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B to these Regulations provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g., certified mail receipt or facsimile transmittal receipt) will be required to be submitted with the bid for any bid/proposal to be deemed responsive. If deemed appropriate, the Contract Compliance Officer may contact the assist agency for verification of notification.

1.5.3. Impracticability
If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.
The requirements set forth in these Regulations (Regulations Governing Reductions to or Waiver of MBE/WBE Goals") shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Chief Procurement Officer, or other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

1.6. Procedure to Determine Bid Compliance

A bid may be rejected as non-responsive if it fails to submit one or more of the following with its bid demonstrating its Good Faith Efforts to meet the Contract Specific Goals by reaching out to MBEs and WBEs to perform work on the contract:

- An MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goals; and/or
- A request for reduction or waiver of the Contract Specific Goals in accordance with Section 2-92-450 of the MCC.

In the case of a bid utilizing the "Bid Incentive to Encourage MBE and WBE Utilization" pursuant to MCC 2-92-525(b)(2), failure to submit an MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goal to which the bidder has committed will not result in rejection of the bid, but the bidder may be found ineligible for the bid incentive.

Except as provided in MCC 2-92-525(b)(2), only compliance plans utilizing MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements will be counted toward the Contract Specific Goals.

The following Schedules and described documents constitute the bidder’s MBE/WBE Proposal, and must be submitted in accordance with the guidelines stated:

(1) **Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Consultant.**

   The bidder must submit the appropriate Schedule C-1 with the bid for each MBE and WBE included on the Schedule D-1. Suppliers must submit the Schedule C-1 for Suppliers, first tier subcontractors must submit a Schedule C-1 for Subcontractors to the Prime Contractor and second or lower tier subcontractors must submit a Schedule C-1 for second tier Subcontractors. The City encourages subcontractors to utilize the electronic fillable format Schedule C-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Each Schedule C-1 must be executed by each MBE and WBE and accurately detail the work to be performed by the MBE or WBE and the agreed upon rates/prices. Each Schedule C must also include a separate sheet as an attachment on which the MBE or WBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the MBE or WBE in its Area of Specialty. If a facsimile copy of the Schedule C-1 has been submitted with the bid, an executed original Schedule C-1 must be submitted by the bidder for each MBE and WBE included on the Schedule D-1 within five business days after the date of the bid opening.

   Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.
(2) **Letters of Certification.**
A copy of each proposed MBE/WBE firm’s current Letter of Certification from the City of Chicago or Cook County Illinois, must be submitted with the bid/proposal. All Letters of Certification issued by the City of Chicago and Cook County include a statement of the MBE/WBE firm’s Area of Specialty. The MBE/WBE firm’s scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty. Letters of Certification for firms that the City or Cook County has found ineligible or has decertified will not be accepted.

(3) **Schedule B: Affidavit of Joint Venture, and Joint Venture Agreements (if applicable).**
If the bidder’s MBE/WBE proposal includes the participation of a MBE/WBE as joint venture on any tier (either as the bidder or as a subcontractor), the bidder must provide a copy of the joint venture agreement and a Schedule B along with all other requirements listed in “Joint Ventures,” above. In order to demonstrate the MBE/WBE partner’s share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel employed by the MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner’s authority to contractually obligate the joint venture and each partner’s authority to expend joint venture funds (e.g., check signing authority).

(4) **Schedule D-1: Required Schedules Regarding MBE/WBE Utilization**
Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm. The City encourages bidders to utilize the electronic fillable format Schedule D-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Except in cases where the bidder has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with “Regulations Governing Reductions to or Waiver of MBE/WBE Goals” herein, the bidder must commit to the expenditure of a specific dollar amount of participation by each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, depends upon requirements agreements and blanket agreements, as percentages of the total estimated usage. All commitments made by the bidder’s Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the opening, the bidder may submit a revised Schedule D-1 (executed and notarized to conform with the Schedules C-1). Bidders shall not be permitted to add MBEs or WBEs after bid opening to meet the Contract Specific Goals, however, contractors are encouraged to add additional MBE/WBE vendors to their approved compliance plan during the performance of the contract when additional opportunities for participation are identified. Except in cases where substantial and documented justification is provided, bidders will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

All commitments for joint venture agreements must be delineated in the Schedule B.

(5) **Application for Approval of Mentor Protégé Agreement**
Any applications for City approval of a Mentor Protégé agreement must be included with the bid. If the application is not approved, the bidder must show that it has made good faith efforts to meet the contract specific goals.

### 1.7. Reporting Requirements During the Term of the Contract

- The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their
Lead Architectural Design Services – Terminal Area Plan – for the O'Hare 21 Program
Chicago Department of Aviation (Specification No. 428915)

approved MBE/WBE Utilization Plan. These written agreements will be made available to the
Chief Procurement Officer upon request.

b. The Contractor will be responsible for reporting payments to all subcontractors on a monthly
basis in the form of an electronic report. Upon the first payment issued by the City of Chicago to
the contractor for services performed, on the first day of each month and every month
thereafter, email and/or fax audit notifications will be sent out to the Contractor with instructions
to report payments that have been made in the prior month to each subcontractor. The
reporting of payments to all subcontractors must be entered into the Certification and
Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or
before the fifteenth (15th) day of each month.

c. Once the prime Contractor has reported payments made to each subcontractor, including zero
dollar amount payments, the subcontractor will receive an email and/or fax notification
requesting them to log into the system and confirm payments received. All monthly
confirmations must be reported on or before the 20th day of each month. Contractor and
subcontractor reporting to the C2 system must be completed by the 25th of each month
or payments may be withheld.

d. All subcontract agreements between the contractor and MBE/WBE firms or any first tier non-
certified firm and lower tier MBE/WBE firms must contain language requiring the MBE/WBE to
respond to all email and/or fax notifications from the City of Chicago requiring them to report
payments received for the prime or the non-certified firm.

Access to the Certification and Compliance Monitoring System (C2), which is a web based
reporting system, can be found at: https://chicago.mwdbce.com

e. The Chief Procurement Officer or any party designated by the Chief Procurement Officer, shall
have access to the contractor’s books and records, including without limitation payroll records,
tax returns and records and books of account, to determine the contractor’s compliance with its
commitment to MBE and WBE participation and the status of any MBE or WBE performing any
portion of the contract. This provision shall be in addition to, and not a substitute for, any other
provision allowing inspection of the contractor’s records by any officer or official of the City for
any purpose.

f. The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs
and WBEs, retaining these records for a period of at least five years after project closeout. Full
access to these records shall be granted to City, federal or state authorities or other authorized
persons.

1.8. Changes to Compliance Plan

1.8.1. Permissible Basis for Change Required

No changes to the Compliance Plan or contractual MBE and WBE commitments or substitution of MBE or
WBE subcontractors may be made without the prior written approval of the Contract Compliance Officer.
Unauthorized changes or substitutions, including performing the work designated for a subcontractor
with the contractor’s own forces, shall be a violation of these Special Conditions and a breach of the
contract with the City, and may cause termination of the executed Contract for breach, and/or subject the
bidder or contractor to contract remedies or other sanctions. The facts supporting the request for
changes must not have been known nor reasonably could have been known by the parties prior to
entering into the subcontract. Bid shopping is prohibited. The bidder or contractor must negotiate with
the subcontractor to resolve the problem. If requested by either party, the Department of Procurement
Services shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope
of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a
reasonable price for the correct scope of work.

Substitutions of a MBE or WBE subcontractor shall be permitted only on the following basis:

MWBE Special Conditions for Commodities & Services 04.19.2017

Exhibit 3: Special Conditions Regarding MBE/WBE Participation
a) Unavailability after receipt of reasonable notice to proceed;
b) Failure of performance;
c) Financial incapacity;
d) Refusal by the subcontractor to honor the bid or proposal price or scope;
e) Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;
f) Failure of the subcontractor to meet insurance, licensing or bonding requirements;
g) The subcontractor’s withdrawal of its bid or proposal or
h) De-certification of the subcontractor as a MBE or WBE (graduation from the MBE/WBE program does not constitute de-certification).
i) Termination of a Mentor Protégé Agreement.

1.8.2. Procedure for Requesting Approval
If it becomes necessary to substitute a MBE or WBE or otherwise change the Compliance Plan, the procedure will be as follows:

a) The bidder or contractor must notify the Contract Compliance Officer and Chief Procurement Officer in writing of the request to substitute a MBE or WBE or otherwise change the Compliance Plan. The request must state specific reasons for the substitution or change. A letter from the MBE or WBE to be substituted or affected by the change stating that it cannot perform on the contract or that it agrees with the change in its scope of work must be submitted with the request.

b) The City will approve or deny a request for substitution or other change within 15 business days of receipt of the written request.

c) Where the bidder or contractor has established the basis for the substitution to the satisfaction of the Chief Procurement Officer, it must make Good Faith Efforts to meet the Contract Specific Goal by substituting a MBE or WBE subcontractor. Documentation of a replacement MBE or WBE, or of Good Faith Efforts, must meet the requirements in section 5. If the MBE or WBE Contract Specific Goal cannot be reached and Good Faith Efforts have been made, as determined by the Chief Procurement Officer, the bidder or contractor may substitute with a non-MBE or non-WBE.

d) If a bidder or contractor plans to hire a subcontractor for any scope of work that was not previously disclosed in the Compliance Plan, the bidder or contractor must obtain the approval of the Chief Procurement Officer to modify the Compliance Plan and must make Good Faith Efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.

e) A new subcontract must be executed and submitted to the Contract Compliance Officer within five business days of the bidder’s or contractor’s receipt of City approval for the substitution or other change.

The City shall not be required to approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary to comply with MBE/WBE contract requirements.

1.9. Non-Compliance and Damages
Without limitation, the following shall constitute a material breach of this contract and entitle the City to declare a default, terminate the contract, and exercise those remedies provided for in the contract, at law or in equity: (1) failure to demonstrate Good Faith Efforts, except in the case of a contract where a bid incentive under MCC 2-92-525 was taken into consideration in the award; and (2) disqualification as a MBE or WBE of

M/WBE Special Conditions for Commodities & Services 04.19.2017
the contractor or any joint venture partner, subcontractor or supplier if its status as an MBE or WBE was a factor in the award of the contract and such status was misrepresented by the contractor.

Payments due to the contractor may be withheld until corrective action is taken.

Pursuant to MCC 2-92-445 or 2-92-740, as applicable, remedies or sanctions may include a penalty in the amount of the discrepancy between the amount of the commitment in the Compliance Plan, as such amount may be amended through change orders or otherwise over the term of the contract, and the amount paid to MBEs or WBEs, and disqualification from contracting or subcontracting on additional City contracts for up to three years. The consequences provided herein shall be in addition to any other criminal or civil liability to which such entities may be subject.

The contractor shall have the right to protest the final determination of non-compliance and the imposition of any penalty by the Chief Procurement Officer pursuant to MCC 2-92-445 or 2-92-740, within 15 business days of the final determination.

In the case of a contract for which a bid incentive under MCC 2-92-525 was taken into consideration in the award, any contractor that has failed to retain the percentage of MBE or WBE subcontractor committed to in order for the bid incentive to be allocated will be fined an amount equal to three times the amount of the bid incentive allocated, unless the contractor can demonstrate that due to circumstances beyond the contractor’s control, the contractor for good cause was unable to retain the percentage of MBE or WBE subcontractors throughout the duration of the contract period.

1.10. Arbitration

a) In the event a contractor has not complied with the contractual MBE/WBE percentages in its Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the contractor damages suffered by such entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an impartial arbitrator other than the City, with reasonable expenses, including attorney’s fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and a MBE/WBE.

b) An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitral process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph, within ten (10) calendar days of the contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7501 [Phone: (312) 586-6560; Fax: (312) 813-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.

c) All arbitration fees are to be paid pro rata by the parties, however, that the arbitrator is authorized to award reasonable expenses, including attorney and arbitrator fees, as damages to a prevailing MBE/WBE.

d) The MBE/WBE must send the City a copy of the Demand for Arbitration within ten (10) calendar days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) calendar days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

M/WBE Special Conditions for Commodities & Services 04.19.2017
1.11. Equal Employment Opportunity
Compliance with MBE and WBE requirements will not diminish or supplant equal employment opportunity and civil rights provisions as required by law.
1.12. Attachments and Schedules
The following attachments and schedules follow, they may also be downloaded from the Internet at:
http://www.cityofchicago.org/forms

- Attachment A: Assist Agencies
- Attachment B: Sample Format for Requesting Assist Agency Comments on Bidder’s Request for Reduction or Waiver of MBE/WBE Goals
- Schedule B: Affidavit of Joint Venture (MBE/WBE)
- Schedule C-1: Letter of Intent From MBE/WBE To Perform As Subcontractor, Supplier and/or Consultant
- Schedule D-1: Compliance Plan Regarding MBE/WBE Utilization
### Attachment A – Assist Agency List (Rev. Sept 2016)

Assist Agencies are comprised of not-for-profit agencies and/or chamber of commerce agencies that represent the interest of small, minority and/or women owned businesses.

*Prime Contractors should contact with subcontracting opportunities to connect certified firms.*

Exhibit 3: Special Conditions Regarding MBE/WBE Participation
Attachment B - Sample Format for Requesting Assist Agency Comments on Bidder’s Request for Reduction or Waiver of MBE/WBE Goals

On Bidder/Proposer’s Letterhead – SEND TO THE ASSIST AGENCIES – DO NOT SEND TO THE CITY

RETURN RECEIPT REQUESTED

(Date)

Specification No.: [Specify the number]
Project Description: [PROJECT DESCRIPTION]

(Assist Agency Name and Address – SEND TO THE ASSIST AGENCIES – DO NOT SEND TO THE CITY)

Dear [Name],

[Bidder/Proposer] intends to submit a bid/proposal in response to the above referenced specification with the City of Chicago. Bids are due [Date] advertised specification with the City of Chicago.

The following areas have been identified for subcontracting opportunities on both a direct and indirect basis:

________________________________________

________________________________________

________________________________________

Our efforts to identify potential subcontractors have not been successful in order to meet the Disadvantaged/Minority/Women Business Enterprise contract goal. Due to the inability to identify an appropriate DBE/MBE/WBE firm certified by the City of Chicago to participate as a subcontractor or joint venture partner, a request for the waiver of the contract goals will be submitted. If you are aware of such a firm, please contact

Name of Company Representative at Address/Phone

within (10) ten business days of receipt of this letter.

Under the City of Chicago’s MBE/WBE/DBE Ordinance, your agency is entitled to comment upon this waiver request to the City of Chicago. Written comments may be directed within ten (10) working days of your receipt of this letter to:

Monica Jimenez, Deputy Procurement Officer
Department of Procurement Services
City of Chicago
121 North La Salle Street, Room 805
Chicago, Illinois 60602

If you wish to discuss this matter, please contact the undersigned at [Contact information].

Sincerely,

[Signature]

M/WBE Special Conditions for Commodities & Services 04.19.2017
Schedule B – Affidavit of Joint Venture

SCHEDULE B: Affidavit of Joint Venture (MBE/WBE)

This form need not be submitted if all joint venturers are MBEs and/or WBEs. In such a case, however, a written joint venture agreement among the MBE and WBE venturers must be submitted. In all proposed joint ventures, each MBE and/or WBE venturer must submit a copy of their current Letter of Certification.

All Information Requested by this Schedule must Be Answered in the Spaces Provided. Do Not Refer to Your Joint Venture Agreement Except to Expand on Answers Provided on this Form. If Additional Space is Required, Additional Sheets May Be Attached.

I. Name of joint venture: __________________________
   Address of joint venture: __________________________
   Phone number of joint venture: __________________________

II. Identify each non-MBE/WBE venturer(s):
   Name of Firm: __________________________
   Address: __________________________
   Phone: __________________________
   Contact person for matters concerning MBE/WBE compliance: __________________________

III. Identify each MBE/WBE venturer(s):
    Name of Firm: __________________________
    Address: __________________________
    Phone: __________________________
    Contact person for matters concerning MBE/WBE compliance: __________________________

IV. Describe the role(s) of the MBE and/or WBE venturer(s) in the joint venture:

V. Attach a copy of the joint venture agreement. In order to demonstrate the MBE and/or WBE venturer’s share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) the contributions of capital and equipment; (2) work items to be performed by the MBE/WBE’s own forces; (3) work items to be performed under the supervision of the MBE/WBE venturer; and (4) the commitment of management, supervisory and operative personnel employed by the MBE/WBE to be dedicated to the performance of the project.

VI. Ownership of the Joint Venture:
   A. What are the percentage(s) of MBE/WBE ownership of the joint venture?
      MBE/WBE ownership percentage(s) __________
      Non-MBE/WBE ownership percentage(s) __________
   B. Specify MBE/WBE percentages for each of the following (provide narrative descriptions and other detail as applicable):
      1. Profit and loss sharing: __________________________
      2. Capital contributions:
         (a) Dollar amounts of initial contribution: __________________________
Schedule B: Affidavit of Joint Venture (MBE/WBE)

(b) Dollar amounts of anticipated on-going contributions: ____________________________

3. Contributions of equipment (Specify types, quality and quantities of equipment to be provided by each venturer):
   ____________________________________________________________________________
   ____________________________________________________________________________
   ____________________________________________________________________________

4. Other applicable ownership interests, including ownership options or other agreements which restrict or limit ownership and/or control:
   ____________________________________________________________________________
   ____________________________________________________________________________
   ____________________________________________________________________________

5. Provide copies of all written agreements between venturers concerning this project.

6. Identify each current City of Chicago contract (and each contract completed during the past two (2) years) by a joint venture of two or more firms participating in this joint venture:
   ____________________________________________________________________________
   ____________________________________________________________________________
   ____________________________________________________________________________

VII. Control of and Participation in the Joint Venture. Identify by name and firm those individuals who are, or will be, responsible for, and have the authority to engage in the following management functions and policy decisions. (Indicate any limitations to their authority such as dollar limits and co-signatory requirements):

A. Joint venture check signing:
   ____________________________________________________________________________
   ____________________________________________________________________________
   ____________________________________________________________________________

B. Authority to enter contracts on behalf of the joint venture:
   ____________________________________________________________________________
   ____________________________________________________________________________
   ____________________________________________________________________________

C. Signing, co-signing and/or collateralizing loans:
   ____________________________________________________________________________
   ____________________________________________________________________________
   ____________________________________________________________________________

D. Acquisition of lines of credit:
   ____________________________________________________________________________
   ____________________________________________________________________________
Schedule B: Affidavit of Joint Venture (MBE/WBE)

E. Acquisition and indemnification of payment and performance bonds:

F. Negotiating and signing labor agreements:

G. Management of contract performance. (identify by name and firm only):
   1. Supervision of field operations:
   2. Major purchases:
   3. Estimating:
   4. Engineering:

VIII. Financial Controls of joint venture:
   A. Which firm and/or individual will be responsible for keeping the books of account?

   B. Identify the managing partner, if any, and describe the means and measure of their compensation:

   C. What authority does each venturer have to commit or obligate the other to insurance and bonding companies, financing institutions, suppliers, subcontractors, and/or other parties participating in the performance of this contract or the work of this project?

IX. State the approximate number of operative personnel (by trade) needed to perform the joint venture’s work under this contract. Indicate whether they will be employees of the non-MBE/WBE firm, the MBE/WBE firm, or the joint venture.
Schedule B: Affidavit of Joint Venture (MBE/WBE)

M/WBE Special Conditions for Commodities & Services 04.19.2017
Schedule B: Affidavit of Joint Venture (MBE/WBE)

The undersigned affirms that the foregoing statements are correct and include all material information necessary to identify and explain the terms and operations of our joint venture and the intended participation of each venturer in the undertaking. Further, the undersigned covenant and agree to provide to the City current, complete and accurate information regarding actual joint venture work and the payment therefor, and any proposed changes in any provision of the joint venture agreement, and to permit the audit and examination of the books, records and files of the joint venture, or those of each venturer relevant to the joint venture by authorized representatives of the City or the Federal funding agency.

Any material misrepresentation will be grounds for terminating any contract which may be awarded and for initiating action under federal or state laws concerning false statements.

**Note:** If, after filing this Schedule B and before the completion on the joint venture’s work on the project, there is any change in the information submitted, the joint venture must inform the City of Chicago, either directly or through the prime contractor if the joint venture is a subcontractor.

M/WBE Special Conditions for Commodities & Services 04.19.2017
SCHEDULE C-1
MBE/WBE Letter of Intent to Perform as a Subcontractor, Supplier, or Consultant

Project Name: ___________________________ Specification No.: ___________________________

From: _____________________________________________________________
(Name of MBE/WBE Firm)

To: _________________________________________________________________ and the City of Chicago.
(Name of Prime Contractor)

The MBE or WBE status of the undersigned is confirmed by the attached City of Chicago or Cook County, Illinois Certification Letter. 100% MBE or WBE participation is credited for the use of a MBE or WBE “manufacturer.” 80% participation is credited for the use of a MBE or WBE “regular dealer.”

The undersigned is prepared to perform the following services in connection with the above named project/contract. If more space is required to fully describe the MBE or WBE proposed scope of work and/or payment schedule, including a description of the commercially useful function being performed. Attach additional sheets as necessary.

________________________________________________________________________

The above described performance is offered for the following price and described terms of payment:

________________________________________________________________________

SUB-SUBCONTRACTING LEVELS
A zero (0) must be shown in each blank if the MBE or WBE will not be subcontracting any of the work listed or attached to this schedule.

_______ % of the dollar value of the MBE or WBE subcontract that will be subcontracted to non MBE/WBE contractors.

_______ % of the dollar value of the MBE or WBE subcontract that will be subcontracted to MBE or WBE contractors.

NOTICE: If any of the MBE or WBE scope of work will be subcontracted, list the name of the vendor and attach a brief explanation, description and pay item number of the work that will be subcontracted. MBE/WBE credit will not be given for work subcontracted to Non-MBE/WBE contractors, except for as allowed in the Special Conditions Regarding Minority Business Enterprise Commitment and Women Business Enterprise Commitment.

The undersigned will enter into a formal written agreement for the above work with you as a Prime Contractor, conditioned upon your execution of a contract with the City of Chicago, within three (3) business days of your receipt of a signed contract from the City of Chicago.

The undersigned has entered into a formal written mentor protégé agreement as a subcontractor/protégé with you as a Prime Contractor/mentor: ( ) Yes ( ) No

NOTICE: THIS SCHEDULE AND ATTACHMENTS REQUIRE ORIGINAL SIGNATURES.

05/2013
SCHEDULE D-1
Compliance Plan Regarding MBE/WBE Utilization
Affidavit of Prime Contractor

MUST BE SUBMITTED WITH THE BID. FAILURE TO SUBMIT THE SCHEDULE D-1 WILL CAUSE THE BID TO BE REJECTED. DUPLICATE AS NEEDED.

Project Name: ____________________________________________

Specification No.: ________________________________________

In connection with the above captioned contract, I HEREBY DECLARE AND AFFIRM that I am a duly authorized representative of ________________________________________

(Name of Prime Consultant/Contractor)

and that I have personally reviewed the material and facts set forth herein describing our proposed plan to achieve the MBE/WBE goals of this contract.

All MBE/WBE firms included in this plan have been certified as such by the City of Chicago and/or Cook County, Illinois (Letters of Certification Attached).

I. Direct Participation of MBE/WBE Firms:

NOTE: The bidder/proposer shall, in determining the manner of MBE/WBE participation, first consider involvement with MBE/WBE firms as joint venture partners, subcontractors, and suppliers of goods and services directly related to the performance of this contract.

A. If bidder/proposer is a joint venture and one or more joint venture partners are certified MBEs or WBEs, attach copies of Letters of Certification, Schedule B form and a copy of Joint Venture Agreement clearly describing the role of each MBE/WBE firm(s) and its ownership interest in the joint venture.

B. Complete this section for each MBE/WBE Subcontractor/Supplier/Consultant participating on this contract:

1. Name of MBE/WBE: ________________________________________
   Address: ________________________________________________
   Contact Person: __________________________________________
   Phone Number: __________________________________________
   Dollar Value of Participation $__________
   Percentage of Participation %________

5. Attach Additional Sheets as Needed

II. Indirect Participation of MBE/WBE Firms

**NOTE:** This section need not be completed if the MBE/WBE goals have been met through the direct participation outlined in Section I. If the MBE/WBE goals have not been met through direct participation, Contractor will be expected to demonstrate that the proposed MBE/WBE direct participation represents the maximum achievable under the circumstances. Only after such a demonstration will indirect participation be considered.

MBE/WBE Subcontractors/Suppliers/Consultants proposed to perform work or supply goods or services where such performance does not directly relate to the performance of this contract:

EXHIBIT 4: INSURANCE REQUIREMENTS AND EVIDENCE OF INSURANCE

PROFESSIONAL SERVICES INSURANCE REQUIREMENTS
Chicago Department of Aviation
O’Hare 21 Terminal Area Plan (TAP)
Lead Architectural Design Services

A. INSURANCE REQUIRED

Design Consultant must provide and maintain at Design Consultant's own expense, during the term of the Agreement and during the time period following expiration if Design Consultant is required to return and perform any work, services, or operations, the insurance coverages and requirements specified below, insuring all work, services, or operations related to the Agreement.

1) Workers Compensation and Employers Liability (Primary and Umbrella)

Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide a work, services, or operations under this Agreement and Employers Liability coverage with limits of not less than $1,000,000 each accident; $1,000,000 disease-policy limit; and $1,000,000 disease-each employee, or the full per occurrence limits of the policy, whichever is greater. Coverage must include, but not be limited to, the following: other state endorsement, voluntary compensation and alternate employer, when applicable.

Design Consultant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

2) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent must be maintained with limits of not less than $1,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater, for bodily injury, personal injury, and property damage liability. Coverages must include, but not limited to, the following: All premises and operations, products/completed operations, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City must be provided additional insured status with respect to liability arising out of Design Consultant’s work, services or operations performed on behalf of the City. The City’s additional insured status must apply to liability and defense of suits arising out of Design Consultant’s acts or omissions, whether such liability is attributable to the Design Consultant or to the City on an additional insured endorsement form acceptable to the City. The full policy limits and scope of protection also will apply to the City as an additional insured, even if they exceed the City’s minimum limits required herein. Design Consultant’s liability insurance must be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Design Consultant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.
3) **Automobile Liability (Primary and Umbrella)**

When any motor vehicles (owned, non-owned and hired) are used in connection with work, services, or operations to be performed, Automobile Liability Insurance must be maintained by the Design Consultant with limits of not less than $1,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater, for bodily injury and property damage. The City is to be added as an additional insureds on a primary, non-contributory basis.

Design Consultant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

4) **Excess/Umbrella**

Excess/Umbrella Liability Insurance must be maintained with limits of not less than $4,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater. The policy/policies must provide the same coverages/follow form as the underlying Commercial General Liability, Automobile Liability, Employers Liability and Completed Operations coverage required herein and expressly provide that the excess or umbrella policy/policies will drop down over reduced and/or exhausted aggregate limit, if any, of the underlying insurance. The Excess/Umbrella policy/policies must be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Design Consultant may use a combination of primary and excess/umbrella policies to satisfy the limits of liability required in sections A.1, A.2, A.3 and A.4 herein.

5) **Professional Liability (Primary and Umbrella)**

If the City does not procure or maintain a Project Professional Liability policy as set forth in Section C herein, then Design Consultant must maintain Professional Liability Insurance covering acts, errors, or omissions with limits of not less than $15,000,000 each claim. Coverage must include, but not be limited to, the following: professional services as set forth in the scope of services in the underlying Agreement, and any other services, such as but not limited to technology services, provided by or on behalf of the Design Professional in connection with the performance of the underlying Agreement and pollution liability if environmental site assessments are conducted. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of three (3) years.

**B. ADDITIONAL REQUIREMENTS**

**Evidence of Insurance.** Design Consultant must furnish the City, Chicago Department of Aviation, 10510 W. Zemke Rd, Chicago, IL 60666, original certificates of insurance and additional insured endorsement, or other evidence of insurance, to be in force on the date of this Agreement, and renewal certificates of Insurance and endorsement, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Design Consultant must submit evidence of insurance prior to execution of Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of Agreement. The failure of the City to obtain, nor the City’s receipt of, or failure to object to a non-complying insurance certificate, endorsement or other insurance evidence from Design Consultant, its insurance broker(s) and/or insurer(s) will not be construed as a waiver by the City of any of the required insurance provisions. Design Consultant must advise all insurers of the Agreement provisions regarding insurance. The City in no way warrants that the insurance required herein is sufficient to protect Design Consultant for liabilities which
may arise from or relate to the Agreement. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time.

**Failure to Maintain Insurance.** Failure of the Design Consultant to comply with required coverage and terms and conditions outlined herein will not limit Design Consultant’s liability or responsibility nor does it relieve Design Consultant of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

**Notice of Material Change, Cancellation or Non-Renewal.** Design Consultant must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed and ten (10) days prior written notice for non-payment of premium.

**Deductibles and Self-Insured Retentions.** Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Design Consultant.

**Waiver of Subrogation.** Design Consultant hereby waives its rights and its insurer(s)’ rights of and agrees to require their insurers to waive their rights of subrogation against the City under all required insurance herein for any loss arising from or relating to this Agreement. Design Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation endorsement for Design Consultant’s insurer(s).

**Design Consultants Insurance Primary.** All insurance required of Design Consultant under this Agreement shall be endorsed to state that Design Consultant’s insurance policy is primary and not contributory with any insurance carrier by the City.

**No Limitation as to Design Consultant’s Liabilities.** The coverages and limits furnished by Design Consultant in no way limit the Design Consultant’s liabilities and responsibilities specified within the Agreement or by law.

**No Contribution by City.** Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Design Consultant under this Agreement.

**Insurance not Limited by Indemnification.** The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

**Insurance and Limits Maintained.** If Design Consultant maintains higher limits and/or broader coverage than the minimums shown herein, the City requires and shall be entitled the higher limits and/or broader coverage maintained by Design Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

**Joint Venture or Limited Liability Company.** If Design Consultant is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

**Other Insurance obtained by Design Consultant.** If Design Consultant desires additional coverages, the Design Consultant will be responsible for the acquisition and cost.

**Insurance required of subcontractors or subconsultants.** Design Consultant shall name the subcontractor(s) or subconsultant(s) as a named insured(s) under Design Consultant’s insurance or Design Consultant will require each subcontractor and each subconsultant to provide and maintain insurance coverage outlined in Section A, Insurance Required. The limits of coverage will be determined by Design Consultant but be no less than $5,000,000 per occurrence for access to airside and $2,000,000 for security.
per occurrence for access to landside. Design Consultant will require each subcontractor or each subconsultant to provide and maintain Professional Liability Insurance with limits of not less than $5,000,000 for design, architectural, or engineering services and limits of coverage for all other professional services will be determined by Design Consultant. Design Consultant is responsible for ensuring that each subcontractor or each subconsultant has named the City as an additional insured where required on an additional insured endorsement form acceptable to the City. Design Consultant is responsible for ensuring that each subcontractor or each subconsultant has complied with the required coverage and terms and conditions outlined in this Section B, Additional Requirements. When requested by the City, Design Consultant must provide to the City certificates of insurance and additional insured endorsements or other evidence of insurance. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time. Failure of the Subcontractor(s) to comply with required coverage and terms and conditions outlined herein will not limit Design Consultant’s liability or responsibility.

City’s Right to Modify. Notwithstanding any provisions in the Agreement to the contrary, the City, Department of Finance, Risk Management Office maintains the right to modify, delete, alter or change these requirements.

C. PROJECT PROFESSIONAL LIABILITY

The City may procure a Project Professional Liability policy covering errors, omissions, or other acts that cause liability in the performance or non-performance of professional services performed by Design Consultant, its subcontractors and subconsultants, and other architects, engineers, construction managers, program managers, and other professionals, at the City’s discretion related to services provided. Policy limits, deductibles, terms and conditions of insurance policy will be established by the City. If coverage is not extended or if the policy is terminated or not renewed, Design Consultant, its subcontractors and subconsultants, must maintain and provide evidence of Professional Liability Insurance as required under Section A.5 and Section B. Insurance Required of subcontractors and subconsultants.

In the event a Project Professional Liability is purchased, the City, as trustee, will establish a deductible fund, to satisfy all deductible obligations of Design Consultant, its subcontractors and subconsultants and other architects, engineers, construction managers, program managers, and other professionals covered under the policy. The City will withhold (3/4%) of one percent, or other amount as deemed appropriate by the City, of each payout to each firm or entity insured under the policy. Once deductible obligations have been satisfied under the policy, the City will refund the remaining proceeds proportionately to each firm or entity in relationship to the amount in which each firm or entity contributed.

ARTICLE 1. INTRODUCTION
This Contract is entered into as of the _________ day of ____________, 20___ ("Effective Date") by and between ______________________________, a ______________ corporation ("Contractor"), and the City of Chicago, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, ("City") acting through its Department of Aviation ("Department" or “CDA”), at Chicago, Illinois.

WHEREAS, the City has undertaken the design and construction of the “Terminal Area Plan” or “TAP” as part of the O’Hare 21 Program at Chicago O’Hare International Airport, Chicago, Illinois 60666 (the “Program”) as such Program may be divided into separate and distinct portions as determined by the City, each a “Project”; and

WHEREAS, the City requires certain lead design services as described in the Scope of Services attached to this Contract as Exhibit 1 (the “Services”); and

WHEREAS, the City has entered or will enter into at least two (2) agreements with construction managers at risk (the “Construction Manager(s)” or “CMR(s)”) for the Program; and

WHEREAS, Contractor understands, acknowledges, and agrees that the City shall retain at least two (2) lead design professionals for the Program; and

WHEREAS, the City desires that Contractor communicate and coordinate the Services with the City, the CMRs, and any other lead design professionals engaged by the City for the Program; and

WHEREAS, the City issued a Request for Qualifications dated ____________ describing the Services required to be performed by Contractor and setting forth the qualifications, terms, and conditions for the performance of the Services ("RFQ"); and

WHEREAS, Contractor responded to the RFQ and represented to the City that Contractor has the required qualifications, knowledge, expertise, skill, experience, and other resources and qualities necessary to provide the Services; and

WHEREAS, the City, in reliance upon Contractor’s representations in the RFQ, desires to retain Contractor under the terms and conditions set forth in this Contract; and

WHEREAS, Contractor desires to be retained by the City to perform the Services under the terms and conditions set forth in this Contract; and

WHEREAS, the City desires through Contractor to meet or exceed the MBE and WBE goals set forth in Exhibit 5; and

WHEREAS, Contractor desires to meet or exceed the MBE and WBE goals set forth in Exhibit 5 through Contractor’s engagement of MBE and WBE Subcontractors for the Services; and

Whereas, in the event Contractor is a joint venture, Contractor shall provide the City with Contractor’s joint venture agreement and shall comply with the provisions of Section 3.1.4.6 of the Contract,

NOW, THEREFORE, the City and the Contractor Agree as Follows:

ARTICLE 2. INCORPORATION OF EXHIBITS:
The following attached Exhibits are made a part of this agreement:

• Exhibit 1: Scope of Services Key Personnel
• Exhibit 2: Schedule of Compensation
• Exhibit 3: Insurance Certification and Evidence of Insurance
• Exhibit 4: Economic Disclosure Statement and Affidavit
• Exhibit 5: MBE/WBE Compliance Plan
• Exhibit 6: Sexual Harassment Policy Affidavit (MCC 2-92-612)
- Exhibit 7: List of Subcontractors
- Exhibit 8: Hourly Rates
ARTICLE 3.  STANDARD TERMS AND CONDITIONS

3.1.1.  Definitions

"Addendum" is an official revision of the Bid Documents issued by the Chief Procurement Office prior to Bid Opening Date.

"Airports" means Chicago O’Hare International Airport and Chicago Midway International Airport.

"Airside" means, generally, those areas of an Airport which requires a person to pass through a security checkpoint to access. References to "sterile areas" generally mean Airside areas within terminal buildings. References to "Airfield", "Aircraft Operations Area", "AOA", or "Secured areas" generally mean outdoor Airside areas or areas not accessible to passengers.

"Attachments" are all the exhibits and other documents attached to the RFQ and/or incorporated into the Contract by reference.

"Bid" refers to the Statement of Qualifications ("SOQ"), submitted in response to the RFQ, which may be subject to negotiation.

"Bidder" is a person, firm, or entity submitting a Bid in response to an invitation for bids; for RFPs and RFQs, references may be made to "Respondents." Once the Contract is awarded the Contractor shall assume that all references to a Bidder or Respondent and such attendant obligations apply to the Contractor.

"Bid Opening Date" is the date and time publicly advertised by the Chief Procurement Officer as the deadline for submission of Bids; this may be referred to as a "Proposal Due Date" for RFP and RFQ solicitations.

"Bid Documents" means all the documents issued by the Chief Procurement Officer, or referenced by the Chief Procurement Officer as being available on the City’s website and incorporated by such reference, in connection with an invitation for bids or proposals. Except for such Bid Documents as are posted on the City’s website and incorporated by reference, all Bid Documents must be submitted by a bidder on the Bid Opening Date.

"Business Day" means business days (Monday through Friday, excluding legal holidays, or City shut-down days) in accordance with the City of Chicago business calendar.

"Calendar Day" means all calendar days in accordance with the world-wide accepted calendar.

"Chief Procurement Officer" abbreviated as "CPO" means the chief executive of the City’s Department of Procurement Services ("DPS"), and any representative duly authorized in writing to act on the Chief Procurement Officer’s behalf.

"City" means the City of Chicago, a municipal corporation and home rule government under Sections 1 and 6(a), Article VII, of the 1970 Constitution of the State of Illinois, and its departments, including but not limited to, the Chicago Department of Aviation ("CDA") and DPS.

"Commissioner" means the chief executive of the CDA (regardless of the actual title of such chief executive), and any representative duly authorized in writing to act on the Commissioner's behalf with respect to this Contract.

"Contact Person" means the Contractor's management level personnel who will work as liaison between the City and the Contractor and be available to respond to any problems that may arise in connection with Contractor's performance under the Contract.

"Contract" means, upon notice of award from the CPO, this contract consisting of all Bid Documents relating to the RFQ, and all amendments, modifications, or revisions made from time to time in accordance with the terms thereof. All such documents comprising the Contract are referred to as the "Contract Documents".
"Contractor" means the Bidder or Proposer (person, firm, or entity) that is awarded the Contract by the CPO. Any references to the Bidder or Proposer in the Contract Documents is understood to apply to the Contractor. Contractor may also be referred to as “Architect.”

"Department" which may also be referred to as the using/user Department is the CDA.

"Detailed Specifications" refers to the contract specific requirements that includes but is not limited to a detailed description of the scope, term, compensation, price escalation, and such other additional terms and conditions governing this specific Contract, including but not limited to the Scope of Services set forth in Exhibit 1.

"Holidays" refers to the official City Holidays when the City is generally closed for business which includes: New Year’s Day, Dr. Martin Luther King Jr.’s Birthday, Lincoln’s Birthday, President’s Day, Pulaski Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran’s Day, Thanksgiving Day, and Christmas Day.

"MCC" is the abbreviation for the Municipal Code of Chicago.

"Party" or collectively "Parties" refers to the entities that have entered into this Contract including the Contractor and the City.

"Purchase Order" means a written purchase order from a Department referencing this Contract. Purchase Orders may also be referred to as "Blanket Releases".

"Services" refers to all work, services, and materials whether ancillary or as required by the Detailed Specifications that Contractor provides in performance of its obligations under this Contract.

"Specification" means the Bid Documents, including but not limited to the Detailed Specifications.

"Subcontractor" means any person or entity with whom the Contractor contracts to provide any part of the goods, services or work to be provided by Contractor under the Contract, including subcontractors of any tier, suppliers and material men, whether or not in privity with the Contractor.

3.1.2. Interpretation of Contract

3.1.2.1. Order of Precedence

The order of precedence of the component contract parts will be as follows:

- Terms required by the Federal Government or State of Illinois, as applicable.
- Scope of Services and Detailed Specifications.
- All other parts of this Contract.

Provided, however, in the event of an inconsistency between terms set out among different component parts of the Contract, or terms set out within a Contract part, notwithstanding the order of precedence noted above, the term that is most favorable to the City controls, unless expressly stated otherwise.

3.1.2.2. Interpretation and Rules

Unless a contrary meaning is specifically noted elsewhere, the phrases "as required", "as directed", "as permitted", and similar words mean the requirements, directions, and permissions of the Commissioner or CPO, as applicable. Similarly, the words "approved", "acceptable", "satisfactory", and similar words mean approved by, acceptable to, or satisfactory to the Commissioner or the CPO, as applicable.

The words "necessary", "proper", or similar words used with respect to the nature or extent of work or services mean that work or those services must be conducted in a manner, or be of a character which is necessary or proper for the type of work or services being provided in the opinion of the Commissioner and the CPO, as applicable. The judgment of the Commissioner and the CPO in such matters will be considered final.
Wherever the imperative form of address is used, such as "provide equipment required" it will be understood and agreed that such address is directed to the Contractor unless the provision expressly states that the City will be responsible for the action.

3.1.2.3. Severability
The invalidity, illegality, or unenforceability of any one or more phrases, sentences, clauses, or sections in this Contract does not affect the remaining portions of this Contract.

3.1.2.4. Entire Contract
The Contract Documents constitute the entire agreement between the parties and may not be modified except by the subsequent written agreement of the parties.

3.1.3. Subcontracting and Assignment

3.1.3.1. No Assignment of Contract
Pursuant to 65 ILCS 8-10-14, Contractor may not assign this Contract without the prior written consent of the CPO. In no case will such consent relieve the Contractor from its obligations, or change the terms of the Contract. The Contractor must notify the CPO, in writing, of the name of any proposed assignee and the reason for the assignment; consent to which is solely in the CPO’s discretion.

3.1.3.2. Subcontracts
No part of the goods, work, or services to be provided under this Contract may be subcontracted without the prior written consent of the CPO and CDA; but in no case will such consent relieve the Contractor from its obligations, or change the terms of the Contract. Prior to the execution of this Contract, Contractor shall provide the City with a list of all known Subcontractors for the Program, which Subcontractors shall be listed in Exhibit 7, attached hereto. Further, substitution of a previously approved Subcontractor without the prior written consent of the CPO or CDA is not permitted. The Contractor must notify the CPO and CDA of the names of all Subcontractors to be used and shall not employ any that the CPO and CDA have not approved. Prior to proposing the use of a certain Subcontractor, the Contractor must verify that neither the Subcontractor nor any of its owners is debarred from or otherwise ineligible to participate on City contracts. This information can be found on the City’s website:

The Contractor will only subcontract with competent and responsible Subcontractors. If, in the judgment of the Commissioner or the CPO, any Subcontractor is careless, incompetent, violates safety or security rules, obstructs the progress of the services or work, acts contrary to instructions, acts improperly, is not responsible, is unfit, is incompetent, violates any laws applicable to this Contract, or fails to follow the requirements of this Contract, then the Contractor will, immediately upon notice from the Commissioner or the CPO, discharge or otherwise remove such Subcontractor and propose an acceptable substitute for CPO approval. Removal and substitution must be in compliance with any applicable requirements of the MBE/WBE or DBE program.

All subcontracts and all approvals of Subcontractors are, regardless of their form, considered conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this Contract. Upon request of the City, Contractor must promptly provide a copy of its agreement(s) with its subcontractor(s). All subcontracts must contain provisions that require the subcontracted activity be performed in strict accordance with the requirements of this Contract, provide that the Subcontractors are subject to all the terms of this Contract, and are subject to the approval of the CPO. If the subcontract agreements do not prejudice any of the City’s rights under this Contract, such agreements may contain different provisions than are provided in this Contract with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the activity to be performed.

3.1.3.3. No Pledging or Assignment of Contract Funds Without City Approval
The Contractor may not pledge, transfer, or assign any interest in this Contract or contract funds due or to become due without the prior written approval of the CPO. Any such attempted pledge, transfer, or assignment, without the prior written approval of the CPO is void as to the City and will be deemed an event of default under this Contract.

3.1.3.4. City’s Right to Assign
The City expressly reserves the right to assign or otherwise transfer all or any part of its interests in this Contract without the consent or approval of the Contractor.

3.1.3.5. Assigns
All of the terms and conditions of this Contract are binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors, transferees, and assigns.

3.1.4. Contract Governance

3.1.4.1. Governing Law and Jurisdiction
This Contract will be governed in accordance with the laws of the State of Illinois, without regard to choice of law principles. The Contractor hereby irrevocably submits, and will cause its Subcontractors to submit, to the original jurisdiction of those State or Federal courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Contract and irrevocably agrees to be bound by any final judgment rendered thereby from which no appeal has been taken or is available. The Contractor irrevocably waives any objection (including without limitation any objection of the laying of venue or based on the grounds of forum non conveniens) which it may now or hereafter have to the bringing of any action or proceeding with respect to this Contract in the jurisdiction set forth above.

3.1.4.2. Consent to Service of Process
The Contractor agrees that service of process on the Contractor may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Contract, by registered or certified mail addressed to the office actually maintained by the Contractor, or by personal delivery on any officer, director, or managing or general agent of the Contractor. The Contractor designates and appoints the representative identified on the signature page hereof under the heading "Designation of Agent for Service Process", as its agent in Chicago, Illinois, to receive on its behalf service of all process (which representative will be available to receive such service at all times), such service being hereby acknowledged by such representative to be effective and binding service in every respect. Said agent may be changed only upon the giving of written notice by the Contractor to the City of the name and address of a new Agent for Service of Process who works within the geographical boundaries of the City of Chicago. Nothing herein will affect the right to serve process in any other manner permitted by law or will limit the right of the City to bring proceedings against the Contractor in the courts of any other jurisdiction.

3.1.4.3. Cooperation by Parties and between Contract and Constructors and Construction Managers
The Parties hereby agree to act in good faith and cooperate with each other in the performance of this Contract. The Contractor further agrees to implement such measures as may be necessary to ensure that its staff and its Subcontractors are bound by the provisions of this Contract. Contractor shall communicate, cooperate, and coordinate the performance of the Services by itself and by its Subcontractors with the CMRs and any other lead designer(s) retained for the provision of services for the Program. The City will be expressly identified as a third party beneficiary in the subcontracts and granted a direct right of enforcement thereunder.

Unless otherwise provided in the Detailed Specifications, if separate contracts are entered into for work on the Program as may be further detailed in the Contract Documents, each Contractor must perform its Services so as not to interfere with or hinder the progress of completion of the work being performed by other contractors or CMRs on the Program.
Each Contractor involved shall assume all liability, financial or otherwise, in connection with its contract, and shall protect and hold harmless the City from any and all damages or claims that may arise because of inconvenience, delay, or loss experienced by the Contractor because of the presence and operations of other contractors providing services or work on the Program. Each Contractor shall assume all responsibility for all work not completed or accepted because of the presence and operations of other contractors on the Program.

The Contractor must as far as possible, arrange its work and space and dispose of the materials being used, so as not to interfere with the operations of the other contractors within or adjacent to the limits of the project site.

3.1.4.4. No Third Party Beneficiaries
The parties agree that this Contract is solely for the benefit of the parties and nothing herein is intended to create any third party beneficiary rights for subcontractors or other third parties.

3.1.4.5. Independent Contractor
This Contract is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the City. The rights and the obligations of the parties are only those set forth in this Contract. Contractor must perform under this Contract as an independent contractor and not as a representative, employee, agent, or partner of the City.

This Contract is between the City and an independent contractor and, if Contractor is an individual, nothing provided for under this Contract constitutes or implies an employer-employee relationship such that:

The City will not be liable under or by reason of this Contract for the payment of any workers' compensation award or damages in connection with the Contractor performing the Services required under this Contract.

Contractor is not entitled to membership in any City Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to Contractor.

3.1.4.6. Authority
Execution of this Contract by the Contractor is authorized and signature(s) of each person signing on behalf of the Contractor have been made with complete and full authority to commit the Contractor to all terms and conditions of this Contract, including each and every representation, certification, and warranty contained herein, attached hereto and collectively incorporated by reference herein, or as may be required by the terms and conditions hereof. If other than a sole proprietorship, Contractor must provide satisfactory evidence that the execution of the Contract is authorized in accordance with the business entity(s) rules and procedures. In the event that Contractor is a joint venture, Contractor represents and warrants to the City as of the date hereof that (i) Contractor is a joint venture validly existing under the laws of the State of Illinois; (ii) Contractor has the corporate power to own its assets and to carry on its business as it is now being conducted; (iii) Contractor has full power and authority to enter into the Contract and perform its obligations under the Contract; and (iv) the individual or individuals executing the Contract has/have the full power and authority to execute the Contract on behalf of Contractor and to bind each joint venture partner to all of the covenants, obligations, agreements, and duties of the Contract.

3.1.4.7. Joint and Several Liability
In the event that Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination thereof), then and in that event, each and every
obligation or undertaking herein stated to be fulfilled or performed by Contractor will be the joint and several obligation or undertaking of each such individual or other legal entity.

3.1.4.8. Notices
All communications and notices to the City from the Contractor must be faxed, delivered personally, electronically mailed or mailed first class, postage prepaid, to the Commissioner, with a copy to the Chief Procurement Officer, Room 806, City Hall, 121 N. LaSalle Street, Chicago, Illinois 60602.

A copy of any communications or notices to the City relating to Contract interpretation, a dispute, or indemnification obligations shall also be sent by the same means set forth above to the Department of Law, Room 600, City Hall, 121 N LaSalle Street, Chicago, Illinois 60602.

All communications and notices from the City to the Contractor, unless otherwise provided for, will be faxed, delivered personally, electronically mailed or mailed first class, postage prepaid, to the Contractor care of the name and to the address listed on the Bid Documents’ proposal page

3.1.4.9. Amendments
Following Contract award, no change, amendment, or modification of the Contract Documents or any part thereof, is valid unless stipulated in writing and signed by the Contractor, Mayor, CPO, and Comptroller, unless specifically allowed for by the Contract Documents.

3.1.4.10. No Waiver of Legal Rights
Neither the acceptance by the City, or any representative of the City, nor any payment for or acceptance of the whole or any part of the deliverables, nor any extension of time, nor any possession taken by the City, shall operate as a waiver by the City of any portion of the Contract, or of any power herein reserved or any right of the City to damages herein provided.

A waiver of any breach of the Contract shall not be held to be a waiver of any other or subsequent breach. Whenever under this Contract the City by a proper authority waives the Contractor’s performance in any respect or waives a requirement or condition to either the City's or the Contractor’s performance, the waiver so granted, whether express or implied, shall only apply to the particular instance and will not be deemed a waiver forever or for subsequent instance of the performance, requirement, or condition. No such waiver shall be construed as a modification of this Contract regardless of the number of time the City may have waived the performance, requirement, or condition.

3.1.4.11. Non-appropriation of Funds
Pursuant to 65 ILCS 5/8-1-7, any contract for the expenditure of funds made by a municipality without the proper appropriation is null and void.

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Contract, then the City will notify the Contractor of that occurrence and this Contract shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Contract are exhausted.

No payments will be made to the Contractor under this Contract beyond those amounts appropriated and budgeted by the City to fund payments under this Contract.

3.1.4.12. Participation By Other Government Agencies
Other Local Government Agencies (defined below) may be eligible to participate in this Contract if (a) such agencies are authorized, by law or their governing bodies, to execute such purchases, (b) such authorization is consented to by the City of Chicago’s CPO, and (c) such purchases have no net adverse effect on the City of Chicago and result in no diminished services from the Contractor to the City's Departments.

Examples of such Local Government Agencies are: the Chicago Board of Education, Chicago Park District, City Colleges of Chicago, Chicago Transit Authority, Chicago Housing Authority, Chicago
Board of Elections, Metropolitan Pier and Exposition Authority (McCormick Place, Navy Pier), and the Municipal Courts.

Said purchases will be made upon the issuance of a purchase order directly from the Local Government Agency. The City will not be responsible for payment of any amounts owed by any other Local Government Agencies, and will have no liability for the acts or omissions of any other Local Government Agency.

3.1.5. Confidentiality

All deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Contractor under this Contract are property of the City and are confidential, except as specifically authorized in this Contract or as may be required by law. Contractor must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City. Further, all documents and other information provided to Contractor by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. Contractor must implement such measures as may be necessary to ensure that its staff and its Subcontractors are bound by the confidentiality provisions contained in this Contract.

Contractor must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Contract, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the Commissioner.

If Contractor is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Contractor’s possession by reason of this Contract, Contractor must immediately give notice to the Commissioner, CPO and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records or documents are submitted to a court or other third party. Contractor, however, is not obligated to withhold the delivery beyond the time ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

3.1.6. Indemnity

Contractor must defend, indemnify, keep and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees (collectively, the "Indemnified Parties," ) from and against any and all Losses (as defined below), in consequence of the granting of this Contract or arising out of or being in any way connected with the Contractor’s performance under this Contract, except as otherwise provided in 740 ILCS 35 "Construction Contract Indemnification for Negligence Act" if it applies, including those related to: injury, death or damage of or to any person or property; any infringement or violation of any property right (including any patent, trademark or copyright); failure to pay or perform or cause to be paid or performed Contractors covenants and obligations as and when required under this Contract or otherwise to pay or perform its obligations to any subcontractor; the City’s exercise of its rights and remedies under this Contract; and injuries to or death of any employee of Contractor or any subcontractor under any workers compensation statute. When 740 ILCS 35 applies, indemnification provided by the Contractor to the Indemnified Parties will be to the maximum extent permitted under applicable law.

"Losses" means, individually and collectively, liabilities of every kind, including monetary damages, stop work notices, lien on funds filed by Subcontractors, pursuant to 770 ILCS 60/23, and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, fines, judgments or settlements, any or all of which in any way arise out of or relate to the negligent or otherwise wrongful errors, acts, or omissions of Contractor, its employees, agents and subcontractors.
The Contractor will promptly provide, or cause to be provided, to the Commissioner and the Corporation Counsel copies of such notices as Contractor may receive of any claims, actions, or suits as may be given or filed in connection with the Contractor’s performance or the performance of any Subcontractor and for which the Indemnified Parties are entitled to indemnification hereunder.

At the City Corporation Counsel’s option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Contract. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

The Contractor shall be solely responsible for the defense of any and all claims, demands, or suits against the Indemnified Parties, including without limitation, claims by an employee, subcontractors, agents, or servants of Contractor even though the claimant may allege that the Indemnified Parties were in charge of the work or service performed under the Contract, that it involves equipment owned or furnished by the Indemnified Parties, or allege negligence on the part of the Indemnified Parties. The City will have the right to require Contractor to provide the City with a separate defense of any such suit.

To the extent permissible by law, Contractor waives any limits to the amount of its obligations to indemnify, defend or contribute to any sums due to third parties arising out of any Losses, including but not limited to any limitations on Contractor’s liability with respect to a claim by any employee of Contractor arising under the Workers Compensation Act, 820 ILCS 305/1 et seq. or any other related law or judicial decision (such as, Kotecki v. Cyclops Welding Corporation, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

The Contractor’s indemnification obligations in this section survive expiration or termination of this Contract for matters occurring or arising during the term of this Contract or as the result of or during the Contractor’s performance of work or services beyond the term. Contractor acknowledges that the requirements set forth in this section to indemnify, keep and save harmless and defend the City are apart from and not limited by the Contractor’s duties under this Contract, including the insurance requirements set forth in the Contract.

3.1.7. Non-Liability of Public Officials
Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the City personally with any liability or expenses of defense or hold any official, employee or agent of the City personally liable to them under any term or provision of this Contract or because of the City’s execution, attempted execution or any breach of this Contract.

3.1.8. Contract Extension Option
The City may extend this Contract once following the expiration of the contract term for up to 181 Calendar Days or until such time as a new contract has been awarded for the purpose of providing continuity of services and/or supply while procuring a replacement contract subject to acceptable performance by the Contractor and contingent upon the appropriation of sufficient funds. The CPO will give the Contractor notice of the City’s intent to exercise its option to renew the Contract for the approaching option period.

3.2. Compensation Provisions
3.2.1. Ordering, Invoices, and Payment
3.2.1.1. Funding
The source of funds for payments under this Contract is Fund number _______________. Payments under this Agreement must not exceed $_____________ without a written amendment in accordance with the Amendments section of the "Standard Terms and Conditions" above. Funding for this Contract is subject to the availability of funds and their appropriation by the City Council of the City.

3.2.1.2. Purchase Orders
Requests for work, services or goods in the form of a Purchase Order will be issued by the Department and sent to the Contractor to be applied against the Contract. The Contractor must not honor any order(s), perform work or services or make any deliveries of goods without receipt of a Purchase Order issued by the City of Chicago. Any work, services, or goods provided by the Contractor without a Purchase Order is made at the Contractor's risk. Consequently, in the event such Purchase Order is not provided by the City, the Contractor releases the City from any liability whatsoever to pay for any work, services, or goods provided without said Purchase Order.

Purchase Orders will indicate quantities ordered for each line item, unit/total cost, shipping address, delivery date, fund chargeable information, catalog information (if applicable), and other pertinent instructions regarding performance or delivery.

3.2.1.3. Invoices

Original invoices must be sent by the Contractor to the Department to apply against the Contract. Invoices must be submitted in accordance with the mutually agreed upon time period with the Department. All invoices must be signed, dated and reference the City's Purchase Order number and Contract number. A signed work ticket, time sheets, manufacturer’s invoice, if applicable, or any documentation requested by the Commissioner must accompany each invoice. If a Contractor has more than one contract with the City, separate invoices must be prepared for each contract in lieu of combining items from different contracts under the same invoice. Invoice quantities, description of work, services or goods, unit of measure, pricing and/or catalog information must correspond to the items on the accepted Price List or Proposal Pages or of the Bid Documents. If invoicing Price List/Catalog items, indicate Price List/Catalog number, item number, Price List/Catalog date and Price List/Catalog page number on the invoice.

3.2.1.3.1. Centralized Invoice Processing

Unless stated otherwise in the Detailed Specifications, this Contract is subject to Centralized Invoice Processing ("CIP"). Invoices must be submitted directly to the Comptroller's office by US Postal Service mail to the following address:

**Invoices for the Department of Aviation:**

Chicago Department of Aviation  
10510 W. Zemke Blvd.  
P.O. Box 66142  
Chicago, IL 60666  
Attn: Finance Department

**OR**

Invoices may be submitted via email to: invoices@cityofchicago.org with the word "INVOICE" in the subject line.

All invoices must be signed, marked "original," and include the following information or payment will be delayed:

- Invoice number and date
- Contract/Purchase Order number
- Blanket Release number (if applicable)
- Vendor name and/or number
- Remittance address
- Name of City Department that ordered the goods or services
- Name and phone number of your contact at the ordering department
- Invoice quantities, commodity codes, description of deliverable(s)
- Amount due
- Receipt number (provided by the ordering department after delivery of goods/services)
Invoice quantities, service description, unit of measure, pricing and/or catalog information must correspond to the terms of the Bid Page(s).

If applicable, if invoicing Price List/Catalog items, indicate Price List/Catalog number, item number, Price List/Catalog date, and Price List/Catalog page number on the invoice.

Invoices for over-shipments or items with price/wage escalations will be rejected unless the Contract includes a provision for such an adjustment.

Freight, handling and shipping costs are not to be invoiced; deliveries are to be made F.O.B., City of Chicago. The City of Chicago is exempt from paying State of Illinois sales tax and Federal excise taxes on purchases.

Contractor must not submit invoices for less than $500 unless a particular invoice is for last payment related to closeout of services.

3.2.1.3.2. Electronic Ordering and Invoices
The Contractor will cooperate in good faith with the City in implementing electronic ordering and invoicing, including but not limited to price lists/catalogs, purchase orders, releases and invoices. The electronic ordering and invoice documents will be in a format specified by the City and transmitted by an electronic means specified by the City. Such electronic means may include, but are not limited to, disks, e-mail, EDI, FTP, web sites, and third party electronic services. The CPO reserves the right to change the document format and/or the means of transmission upon written notice to the Contractor. Contractor will ensure that the essential information, as determined by the CPO, in the electronic document, corresponds to that information submitted by the Contractor in its paper documents. The electronic documents will be in addition to paper documents required by this Contract, however, by written notice to the Contractor, the CPO may deem any or all of the electronic ordering and invoice documents the official documents and/or eliminate the requirement for paper ordering and invoice documents.

3.2.1.4. Payment
The City will process payment within sixty (60) calendar days after receipt of invoices and all supporting documentation necessary for the City to verify the satisfactory delivery of work, services or goods to be provided under this Contract.

Contractor may be paid, at the City’s option, by electronic payment method. If the City elects to make payment through this method, it will so notify the Contractor, and Contractor agrees to cooperate to facilitate such payments by executing the City’s electronic funds transfer form, available for download from the City’s website at:
The City reserves the right to offset mistaken or wrong payments against future payments.

The City will not be obligated to pay for any work, services or goods that were not ordered with a Purchase Order or that are non-compliant with the terms and conditions of the Contract Documents. Any goods, work, or services which fail tests and/or inspections and/or which fail to meet the obligations of the Contract or the standards of performance set forth herein shall be corrected, exchanged or replaced at the sole cost of the Contractor.

3.2.1.4.1. Basis of Payment
The City will pay Contractor according to the Schedule of Compensation in the attached Exhibit 2 for the completion of the Services in accordance with this Agreement, including the standards of performance contained in the Contract Documents.

3.2.1.4.2. Method of Payment
Contractor must submit monthly invoices to the City for costs billed, as outlined in the Schedule of Compensation in Exhibit 2. The invoices must be in such detail as the City requests. The City
will process payment within 60 days after receipt of invoices and all supporting documentation necessary for the City to verify the Services provided under this Agreement.

3.2.1.4.3. Criteria for payment
The reasonableness, allocability, and allowability of any costs and expenses charged by Contractor under this contract will be determined by the Chief Procurement Officer and the Commissioner in their sole discretion.

In the event of a dispute between Contractor and the City as to whether any particular charge will be paid, or as to whether the amount of such charge is reasonable, allocable to the services under the contract, or allowable, the Contractor must, and the Department may, refer such dispute to the Chief Procurement Officer for resolution in accordance with the Contract Disputes section of this contract. The City will not withhold payment for undisputed sums on such invoice while a dispute is being resolved.

3.2.1.5. City Right to Offset
The City may offset against any invoice from Contractor any costs incurred by the City as a result of event of default by Contractor under this contract or otherwise resulting from Contractor's performance or non-performance under this Contract, including but not limited to any credits due as a result of over-billing by Contractor or overpayments made by the City. If the amount offset is insufficient to cover those costs, Contractor is liable for and must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

3.2.1.6. Records
Upon request the Contractor must furnish to the City such information related to the progress, execution, and cost of the Services. All books and accounts in connection with this Contract must be open to inspection by authorized representatives of the City. The Contractor must make these records available at reasonable times during the performance of the Services and will retain them in a safe place and must retain them for a period that is the longer of five (5) years or as required by relevant retention schedules after the expiration or termination of the Contract.

3.2.1.7. Audits
3.2.1.7.1. City’s Right to Conduct Audits
The City may, in its sole discretion, audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Contract or within five years after the Contract ends, in connection with the goods, work, or services provided under this Contract. Each calendar year or partial calendar year may be deemed an "audited period".

3.2.1.7.2. Recovery for Over-Billing
If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and, depending on the facts, also some or all of the cost of the audit, as follows:

If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the contract prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the contract prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.
Failure of Contractor to reimburse the City in accordance with the foregoing is an event of default under this Contract, and Contractor will be liable for all of the City’s costs of collection, including any court costs and attorneys’ fees.

3.2.2. Subcontractor Payment Reports
The Contractor must report payments to Subcontractors on a monthly basis in the form of an electronic report. Upon the first payment issued by the City to the Contractor for services performed, on the first day of each month and every month thereafter, email and/or fax notifications will be sent to the Contractor with instructions to report payments to Subcontractors that have been made in the prior month. This information must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.

Once the Contractor has reported payments made to each Subcontractor, including zero dollar amount payments, the Subcontractor will receive an email and/or fax notification requesting that they log into the system and confirm payments received.

All monthly confirmations must be reported on or before the twentieth (20th) day of each month. Contractor and Subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.

All contracts between the Contractor and its Subcontractors must contain language requiring the Subcontractors to respond to email and/or fax notifications from the City requiring them to report payments received from the Contractor.

Access to the Certification and Compliance Monitoring System (C2), which is a web-based reporting system, can be found at: https://chicago.mwdbe.com

(Note: This site works for reporting all Subcontractor payments regardless of whether they are MBE/WBE/DBE or non-certified entities.)

If a Subcontractor has satisfactorily performed in accordance with the requirements of the Contract, Contractor must pay Subcontractor for such work, services, or materials within seven (7) calendar days of Contractor receiving payment from the City. Failure to comply with the foregoing will be deemed an event of default.

3.2.3. Prompt Payment to Subcontractors

3.2.3.1. Incorporation of Prompt Payment Language in Subcontracts
Contractor must state the requirements of these Prompt Payment provisions in all Subcontracts and purchase orders. If Contractor fails to incorporate these provisions in all Subcontracts and purchase orders, the provisions of this Section are deemed to be incorporated in all Subcontracts and purchase orders. Contractor and the Subcontractors have a continuing obligation to make prompt payment to their respective Subcontractors. Compliance with this obligation is a condition of Contractor’s participation and that of its Subcontractors on this Contract.

3.2.3.2. Payment to Subcontractors Within Seven Days
The Contractor must make payment to its Subcontractors within 7 days of receipt of payment from the City for each invoice.

Provided the Subcontractor’s performance has met the terms of the Contract Documents, and that Subcontractor has submitted its request for payment to the Contractor with such documentation as is reasonably necessary to substantiate such performance, the Contractor shall bill the City for such performance when the Contractor is first authorized under the payment schedule of the Contract to submit an invoice to the City for such performance. Contractor may only invoice the City at the rates contained in the Contract Documents.

3.2.3.2.1. Reporting Failures to Promptly Pay
If the Contractor, without reasonable cause, fails to make any payment to its Subcontractors and material suppliers within 7 days after receipt of payment under a City contract, the Contractor shall pay to its Subcontractors and material suppliers, in addition to the payment due them, interest in the amount of 2% per month, calculated from the expiration of the 7-day period until fully paid.

In the event that a Contractor fails to make payment to a Subcontractor within the 7-day period required above, the Subcontractor may notify the City by submitting a report form that may be downloaded from the DPS website at:

The report will require the Subcontractor to affirm that (a) its invoice to the Contractor was included in the payment request submitted by the contractor to the City and (b) Subcontractor has not, at the time of the report, received payment from the contractor for that invoice. The report must reference the payment (voucher) number posted on-line by the City in the notice of the payment to the contractor.

Subcontractors are hereby reminded that per Chapters 1-21, “False Statements,” and 1-22, “False Claims,” of the Municipal Code of Chicago, making false statements or claims to the City are violations of law and subject to a range of penalties including fines and debarment.

3.2.3.2.2. Whistleblower Protection
Contractor shall not take any retaliatory action against any Subcontractor for reporting non-payment pursuant to this Section Error! Reference source not found. Reference source not found.. Any such retaliatory action is an event of default under this Contract and is subject to the remedies set forth in Section Error! Reference source not found., hereof, including termination. In addition to those remedies, any retaliatory action by a contractor may result in a contractor being deemed non-responsible for future City contracts or, if, in the sole judgment of the Chief Procurement Officer, such retaliatory action is egregious, the Chief Procurement Officer may initiate debarment proceedings against the contractor. Any such debarment shall be for a period of not less than one year.

3.2.3.3. Liquidated Damages for Failure to Promptly Pay
Much of the City’s economic vitality derives from the success of its small businesses. The failure by contractors to pay their subcontractors in a timely manner, therefore, is clearly detrimental to the City. Inasmuch as the actual damages to the City due to such failure are uncertain in amount and difficult to prove, Contractor and City agree that the Chief Procurement Officer may assess liquidated damages against contractors who fail to meet their prompt payment requirements. Such liquidated damages shall be assessed to compensate the City for any and all damage incurred due to the failure of the Contractor to promptly pay its subcontractors, and does not constitute a penalty. Any and all such liquidated damages collected by the City shall be used to improve the administration and outreach efforts of the City’s Small Business Program.

3.2.3.4. Action by the City
Upon receipt of a report of a failure to pay, the City will issue notice to the contractor, and provide the contractor with an opportunity to demonstrate reasonable cause for failing to make payment within applicable period set forth in the Contract. The Chief Procurement Officer, in his or her sole judgment, shall determine whether any cause for nonpayment provided by a contractor is reasonable. In the event that the contractor fails to demonstrate reasonable cause for failure to make payment, the City shall notify the contractor that it will assess liquidated damages. Any such liquidated damages will be assessed according to the following schedule:

<table>
<thead>
<tr>
<th>Report Type</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>First Unexcused Report</td>
<td>$50</td>
</tr>
<tr>
<td>Second Unexcused Report</td>
<td>$100</td>
</tr>
<tr>
<td>Third Unexcused Report</td>
<td>$250</td>
</tr>
</tbody>
</table>
3.2.3.5. Direct Payment to Subcontractors By City
The CPO may notify the Contractor that payments to the Contractor will be suspended if the CPO has determined that the Contractor has failed to pay any Subcontractor, employee, or workman, for work performed. If Contractor has not cured a failure to pay a Subcontractor, employee or workman within 10 days after receipt of such notice, the CPO may request the Comptroller to apply any money due, or that may become due, to Contractor under the Contract to the payment of such Subcontractors, workmen, and employees and the effect will be the same, for purposes of payment to Contractor of the Contract Price, as if the City had paid Contractor directly.

Further, if such action is otherwise in the City’s best interests, the CPO may (but is not obligated to) request that the Comptroller make direct payments to Subcontractors for monies earned on contracts and the effect will be the same, for purposes of payment to Contractor of the Contract Price, as if the City had paid Contractor directly. The City’s election to exercise or not to exercise its rights under this paragraph shall not in any way affect the liability of the Contractor or its sureties to the City or to any such Subcontractor, workman, or employee upon any bond given in connection with such Contract.

3.2.4. General Price Reduction – Automatic Eligibility for General Price Reductions
If at any time after the Bid Opening Date the Contractor makes a general reduction in the price of any goods, services or work covered by the Contract to its customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to the Contract for the duration of the contract period (or until the price is further reduced). Such price reduction will be effective at the same time and in the same manner as the reduction in the price to customers generally.

For purpose of this provision, a general price reduction will mean any reduction in the price of an article or service offered (1) to Contractor’s customers generally, or (2) in the Contractor’s price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this Contract. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a general price reduction under this provision.

The Contractor must invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the General Price Reduction provision of the Contract. The Contractor, in addition, must within 10 calendar days of any general price reduction notify the CPO of such reduction by letter. Failure to do so will be an event of default. Upon receipt of any such notice of a general price reduction all participating Departments will be duly notified by the CPO.

Failure to notify the CPO of a General Price Reduction is an event of default, and the City’s remedies shall include a rebate to the City of any overpayments.

3.3. Compliance With All Laws
3.3.1. General
Contractor must observe and comply with all applicable federal, state, county and municipal laws, statutes, regulations, codes, ordinances and executive orders, in effect now or later and as amended whether or not they appear in the Contract Documents.

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in the Contract are deemed inserted in the Contract whether or not they appear in the Contract.

Contractor must pay all taxes and obtain all licenses, certificates, and other authorizations required in connection with the performance of its obligations hereunder, and Contractor must require all Subcontractors to also do so. Failure to do so is an event of default and may result in the termination of this Contract.

3.3.2. Certification of Compliance with Laws
By entering into this Contract with the City, Contractor certifies to the best of its knowledge and belief that it, its principals and any subcontractors used in the performance of this contract, meet City
requirements and have not violated any City or sister agency policy, codes, state, federal, or local laws, rules or regulations and have not been subject to any debarment, suspension or other disciplinary action by any government agency. Additionally, if at any time the contractor becomes aware of such information, it must immediately disclose it to the City.

3.3.3. Federal Affirmative Action
It is an unlawful employment practice for the Contractor (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individuals race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individuals race, color, religion, sex, age, handicap or national origin.

3.3.4. Civil Rights Act of 1964, Title VI, Compliance With Nondiscrimination Requirements
During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

3.3.4.1. Compliance with Federal Nondiscrimination Requirements
The contractor will comply with federal nondiscrimination laws, regulations, and authorities, as they may be amended from time to time ("Acts and Regulations"), which include:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms “programs or activities” to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against
minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination under Title VI includes discrimination because of limited English proficiency (LEP). (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, prohibits discrimination because of sex in education programs or activities (20 U.S.C. 1681 et seq);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, religion, color, national origin, or sex in any activity carried out with a grant from the FAA).

3.3.4.2. Non-discrimination
The contractor, with regard to the Services, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21 (Nondiscrimination in Federally-Assisted Programs of the US Department of Transportation).

3.3.4.3. Solicitations for Subcontracts, Including Procurements of Materials and Equipment
In all solicitations, either by competitive bidding, or negotiation made by the contractor for work on the Services to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor’s obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, or national origin.

3.3.4.4. Information and Reports
The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the City or applicable federal agency (e.g. Federal Aviation Administration, Federal Highway Administration, Federal Transit Authority, Transportation Security Administration, Department of Housing and Urban Development, etc.) providing funding to the City department(s) on this contract to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the sponsor or the federal agency, as appropriate, and will set forth what efforts it has made to obtain the information.

3.3.4.5. Sanctions for Noncompliance
In the event of a contractor’s noncompliance with the Non-discrimination provisions of this contract, the City will impose such contract sanctions as it or the relevant federal funding agency may determine to be appropriate, including, but not limited to:

A. Withholding payments to the contractor under the contract until the contractor complies; and/or
B. Cancelling, terminating, or suspending a contract, in whole or in part.

3.3.4.6. Incorporation of Provisions
The contractor will include the provisions of above paragraphs Error! Reference source not found., "Compliance With Regulations" through Error! Reference source not found. "Incorporation of Provisions" in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the sponsor or the applicable federal agency may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the sponsor to enter into any litigation to protect the interests of the sponsor. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

3.3.5. Other Non-Discrimination Requirements

3.3.5.1. Illinois Human Rights Act

3.3.5.1.1. Generally
Contractor must comply with the Illinois Human Rights Act, 775 ILCS 5/1-1 01 et seq., as amended and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity Clause, 44 Ill. Admin. Code 750 Appendix A, and as further described below.

Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq., as amended; and all other applicable state laws, rules, regulations and executive orders.

3.3.5.1.2. State of Illinois Duties of Public Contractors (44 Ill. Admin. Code 750 et seq.)
Contractor shall comply with its obligations for public contractors under state law. These rules require that contractor examine all its job classifications to determine whether minorities or women are underutilized, and if underutilization exists in any job classification, the contractor must take appropriate affirmative action. 44 Ill. Admin. Code 750.110. Underutilization means "having fewer minority/female workers in a particular job classification than would reasonably be expected by their availability. 44 Ill. Admin. Code 750.120.

When required by the state rules, contractors shall develop and implement written affirmative action plans to overcome underutilization of minorities and/or women, including, at minimum, a description of the contractor’s workforce analysis and goals and timetables for recruitment efforts, per 44 Ill. Admin. Code 750.130. Contractors shall also state in all solicitations that all applicants be afforded equal employment opportunity without discrimination ("because of race, color, religion, sex, marital status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, sexual orientation, military status, order of protection status or unfavorable discharge from military service,” 44 Ill. Admin. Code 750.150), and advise in writing their personnel, referral sources, and labor organizations of the contractor’s obligations under state law and any affirmative action plan.

3.3.5.1.3. State of Illinois Equal Employment Opportunity Clause
In the event of the Contractor’s non-compliance with the provisions of this Equal Employment Opportunity Clause or the Illinois Human Rights Act, the Contractor may be declared ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and the contract may be cancelled or voided in whole or in part, and other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation. During the performance of this contract, the Contractor agrees as follows:

A) That Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service; and, further, that
he or she will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any underutilization.

B) That, if Contractor hires additional employees in order to perform this contract or any portion of this contract, Contractor will determine the availability (in accordance with 44 Ill. Admin. Code Part 750) of minorities and women in the areas from which Contractor may reasonably recruit and Contractor will hire for each job classification for which employees are hired in a way that minorities and women are not underutilized.

C) That, in all solicitations or advertisements for employees placed Contractor or on Contractor’s behalf, Contractor will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service.

D) That Contractor will send to each labor organization or representative of workers with which Contractor has or is bound by a collective bargaining or other agreement or understanding, a notice advising the labor organization or representative of the Contractor’s obligations under the Illinois Human Rights Act and 44 Ill. Admin. Code Part 750. If any labor organization or representative fails or refuses to cooperate with the Contractor in Contractor's efforts to comply with the Act and this Part, the Contractor will promptly notify the Illinois Department of Human Rights and the City and will recruit employees from other sources when necessary to fulfill its obligations under the contract.

E) That Contractor will submit reports as required by 44 Ill. Admin. Code Part 750, furnish all relevant information as may from time to time be requested by the Illinois Department of Human Rights or the City, and in all respects comply with the Illinois Human Rights Act and 44 Ill. Admin. Code Part 750.

F) That Contractor will permit access to all relevant books, records, accounts and work sites by personnel of the City and the Illinois Department of Human Rights for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and the Illinois Department of Human Rights’s Rules and Regulations.

G) That Contractor will include verbatim or by reference the provisions of this clause in every subcontract awarded under which any portion of the contract obligations are undertaken or assumed, so that the provisions will be binding upon the subcontractor. In the same manner as with other provisions of this contract, the Contractor will be liable for compliance with applicable provisions of this clause by subcontractors; and further it will promptly notify the City and the Illinois Department of Human Rights in the event any subcontractor fails or refuses to comply with the provisions. In addition, the Contractor will not utilize any subcontractor declared by the Illinois Human Rights Commission to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

3.3.5.2. Chicago Human Rights Ordinance MCC Ch. 2-160
Contractor must comply with the Chicago Human Rights Ordinance, MCC Ch. 2-160, Sect. 2-160-010 et seq., as amended; and all other applicable municipal code provisions, rules, regulations and executive orders.

Contractor must furnish or shall cause each of its Subcontractors to furnish such reports and information as requested by the Chicago Commission on Human Relations.

3.3.5.3. City of Chicago Equal Employment Opportunity Goals MCC 2-92-390

The City has established by ordinance equal employment opportunity goals for construction projects with an estimated contract value of $100,000 or more. The City’s yearly goals, as a percentage of construction aggregated work hours per category of worker, are as follows:
A) 25% by minority journey workers and apprentices;
B) 7% by women journey workers and apprentices;
C) 40% by minority laborers; and
D) 10% by women laborers.

The Contractor is encouraged to meet or exceed these goals. Contractor shall also comply with the State of Illinois equal employment opportunity requirements, as set forth above.

3.3.5.4. Business Enterprises Owned by People With Disabilities (BEPD)
Pursuant to MCC 2-92-586, Contractor is strongly encouraged to subcontract with businesses certified as business enterprises owned or operated by people with disabilities ("BEPD") as defined in that section or MCC 2-92-337, and to use BEPD businesses as suppliers.

3.3.6. Wages
Contractor must pay the highest of (1) prevailing wage/Davis-Bacon rate, if applicable; (2) minimum wage specified by Mayoral Executive Order 2014-4; "Living Wage" rate specified by MCC Sect. 2-92-610; (3) Chicago Minimum Wage rate specified by MCC Chapter 1-24, or (4) the highest applicable State or Federal minimum wage.

3.3.6.1. Minimum Wage, Mayoral Executive Order 2014-1
Mayoral Executive Order 2014-1 provides for a fair and adequate Minimum Wage to be paid to employees of City contractors and subcontractors performing work on City contracts.

If this contract was advertised on or after October 1, 2014, Contractor must comply with Mayoral Executive Order 2014-1 and any applicable regulations issued by the CPO. The Minimum Wage to be paid pursuant to the Order as of July 1, 2018 is $13.80 per hour. The Minimum Wage must be paid to:

All employees regularly performing work on City property or at a City jobsite.

All employees whose regular work entails performing a service for the City under a City contract.

Beginning on July 1, 2015, and every July 1 thereafter, the hourly wage specified by the Executive Order shall increase in proportion to the increase, if any, in the Consumer Price Index for All Urban Consumers most recently published by the Bureau of Labor Statistics of the United States Department of Labor. Any hourly wage increase shall be rounded up to the nearest multiple of $0.05. Such increase shall remain in effect until any subsequent adjustment is made. On or before June 1, 2015, and on or before every June 1 thereafter, the City shall make available to City Concessionaires a bulletin announcing the adjusted minimum hourly wages for the upcoming year.

The Minimum Wage is not required to be paid to employees whose work is performed in general support of contractors operations, does not directly relate to the services provided to the City under the contract, and is included in the contract price as overhead, unless the employee's regularly assigned work location is on City property or at a City jobsite. It is also not required to be paid by employers that are 501(c)(3) not-for-profits.

Except as further described, the Minimum Wage is also not required to be paid to categories of employees subject to subsection 4(a)(2), subsection 4(a)(3), subsection 4(d), subsection 4(e), or Section 6 of the Illinois Minimum Wage Law, 820 ILCS 105/1 et seq., in force as of the date of this Contract or as amended. Nevertheless, the Minimum Wage is required to be paid to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law.

Additionally, the Minimum Wage is not required to be paid to employees subject to a collective bargaining agreement that provides for different wages than those required by Mayoral Executive Order 2014-1, if that collective bargaining agreement was in force prior to October 1, 2014 or if that collective bargaining agreement clearly and specifically waives the requirements of the order.
If the payment a Base Wage pursuant to Municipal Code of Chicago Sect. 2-92-610 is required for work or services done under this Contract, and the Minimum Wage is higher than the Base Wage, then the Contractor must pay the Minimum Wage. Likewise, if the payment of a prevailing wage is required and the prevailing wage is higher than the Minimum Wage, then the Contractor must pay the prevailing wage.

Contractors are reminded that they must comply with Municipal Code Chapter 1-24 establishing a minimum wage.

3.3.6.2. Living Wage Ordinance
MCC Sect. 2-92-610 provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers, and clerical workers ("Covered Employees"). Accordingly, pursuant to MCC Sect. 2-92-610 and regulations promulgated thereunder:

if the Contractor has 25 or more full-time employees, and if at any time during the performance of the contract the Contractor and/or any subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then The Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the Contract term when the conditions set forth in (1) and (2) above are met, and will continue thereafter until the end of the Contract term.

As of July 1, 2018 the Base Wage is $12.55. The current rate can be found on the Department of Procurement Services' website.

Note: As of July 1, 2016, the wage specified by Mayoral Executive Order 2014-1 is higher than the Base Wage rate. Therefore, the higher wage specified by the Executive Order (or other applicable rule or law) must be paid.

Each July 1st the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four (4) as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four (4) divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Contract, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for work or services done under this Contract, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Contractor must pay the prevailing wage rates.

The Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. The Contractor agrees to provide the City with documentation acceptable to the CPO demonstrating that all Covered Employees, whether employed by the Contractor or by a subcontractor, have been paid the Base Wage, upon the City’s request for such documentation. The City may independently audit the Contractor and/or subcontractors to verify compliance herewith.

Failure to comply with the requirements of this Section will be an event of default under this Contract, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to three years.

Not-for-Profit Corporations: If the Contractor is a corporation having Federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions above do not apply.

3.3.6.3. Chicago Paid Sick Leave Ordinance
The Paid Sick Leave Ordinance, which is published in the June 22, 2016 Council Journal, pages 27188 – 27197 and which will be codified at MCC 1-24-045, became effective July 1, 2017. Contractor
understands that, to the extent that the Ordinance applies to its activities, it must comply with the Ordinance.

3.3.6.4. Equal Pay

3.3.7. Economic Disclosure Statement and Affidavit and Appendix A ("EDS")
Pursuant to MCC Ch. 2-154 and 65 ILCS 5/8-10-8.5 any person, business entity or agency submitting a bid or proposal to or contracting with the City of Chicago will be required to complete the Disclosure of Ownership Interests in the EDS. Failure to provide complete or accurate disclosure will render this Contract voidable by the City.

Contractors must complete an online EDS prior to the Bid Opening Date. Contractors are responsible for notifying the City and updating their EDS any time there is a change in circumstances that makes any information provided or certification made in an EDS inaccurate, obsolete or misleading. Failure to so notify the City and update the EDS is grounds for declaring the Contractor in default, terminating the Contract for default, and declaring the Contractor ineligible for future contracts.

Contractor makes certain representations and certifications that the City relies on in its decision to enter into a contract. The Laws and requirements that are addressed in the EDS include the following:

3.3.7.1. Business Relationships With Elected Officials MCC Sect. 2-156-030(b)
Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC Sect. 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

3.3.7.2. MCC 1-23 and 720 ILCS 5/33E Bribery, Debts, and Debarment Certification
The Contractor or each joint venture partner, if applicable, must complete the appropriate subsections in the EDS which certify that the Contractor or each joint venture partner, its agents, employees, officers and any subcontractors (a) have not been engaged in or been convicted of bribery or attempted bribery of a public officer or employee of the City of Chicago, the State of Illinois, any agency of the federal government or any state or local government in the United States or engaged in or been convicted of bid-rigging or bid-rotation activities as defined in this section as required by the Illinois Criminal Code; (b) do not owe any debts to the State of Illinois, in accordance with 65 ILCS 5/11-42.1-1 and (c) are not presently debarred or suspended; Certification Regarding Environmental Compliance; Certification Regarding Ethics and Inspector General; and Certification Regarding Court-Ordered Child Support Compliance.

Contractor, in performing under this contract shall comply with MCC Sect. 2-92-320, as follows:
No person or business entity shall be awarded a contract or sub-contract if that person or business entity: (a) has been convicted of bribery or attempting to bribe a public officer or employee of the City of Chicago, the State of Illinois, or any agency of the federal government or of any state or local government in the United States, in that officers or employee's official capacity; or (b) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise; or (c) has made an admission of guilt of such conduct described in (a) or (b) above which is a matter of record but has not been prosecuted for such conduct; or (d) has violated MCC Sect. 2-92-610; or (e) has violated any regulation promulgated by the Chief Procurement Officer that includes ineligibility as a consequence of its violation; or (f) has committed, within a 24-month period, three or more violations of Chapter 1-24 of the MCC; or (g) has been debarred by any local, state or federal government agency from doing business with such government agency, for any reason or offense set forth in subsections (a), (b), or (c) of this section, or substantially equivalent reason or offense, for the duration of the debarment by such government agency..

For purposes of this section, where an official, agent or employee of a business entity has committed any offense under this section on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity will be chargeable with the conduct.

One business entity will be chargeable with the conduct of an affiliated agency. Ineligibility under this section will continue for three (3) years following such conviction or admission. The period of ineligibility may be reduced, suspended, or waived by the CPO under certain specific circumstances. Reference is made to Section 2-92-320 for a definition of affiliated agency, and a detailed description of the conditions which would permit the CPO to reduce, suspend, or waive the period of ineligibility.

3.3.7.3. Federal Terrorist (No-Business) List
Contractor warrants and represents that neither Contractor nor an Affiliate, as defined below, appears on the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment.

"Affiliate" means a person or entity which directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity, either acting individually or acting jointly or in concert with others, whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

3.3.7.4. Governmental Ethics Ordinance 2-156
Contractor must comply with MCC Ch. 2-156, Governmental Ethics, including but not limited to MCC Sect. 2-156-120 pursuant to which no payment, gratuity or offer of employment will be made in connection with any City contract, by or on behalf of a subcontractor to the prime Contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of this Chapter will be voidable as to the City.

3.3.7.5. Lobbyists
Contractor must comply with Chapter 2-156 of the Municipal Code. Contractor acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156, including any contract entered into with any person who has retained or employed a non-registered lobbyist in violation of Section 2-156-305 of the Municipal Code is voidable as to the City.
3.3.8. Restrictions on Business Dealings

3.3.8.1. Prohibited Interests in City Contracts

No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the work or services to which this Contract pertains is permitted to have any personal interest, direct or indirect, in this Contract. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Contract or to any financial benefit to arise from it.

3.3.8.2. Conflicts of Interest

The Contractor covenants that it, and to the best of its knowledge, its subcontractors if any, presently have no interest and will not acquire any interest, direct or indirect, in any enterprise, project or contract which would conflict in any manner or degree with the performance of the work, services or goods to be provided hereunder. The Contractor further covenants that in the performance of the Contract no person having any such interest will be employed, either by Contractor or any subcontractor, to perform any work or services under the Contract or have access to confidential information. The Contractor further covenants that Covered Entity #1, as defined in the RFQ, will not participate in the Program as a Subcontractor of Contractor and that Contractor has and will continue to comply with the provisions of the RFQ relating to conflicts of interest, including but not limited to RFQ Section 1 General Information, Subsection F Conflicts of Interests.

If the City determines that the Contractor does have such a conflict of interest, the City will notify the Contractor in writing, stating the basis for its determination. The Contractor will thereafter have 30 days in which to respond with reasons why the Contractor believes a conflict of interest does not exist. If the Contractor does not respond or if the City still reasonably determines a conflict of interest to exist, the Contractor must terminate its interest in the other enterprise, project, or contract. Further, if the City in the reasonable judgment of the CPO or Commissioner determines that any Subcontractor’s work or services for others conflicts with the work or services to be provided by them, upon request of the City, Contractor must require that Subcontractor to terminate such other work or services immediately and replace that Subcontractor with another Subcontractor, subject to pre-approval by the City.

If Contractor or any subcontractors become aware of a conflict, they must immediately stop work on the activity causing the conflict and notify the City. DPS and CDA reserve the right to determine if a conflict develops and work with all parties to resolve the conflict.

If Contractor or any subcontractors ("Contracting Parties") assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals, bid specifications for a project, or other procurement solicitation document, the Contracting Parties must not participate, directly or indirectly, as a prime, subcontractor, subconsultant or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Contract or afterwards. The Contracting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the Contracting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

3.3.8.3. Prohibition on Certain Contributions, Mayoral Executive Order 2011-4

No Contractor or any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5% ("Owners"), spouses and domestic partners of such Owners, Contractor’s Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee...
during (i) the bid or other solicitation process for this Contract or Other Contract, including while this Contract or Other Contract is executory, (ii) the term of this Contract or any Other Contract between City and Contractor, and/or (iii) any period in which an extension of this Contract or Other Contract with the City is being sought or negotiated.

Contractor represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Contractor or the date the Contractor approached the City, as applicable, regarding the formulation of this Contract, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Contractor shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor’s political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor’s political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Contract, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Contract, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Contractor violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Contract resulting from this specification, the CPO may reject Contractor’s bid.

For purposes of this provision:

"Other Contract" means any agreement entered into between the Contractor and the City that is (i) formed under the authority of MCC Ch. 2-92; (ii) for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a "political contribution" as defined in MCC Ch. 2-156, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in MCC Ch. 2-156, as amended.

3.3.9. Debts Owed to the City; Anti-Scofflaw, MCC Sect. 2-92-380

In addition to the certifications regarding debts owed to the City in the EDS, Contractor is subject to MCC Sect. 2-92-380.

Pursuant to MCC Sect. 2-92-380 and in addition to any other rights and remedies (including set-off) available to the City under this Contract or permitted at law or in equity, the City will be entitled to set off a portion of the contract price or compensation due under the Contract, in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and the amount of any debt owed by the contracting party to the City. For purposes of this section, outstanding parking violation complaint means a parking ticket, notice of parking violation, or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint, and debt means a specified sum of money owed to the City for which the period granted for payment has expired.
However no such debt(s) or outstanding parking violation complaint(s) will be offset from the contract price or compensation due under the contract if one or more of the following conditions are met:

the contracting party has entered into an agreement with the Department of Revenue, or other appropriate City department, for the payment of all outstanding parking violation complaints and debts owed to the City and the Contracting party is in compliance with the agreement; or

the contracting party is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or the contracting party has filed a petition in bankruptcy and the debts owed the City are dischargeable in bankruptcy.

3.3.10. Other City Ordinances and Policies

3.3.10.1. False Statements
False statements made in connection with this Contract, including statements in, omissions from and failures to timely update the EDS, as well as in any other affidavits, statements or Contract Documents constitute a material breach of the Contract. Any such misrepresentation renders the Contract voidable at the option of the City, notwithstanding any prior review or acceptance by the City of any materials containing such a misrepresentation. In addition, the City may debar Contractor, assert any contract claims or seek other civil or criminal remedies as a result of a misrepresentation (including costs of replacing a terminated Contractor pursuant to MCC Sect. 1-21-010.

3.3.10.2. MacBride Principles Ordinance, MCC Sect. 2-92-580
This law promotes fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

If this contract was let by a competitive bidding process as set forth in the Municipal Purchasing Act for Cities of 500,000 or More Population, in accordance with MCC Sect. 2-92-580 if the primary Contractor conducts any business operations in Northern Ireland, it is hereby required that the Contractor will make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 III. Laws 3220).

The provisions of this Section will not apply to contracts for which the City receives funds administered by the United States Department of Transportation (USDOT) except to the extent Congress has directed that USDOT not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the USDOT.

3.3.10.3. City Hiring Plan Prohibitions
A. The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

B. Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a Subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Contract are employees or Subcontractors of Contractor, not employees of the City of Chicago. This Contract is not intended to and does not constitute, create, give rise to, or
otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

C. Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Contract, or offer employment to any individual to provide services under this Contract, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Contract, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

D. In the event of any communication to Contractor by a City employee or City official in violation of paragraph B above, or advocating a violation of paragraph C above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Contract. Contractor will also cooperate with any inquiries by OIG Hiring Oversight.

3.3.10.4. Inspector General

It is the duty of any bidder, proposer or Contractor, all Subcontractors, every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners and employees of any bidder, proposer, Contractor, Subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing, if applicable, undertaken pursuant to MCC Ch. 2-56. Contractor understands and will abide by all provisions of MCC Ch. 2-56.

All subcontracts must inform Subcontractors of this provision and require understanding and compliance with them.

3.3.10.5. Duty to Report Corrupt Activity

Pursuant to MCC 2-156-018, it is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. “Corrupt activity” means any conduct set forth in Subparagraph (a)(1), (2) or (3) of Section 1-23-020 of the MCC. Knowing failure to make such a report will be an event of default under this Contract. Reports may be made to the Inspector General’s toll free hotline, 866-IG-TIPLINE (866-448-4754).

3.3.10.6. Electronic Mail Communication

Electronic mail communication between Contractor and City employees must relate only to business matters between Contractor and the City.

3.3.10.7. EDS Update Obligation

Contractor is required to notify the City and update the EDS whenever there is a change in circumstances that makes any certification or information provided in an EDS inaccurate, obsolete or misleading. Failure to notify the City and update the EDS is grounds for declaring the Contractor in default, termination of the Contract for default, and declaring that the Contractor is ineligible for future contracts.

3.3.10.8. Wheel Tax (City Sticker)

Contractor must pay all Wheel Tax required by Chapter 3-56 of the MCC, as amended from time to time. Contractor should take particular notice of MCC 3-56-020 and MCC 3-56-125 which relate to payment of the tax for vehicles that are used on City streets or on City property by City residents. For the purposes of Chapter 3-56, any business that owns, leases or otherwise controls a place of
business within the City wherein motor vehicles or semi-trailers are stored, repaired, serviced, or loaded or unloaded in connection with the business is also considered to be a City resident.

3.3.10.9. Participation By Other Local Government Agencies

If Contractor consents, other local government agencies may be eligible to participate in this Contract pursuant to the terms and conditions of this Contract if such agencies are authorized, by law or their governing bodies, to execute such purchases, and if such authorization is allowed by the Chief Procurement Officer, if such purchases have no net adverse effect on the City and result in no diminished services from the bidder to the City's user departments pursuant to such purchases. Examples of such Local Government Agencies are: Board of Education, Chicago Park District, City Colleges of Chicago, Chicago Transit Authority, Chicago Housing Authority, Chicago Board of Elections, Metropolitan Pier and Exposition Authority (McCormick Place, Navy Pier), and the Municipal Courts. Said purchases shall be made upon the issuance of a purchase order directly from the Local Government Agency. The City will not be responsible for payment of any amounts owed by any other Local Government Agencies, and will have no liability for the acts or omissions of any other Local Government Agency.

3.3.10.10. Policy Prohibiting Sexual Harassment (Section 2-92-612 of the Chicago Municipal Code)

For purposes of this section, the following definitions shall apply:

“Contract” means any contract, purchase order, construction project, or other agreement (other than a delegate agency contract or lease of real property or collective bargaining agreement) awarded by the city and whose cost is to be paid from funds belonging to or administered by the city.

“Contractor” means the person to whom a contract is awarded.

“Sexual harassment” means any unwelcome sexual advances or requests for sexual favors or conduct of a sexual nature when (i) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; or (ii) submission to or rejection of such conduct by an individual is used as the basis for any employment decision affecting the individual; or (iii) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

“Subcontractor” means any person that enters into a contract with a contractor to perform work on a contract.

Contractor shall, as prescribed by the Chief Procurement Officer, attest by affidavit that Contractor has a written policy prohibiting sexual harassment that shall include, at a minimum, the following information: (i) the illegality of sexual harassment; (ii) the definition of sexual harassment; and (iii) the legal recourse available for victims of sexual harassment. Contractor’s affidavit is attached hereto in the Exhibit titled “Sexual Harassment Policy Affidavit”.

Contractor’s failure to have a written policy prohibiting sexual harassment as provided above shall constitute an event of default. In the event of default, the Chief Procurement Officer shall notify Contractor of such noncompliance and may, as appropriate: (i) issue Contractor an opportunity to cure consistent with the default provisions in this Agreement; (ii) terminate the contract; or (iii) take any other action consistent with the default provisions in the contract. This section shall not be construed to prohibit the City from prosecuting any person who knowingly makes a false statement of material fact to the city pursuant to Chapter 1-21 of this Code, or from availing itself of any other remedies under contract or law.

3.3.11. Compliance with Environmental Laws and Related Matters

3.3.11.1. Definitions

For purposes of this section, the following definitions shall apply:
Environmental Agency: An Environmental Agency is any governmental agency having responsibility, in whole or in part, for any matter addressed by any Environmental Law. An agency need not be responsible only for matters addressed by Environmental Law(s) to be an Environmental Agency for purposes of this Contract.

Environmental Claim: An Environmental Claim is any type of assertion that Contractor or any Subcontractor is liable, or allegedly is liable, or should be held liable, under any Environmental Law, or that Contractor or any Subcontractor has or allegedly has violated or otherwise failed to comply with any Environmental Law. A non-exhaustive list of Environmental Claims includes, without limitation: demand letters, lawsuits and citations of any kind regardless of originating source.

Law(s): The word "Law" or "Laws," whether or not capitalized, is intended in the broadest possible sense, including without limitation all federal, state and local: statutes; ordinances; codes; rules; regulations; administrative and judicial orders of any kind; requirements and prohibitions of permits, licenses or other similar authorizations of any kind; court decisions; common law; and all other legal requirements and prohibitions.

Routine: As applied to reports or notices, "routine" refers to a report or notice that must be made, submitted or filed on a regular, periodic basis (e.g., quarterly, annually, biennially) and that in no way arises from a spill or other release or any kind, or from an emergency response situation, or from any actual, possible or alleged noncompliance with any Environmental Law.

3.3.11.2. Joint Ventures
If Contractor or any Subcontractor is a joint venture, then every party to every such joint venture is deemed a Subcontractor for purposes of this section, which is entitled "Compliance with Environmental Laws and Related Matters" and every subsection thereof.

3.3.11.3. Compliance With Environmental Laws
As part of or in addition to its obligation to observe and comply with all applicable laws, Contractor must observe and comply with all applicable Environmental Laws and ensure that all Subcontractors observe and comply with all applicable Environmental Laws.

Any noncompliance, by Contractor or any Subcontractor, with any Environmental Law during the time that this Contract is effective is an event of default, regardless of whether the noncompliance relates to performance of this Contract. This includes without limitation any failure by Contractor or any Subcontractor to keep current, throughout the term of this Contract, all insurance certificates, permits and other authorizations of any kind that are required, directly or indirectly, by any Environmental Law.

3.3.11.4. Costs
Any cost arising directly or indirectly, in whole or in part, from any noncompliance, by Contractor or any Subcontractor, with any Environmental Law, will be borne by the Contractor and not by the City. This includes, but is not limited to, any cost associated with removal of waste or other material from a facility lacking any required permit. No provision of this Contract is intended to create or constitute an exception to this provision.
3.3.11.5. Proof of Noncompliance; Authority; Cure
Any adjudication, whether administrative or judicial, against Contractor or any Subcontractor, for a violation of any Environmental Law, is sufficient proof of noncompliance, and therefore of an event of default, for purposes of this Contract.

Any citation issued to/against Contractor or any Subcontractor, by any government agent or entity, alleging a violation of any Environmental Law, is sufficient proof of noncompliance for purposes of this Contract, and therefore of an event of default, if the citation contains or is accompanied by, or the City otherwise obtains, any evidence sufficient to support a reasonable conclusion that a violation has occurred.

Any other evidence of noncompliance with any Environmental Law is sufficient proof of noncompliance for purposes of this Contract, and therefore of an event of default, if the evidence is sufficient to support a reasonable conclusion that noncompliance has occurred.

The CPO shall have the authority to determine whether noncompliance with an Environmental Law has occurred, based on any of the foregoing types of proof. Upon determining that noncompliance has occurred, s/he may in his/her discretion declare an event of default and may in his/her discretion offer Contractor an opportunity to cure the event of default, such as by taking specified actions, which may include without limitation ceasing and desisting from utilizing a Subcontractor.

The CPO may consider many factors in determining whether to declare an event of default, whether to offer an opportunity to cure, and if so any requirements for cure, including without limitation: the seriousness of the noncompliance, any effects of the noncompliance, Contractor’s and/or Subcontractor’s history of compliance or noncompliance with the same or other Laws, Contractor’s and/or Subcontractor’s actions or inaction towards mitigating the noncompliance and its effects, and Contractor’s or Subcontractor’s actions or inaction towards preventing future noncompliance.

3.3.11.6. Copies of Notices and Reports; Related Matters
If any Environmental Law requires Contractor or any Subcontractor to make, submit or file any non-Routine notice or report of any kind, to any Environmental Agency or other person, including without limitation any agency or other person having any responsibility for any type of emergency response activity, then Contractor must deliver a complete copy of the notice or report (or, in the case of legally required telephonic or other oral notices or reports, a comprehensive written summary of same) to the Law Department within 24 hours of making, submitting or filing the original report.

Additionally, to the extent not already achieved by Contractor’s compliance with this paragraph 3.3.10.6 and paragraph 3.3.10.8, Contractor must notify the Commissioner of the Department, within 24 hours of learning of any of the following:

(i) any release, suspected release, or threatened release of any waste or other material relating to the work performed under the Contract;

(ii) any notice of any kind received by Contractor, any Subcontractor, or any employee or agent of Contractor or any Subcontractor, from an Environmental Agency or any other person, of or relating to any release, suspected release, or threatened release of any waste or other material relating to the work performed under the Contract.

This notification must be in writing, must be submitted by a fast method such as email, and must include, to the best of Contractor’s knowledge at the time of submittal: the types and amounts of the waste or other material at issue; the location; the cause and any contributing factors; all actions taken, being taken, and intended to be taken by Contractor and any Subcontractors; and a copy of any notice received by Contractor, any Subcontractor, or any employee or agent of Contractor or any Subcontractor. Contractor must also provide written updates to the Commissioner by email or other method as indicated by the Commissioner whenever Contractor becomes aware of information that is different from or additional to the information provided in the initial notification.
The requirements of this provision apply, regardless of whether the subject matter of the required notice or report concerns performance of this Contract.

Failure to comply with any requirement of this provision is an event of default.

### 3.3.11.7. Requests for Documents and Information

If the Commissioner requests documents or information of any kind that directly or indirectly relate(s) to performance of this Contract, Contractor must obtain and provide the requested documents and/or information to the Commissioner within 5 business days.

Failure to comply with any requirement of this provision is an event of default.

### 3.3.11.8. Environmental Claims and Related Matters

Within 24 hours of receiving, or of any Subcontractor’s receiving, notice of any Environmental Claim, Contractor must submit copies of all documents constituting or relating to the Environmental Claim to the Law Department. Thereafter, Contractor must submit copies of related documents if requested by the Law Department. These requirements apply, regardless of whether the Environmental Claim concerns performance of this Contract.

Failure to comply with any requirement of this provision is an event of default.

### 3.3.11.9. Preference for Recycled Materials

To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of any work or services, Contractor must use recycled products in performance of the Contract pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 CFR Parts 247-253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 USC § 6962.

### 3.3.11.10. No Waste Disposal in Public Way MCC 11-4-1600(E)

Contractor warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Contract is executory, Contractor’s or any Subcontractor’s violation of the Waste Sections, whether or not relating to the performance of this Contract, constitutes a breach of and an event of default under this Contract, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the CPO. Such breach and default entitles the City to all remedies under the Contract, at law or in equity.

This section does not limit the Contractor’s and its Subcontractors’ duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Contract.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Contract, and may further affect the Contractor’s eligibility for future contract awards.

### 3.4. Contract Disputes

#### 3.4.1. Procedure for Bringing Disputes to the Department
The Contractor and using Department must attempt to resolve all disputes arising under this Contract in good faith, taking such measures as, but not limited to investigating the facts of the dispute and meeting to discuss the issue(s).

In order to bring a dispute to the Commissioner of a Department, Contractor must provide a general statement of the basis for its claim, the facts underlying the claim, reference to the applicable Contract provisions, and all documentation that describes, relates to and supports the claim. By submitting a Claim, the Contractor certifies that:

A. The Claim is made in good faith;
B. The Claim's supporting data are accurate and complete to the best of the person's knowledge and belief;
C. The amount of the Claim accurately reflects the amount that the claimant believes is due from the City; and
D. The certifying person is duly authorized by the claimant to certify the Claim.

The Commissioner shall have 30 days from receipt of the Claim to render a written "final decision of the Commissioner" stating the Commissioner's factual and contractual basis for the decision. However, the Commissioner may take an additional period, not to exceed 10 days, to render the final decision. If the Commissioner does not render a "final decision of the Commissioner" within the prescribed time frame, then the Claim should be deemed denied by the Commissioner.

Prior to submission of the dispute to the CPO, and either before or after the final decision of the Commissioner, the parties may, by mutual decision, agree to endeavor to settle the dispute by nonbinding mediation administered by a mutually agreed upon mediator. In the event the parties agree to engage in nonbinding mediation to resolve the dispute prior to the final decision of the Commissioner, the time frame for the Commissioner to render the final decision shall be suspended until the mediation is terminated by one or both parties. Parties agree to share equally the costs of the agreed upon mediator.

3.4.2. Procedure for Bringing Disputes before the CPO

Only after the Commissioner has rendered a final decision denying the Contractor’s claim may a dispute be brought before the CPO.

If the Contractor and using Department are unable to resolve the dispute, prior to seeking any judicial action, the Contractor must and the using Department may submit the dispute to the CPO for an administrative decision based upon the written submissions of the parties. The party submitting the dispute to the CPO must include documentation demonstrating its good faith efforts to resolve the dispute and either the other party’s failure to exercise good faith efforts or both parties’ inability to resolve the dispute despite good faith efforts.

The decision of the CPO is final and binding. The sole and exclusive remedy to challenge the decision of the CPO is judicial review by means of a common law writ of certiorari.

The administrative process is described more fully in the "Regulations of the Department of Procurement Services for Resolution of Disputes between Contractors and the City of Chicago", which are available in City Hall, 121 N. LaSalle Street, Room 103, Bid and Bond Room, and on-line at:

3.5. Events of Default and Termination

3.5.1. Events of Default

In addition to any breach of contract and events of default described within the Contract Documents, the following constitute an event of default and material breach of Contract:
A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor’s material failure to perform any of its obligations under this Contract including, but not limited to, the following:

   a. Failure to perform the Services with sufficient and/or sufficiently qualified personnel and equipment or material to ensure the timely performance of the Services;
   
   b. Failure to have and maintain all professional licenses required by law to perform the Services;
   
   c. Failure to timely perform the Services;
   
   d. Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or the CPO or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
   
   e. Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;
   
   f. Discontinuance of the Services for reasons within Contractor’s reasonable control;
   
   g. Failure to update promptly EDS(s) furnished in connection with this Contract when the information or responses contained in it or them is no longer complete or accurate;
   
   h. Failure to comply with any other term of this Contract, including the provisions concerning insurance and nondiscrimination;
   
   i. Removal of Key Personnel from the Program or reducing the dedication to the Program of Key Personnel in contradiction to the levels of dedication set forth in Exhibit 1;
   
   j. Failure to regularly upload progress sets of all Deliverables, data, drawings, details, calculations, sketches, and drafts for the Program on a weekly basis or as directed by CDA.

C. Any change in ownership or control of Contractor without the prior written approval of the CPO, which approval the CPO will not unreasonably withhold.

D. Contractor’s default under any other Contract it may presently have or may enter into with the City during the life of this Contract. Contractor acknowledges and agrees that in the event of a default under this Contract the City may also declare a default under any such other agreements.

E. Contractor’s repeated or continued violations of City ordinances unrelated to performance under the Contract that in the opinion of the CPO indicate a willful or reckless disregard for City laws and regulations.

F. Contractor’s use of a subcontractor that is currently debarred by the City or otherwise ineligible to do business with the City.

3.5.2. Cure or Default Notice
The occurrence of any event of default permits the City, at the City’s sole option, to declare Contractor in default.

The CPO will give Contractor written notice of the default, either in the form of a cure notice ("Cure Notice"), or, if no opportunity to cure will be granted, a default notice ("Default Notice").

If a Cure Notice is sent, the CPO may in his/her sole discretion will give Contractor an opportunity to cure the default within a specified period of time, which will typically not exceed 30 days unless extended by the CPO. The period of time allowed by the CPO to cure will depend on the nature of the
event of default and the Contractor’s ability to cure. In some circumstances the event of default may be of such a nature that it cannot be cured. Failure to cure within the specified time may result in a Default Notice to the Contractor.

Whether to issue the Contractor a Default Notice is within the sole discretion of the CPO and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Contract.

If the CPO issues a Default Notice, the CPO will also indicate any present intent the CPO may have to terminate this Contract. The decision to terminate is final and effective upon giving the notice. If the CPO decides not to terminate, this decision will not preclude the CPO from later deciding to terminate the Contract in a later notice, which will be final and effective upon the giving of the notice or on such later date set forth in the Default Notice.

When a Default Notice with intent to terminate is given, Contractor must discontinue any Services, unless otherwise directed in the notice.

3.5.3. Remedies
After giving a Default Notice, the City may invoke any or all of the following remedies:

A. The right to take over and complete the Services, or any part of them, at Contractor’s expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the City would have paid Contractor under the terms and conditions of this Contract for the Services that were assumed by the City as agent for Contractor.

B. The right to terminate this Contract as to any or all of the Services yet to be performed effective at a time specified by the City;

C. The right to seek specific performance, an injunction or any other appropriate equitable remedy;

D. The right to seek money damages;

E. The right to withhold all or any part of Contractor’s compensation under this Contract;

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

3.5.4. Non-Exclusivity of Remedies
The remedies under the terms of this Contract are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

3.5.5. City Reservation of Rights
If the CPO considers it to be in the City’s best interests, the CPO may elect not to declare default or to terminate this Contract. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Contract, nor does the City waive or relinquish any of its rights.

3.5.6. Early Termination
The City may terminate this Contract, in whole or in part, at any time by a notice in writing from the City to the Contractor. The effective date of termination will be the date the notice is received by the Contractor or the date stated in the notice, whichever is later.
After the notice is received, the Contractor must restrict its activities, and those of its Subcontractors, to activities pursuant to direction from the City. No costs incurred after the effective date of the termination are allowed unless the termination is partial.

Contractor is not entitled to any anticipated profits on services, work, or goods that have not been provided. The payment so made to the Contractor is in full settlement for all services, work or goods satisfactorily provided under this Contract. If the Contractor disputes the amount of compensation determined by the City to be due Contractor, then the Contractor must initiate dispute settlement procedures in accordance with the Disputes provision.

If the City's election to terminate this Contract for default pursuant to the default provisions of the Contract is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be deemed to be an early termination pursuant to this Early Termination provision.

3.6. Department-specific Requirements
Contractor must comply with the relevant user Department’s specific requirements in the performance of this Contract if applicable.

3.6.1. Department of Aviation Standard Requirements
For purposes of this section "Airport" refers to either Midway International Airport or O’Hare International Airport, which are both owned and operated by the City of Chicago.

3.6.1.1. Confidentiality of Airport Security Data
Contractor has an ongoing duty to protect confidential information, including but not limited to any information exempt from disclosure under the Illinois Freedom of Information Act such as information affecting security of the airport ("Airport Security Data"). Airport Security Data includes any Sensitive Security Information as defined by 49 CFR Part 1520. Contractor acknowledges that information provided to, generated by, or encountered by Contractor may include Airport Security Data. If Contractor fails to safeguard the confidentiality of Airport Security Data, Contractor is liable for the reasonable costs of actions taken by the City, the airlines, the Federal Aviation Administration ("FAA"), or the Transportation Security Administration ("TSA") that the applicable entity, in its sole discretion, determines to be necessary as a result, including without limitation the design and construction of improvements, procurement and installation of security devices, and posting of guards. All Subcontracts or purchase orders entered into by the Contractor, with parties providing material, labor or services to complete the Work, must contain the language of this section. If the Contractor fails to incorporate the required language in all Subcontracts or purchase orders, the provisions of this section are deemed incorporated in all Subcontracts or purchase orders.

3.6.1.2. Aviation Security
This Contract is subject to the airport security requirements of 49 United States Code, Chapter 449, as amended, the provisions of which govern airport security and are incorporated by reference, including without limitation the rules and regulations in 14 CFR Part 107 and all other applicable rules and regulations promulgated under them. All employees providing services at the City’s airports must be badged by the City. (See Airport Security Badges.) Contractor, Subcontractors and the respective employees of each are subject to such employment investigations, including criminal history record checks, as the Administrator of the Federal Aviation Administration ("FAA"), the Under Secretary of the Transportation Security Administration ("TSA"), and the City may deem necessary. Contractor, Subcontractors, their respective employees, invitees and all other persons under the control of Contractor must comply strictly and faithfully with any and all rules, regulations and directions which the Commissioner, the FAA, or the TSA may issue from time to time may issue during the life of this Contract with regard to security, safety, maintenance and operation of the Airport and must promptly report any information regarding suspected violations in accordance with those rules and regulations.
Gates and doors that permit entry into restricted areas at the Airport must be kept locked by Contractor at all times when not in use or under Contractor’s constant security surveillance. Gate or door malfunctions must be reported to the Commissioner without delay and must be kept under constant surveillance by Contractor until the malfunction is remedied.

3.6.1.3. Airport Security Badges

As part of airport operations and security, the Contractor must obtain from the airport badging office Airport Security Badges for each of his employees, subcontractors, material men, invitees or any person(s) over whom Contractor has control, which must be visibly displayed at all times while at the airport. No person will be allowed beyond security checkpoints without a valid Airport Security Badge. Each such person must submit signed and properly completed application forms to receive Airport Security Badges. Additional forms and tests shall be required to obtain Airport Drivers Certification and Vehicle Permits. The application forms will solicit such information as the Commissioner may require in his discretion, including but not limited to name, address, date of birth (and for vehicles, driver’s license and appropriate stickers). The Contractor is responsible for requesting and completing the form for each employee and subcontractor employee who will be working at the Airport and all vehicles to be used on the job site. Upon signed approval of the application by the Commissioner or his designee, the employee will be required to attend a presentation regarding airport security and have his or her photo taken for the badge. The Commissioner may grant or deny the application in his sole discretion. The Contractor must make available to the Commissioner, within one day of request, the personnel file of any employee who will be working on the project.

As provided in Aviation Security above, in order for a person to have an Airport Security Badge, a criminal history record check (CHRC) conducted by the Department of Aviation will also be required. The CHRC will typically include a fingerprint analysis by the Federal Bureau of Investigation and such other procedures as may be required by the TSA.

Airport Security Badges, Vehicle Permits and Drivers Licenses will only be issued based upon properly completed application forms. Employees or vehicles without proper credentials shall be removed from the secured area and may be subject to fine or arrest. Contractor will be jointly and severally liable for any fines imposed on its employees or its Subcontractors employees.

In addition to other rules and regulations, the following rules related to Airport Security Badges, Vehicle Permits and Drivers Licenses must be adhered to:

A. Each person must wear and display his or her Airport Security Badge on their outer apparel at all times while at the airport.

B. All individuals operating a vehicle on the Aircraft Operations Area (AOA) must be familiar and comply with motor driving regulations and procedures of the State of Illinois, City of Chicago and the Department of Aviation. The operator must be in possession of a valid, State-issued Motor Vehicle Operators Driver’s License. All individuals operating a vehicle on the AOA without an escort must also be in possession of a valid Aviation-issued Airport Drivers Permit.

C. All operating equipment must have an Airport Vehicle Access Permit affixed to the vehicle at all times while operating on the Airport. All required City stickers and State Vehicle Inspection stickers must be valid.

D. Individuals must remain within their assigned area and haul routes unless otherwise instructed by the Department of Aviation.

E. The Contractors personnel who function as supervisors, and those that escort the Contractors equipment/operators to their designated work sites, may be required to obtain an added multi-area access designation on their personnel Airport Security Badge which must also be displayed while on the AOA.
3.6.1.4. General Requirements Regarding Airport Operations

3.6.1.4.1. Priority of Airport Operations

Where the performance of the Contract may affect airport operation, the Contractor must cooperate fully with the Commissioner and his representatives in all matters pertaining to public safety and airport operation. Whether or not measures are specifically required by this Contract, the Contractor at all times must maintain adequate protection to safeguard aircraft, the public and all persons engaged in the work and must take such precaution as will accomplish such end, without interference with aircraft, the public, or maintenance and operations of the airport.

The Contractor’s attention is drawn to the fact that airport facilities and infrastructure, including but not limited to runways, taxiways, vehicular roadways, loadways, loading aprons, concourses, holdrooms, gates, and passenger right-of-ways, are being used for scheduled and unscheduled civilian air transportation. Arrivals and departures are under the control of the FAA control tower(s). Use of the Airport for air transportation takes precedence over all of the Contractor’s operations. No extra compensation will be allowed for any delays brought about by the operations of the Airport which require that Contractor’s work must be interrupted or moved from one part of the work site to another.

3.6.1.4.2. Interruption of Airport Operations

If Contractor requires interruption of Airport facilities or utilities in order to perform work, Contractor must notify the Deputy Commissioner in charge of the project at least five (5) working days in advance of such time and must obtain the Deputy Commissioner’s approval prior to interrupting the service. Interruption of service must be kept to an absolute minimum, and to the extent practicable the work which occasions such interruptions must be performed in stages in order to reduce the time of each interruption. In case of interruptions of electrical services, service must be restored prior to sunset of the same day.

Prior to start of work, the Contractor must request of the Deputy Commissioner in charge of the project to provide specific requirements and instructions which are applicable to the particular work site areas, including, but not limited to, areas available for storage of any equipment, materials, tools and supplies needed to perform the work. Contractors must advise the Deputy Commissioner in charge of the project of the volume of equipment, materials, tools, and supplies that will be required in the secured areas of the airport in order to make arrangements for inspection of such equipment, materials, tools, and supplies at a security checkpoint.

3.6.1.4.3. Safeguarding of Airport Property and Operations

The Contractor must not permit or allow its employees, subcontractors, material men, invitees or any other persons over whom Contractor has control to enter or remain upon, or to bring or permit any equipment, materials, tools, or supplies to remain upon any part of the work site if any hazard to aircraft, threat to airport security, or obstruction of airport maintenance and operations, on or off the ground, would be created in the opinion of either the Commissioner or the Deputy Commissioner. Contractors must safeguard, and may be required to account for, all items brought beyond a security checkpoint, especially with respect to tools used in a terminal building.

3.6.1.4.4. Work on the Airfield

For any work on the airfield, between sunset and sunrise, any equipment and materials stored outside must be marked with red obstruction lights acceptable to the Commissioner and in conformity with all FAA requirements, including Advisory Circular 150/5345-43F. All obstruction lights must be kept continuously in operation between sunset and sunrise 7 days a week and also during any daylight periods when aircraft ceiling is below 500 feet and visibility is less than 5 miles. Information on ceiling and visibility may be obtained by the Contractor on request at the office of the Deputy Commissioner of Operations or from the FAA Control Tower.
Operator. Proper compliance with these obstruction light requirements is essential to the protection of aircraft and human life and the Contractor has the responsibility of taking the initiative at all times to be aware of ceiling and visibility conditions, without waiting for the FAA Control Tower Operator or any other City representative to ask the Contractor to post obstruction lights.

For any work on the airfield, the Contractor must furnish aircraft warning flags, colored orange and white, in two sizes, one size 2' x 3' for hand use, and one size 3' x 5'. Each separate group or individual in all work areas, regardless of whether or not near runways, taxiways or aprons, must display a flag which must be maintained vertical at all times. Each truck or other piece of equipment of the Contractor must have attached to it, in a vertical and clearly visible position, a warning flag of the larger size. Except as otherwise agreed by the Commissioner or his designee, all cranes or booms used for construction work on the airfield must be lowered to ground level and moved 200 feet off the runways, taxiways and aprons during all hours of darkness and during all daylight hours when the aircraft ceiling is below the minimums specified in this section.

The Contractor acknowledges the importance of fully complying with the requirements of this section in order to protect aircraft and human life, on or off the ground. Failure on the part of the Contractor to perform the work in accordance with the provisions of this section and to enforce same with regard to all subcontractors, material men, laborers, invitees and all other persons under the Contractor’s control is an event of default.

3.6.1.4.5. Parking Restrictions
Prior to commencing work, the Contractor must provide the Deputy Commissioner in charge of the project with an estimate of the number of vehicles that will require parking. Contractors are encouraged to provide employee parking elsewhere and shuttle their employees to the work site. The Department of Aviation may, but is not required to, provide parking areas for a limited number of vehicles in designated storage areas. All other vehicles must be parked in the public parking lots at the Airport, and there will be no reduced rate or complimentary parking for such vehicles. Employees must not, at any time, park their personal automobiles, no matter how short the duration, in any drive, road, or any other non-parking lot location at the airport. Such vehicles will be subject to immediate towing at the employees expense.

3.6.1.5. General Civil Rights (Airport and Airway Improvement Act of 1982, Section 520)
The contractor agrees that it will comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision binds the contractors from the bid solicitation period through the completion of the contract. This provision is in addition to that required of Title VI of the Civil Rights Act of 1964.

3.6.2. Emergency Management and Communications (OEMC) Security Requirements
3.6.2.1. Identification of Workers and Vehicles
All employees and vehicles working within O.E.M.C facilities must be properly identified. All vehicles and personnel passes will be issued to the Contractor by the Executive Director, as required. Contractor, Subcontractors, and employees must return identification material to the Executive Director upon completion of their respective work within the Project, and in all cases, the Contractor must return all identification material to the Executive Director after completion of the Project. Final Contract Payment will not be made until all passes issued have been returned to O.E.M.C Security.

3.6.2.2. Access to Facilities
For purposes of this section, "employee" refers to any individual employed or engaged by Contractor or by any Subcontractor. If the Contractor, or any employee, in the performance of this
Contract, has or will have access to an Office of Emergency Management and Communications (O.E.M.C) facility, the City may conduct such background and employment checks, including criminal history record checks and work permit documentation, as the Executive Director of the Office of Emergency Management and Communications and the City may deem necessary, on the Contractor, any Subcontractor, or any of their respective employees. The Executive Director of the Office of Emergency Management and Communications has the right to require the Contractor to supply or provide access to any additional information the Executive Director deems relevant. Before beginning work on the project, Contractor must:

Provide the City with a list of all employees requiring access to enable the City to conduct such background and employment checks;

Deliver to the City consent forms signed by all employees who will work on the project consenting to the City's and the Contractor's performance of the background checks described in this Section; and

Deliver to the City consent forms signed by all employees who will require access to the O.E.M.C facility consenting to the searches described in this Section.

The Executive Director may preclude Contractor, any Subcontractor, or any employee from performing work on the project. Further, the Contractor must immediately report any information to the Executive Director relating to any threat to O.E.M.C infrastructure or facilities or the water supply of the City and must fully cooperate with the City and all governmental entities investigating the threat. The Contractor must, notwithstanding anything contained in the Contract Documents to the contrary, at no additional cost to the City, adhere, and cause its Subcontractors to adhere, to any security and safety guidelines developed by the City and furnished to the Contractor from time to time during the term of the Contract and any extensions of it.

Each employee whom Contractor wishes to have access to an O.E.M.C facility must submit a signed, completed "Area Access Application" to the O.E.M.C to receive a O.E.M.C Security Badge. If Contractor wishes a vehicle to have access to a O.E.M.C facility, Contractor must submit a vehicle access application for that vehicle. The applications will solicit such information as the Executive Director may require in his discretion, including name, address, date of birth (and for vehicles, driver's license and appropriate stickers). The Contractor is responsible for requesting and completing these forms for each employee who will be working at O.E.M.C facilities and all vehicles to be used on the job site. The Executive Director may grant or deny the application in his sole discretion. The Contractor must make available to the Executive Director, within one (1) day of request, the personnel file of any employee who will be working on the project.

At the Executive Director's request, the Contractor and Subcontractor must maintain an employment history of employees going back five years from the date Contractor began Work or Services on the project. If requested, Contractor must certify that it has verified the employment history as required on the form designated by the Executive Director. Contractor must provide the City, at its request, a copy of the employment history for each employee. Employment history is subject to audit by the City.

3.6.2.3. Security Badges and Vehicle Permits
O.E.M.C Security Badges and Vehicle Permits will only be issued based upon properly completed Area Access Application Forms. Employees or vehicles without proper credentials will not be allowed on O.E.M.C property.

The following rules related to Security Badges and Vehicle Permits must be adhered to:

A. Each employee must wear and display the O.E.M.C Security Badge issued to that employee on his or her outer apparel at all times.

B. At the sole discretion of the Executive Director and law enforcement officials, including but not limited to the Chicago Police Department, Cook County Sheriff’s Office, Illinois State
Police or any other municipal, state or federal law enforcement agency, all vehicles (and their contents) are subject to interior and/or exterior inspection entering or exiting O.E.M.C facilities, and all employees and other individuals entering or exiting O.E.M.C facilities are subject to searches. Vehicles may not contain any materials other than those needed for the project. The Executive Director may deny access to any vehicle or individual in his sole discretion.

C. All individuals operating a vehicle on O.E.M.C property must be familiar and comply with motor driving regulations and procedures of the State of Illinois and the City of Chicago. The operator must be in possession of a valid, state-issued Motor Vehicle Operator’s Driver License.

D. All required City stickers and State Vehicle Inspection stickers must be valid.

E. Individuals must remain within their assigned area and haul routes unless otherwise instructed by the City.

F. Access to the Work sites will be as shown or designated on the Contract Documents Drawings or determined by the Executive Director. The Executive Director may deny access when, in his sole discretion, the vehicle or individual poses some security risk to O.E.M.C.

3.6.2.4. Gates and Fences
Whenever the Contractor receives permission to enter O.E.M.C property in areas that are exit/entrance points not secured by the City, the Contractor may be required to provide gates that comply with O.E.M.C design and construction standards. Contractor must provide a licensed and bonded security guard, subject to the Executive Director’s approval and armed as deemed necessary by the Executive Director, at the gates when the gates are in use. O.E.M.C Security will provide the locks. Failure to provide and maintain the necessary security will result in an immediate closure by O.E.M.C personnel of the point of access.

Stockpiling materials and parking of equipment or vehicles near O.E.M.C security fencing is prohibited.

Any security fencing, gates, or alarms damaged by the Contractor or its Subcontractors must be manned by a licensed and bonded security guard of the Contractor at Contractor’s expense until the damaged items are restored. Contractor must restore them to their original condition within an eight (8) hour period from the time of notice given by the Executive Director.

Temporary removal of any security fencing, gate or alarm to permit construction must be approved by the Executive Director, and Contractor must man the site by a licensed and bonded security guard, approved by and armed as deemed necessary by the Executive Director, at Contractor’s expense, on a twenty-four (24) hour basis during the period of temporary removal. Contractor must restore the items removed to their original condition when construction is completed.

3.6.2.5. Hazardous or Illegal Materials
Unauthorized hazardous or illegal materials, including but not limited to hazardous materials as defined in 49 C.F.R. Parts 100-185 (e.g. explosives, oxidizers, radiological materials, infectious materials), contraband, firearms and other weapons, illegal drugs and drug paraphernalia, may not be taken on O.E.M.C property. Alcoholic beverages are also prohibited.

3.6.3. Chicago Police Department Security Requirements
As part of Police operations and security, the Contractor must obtain from the Police Department, Security Badges for each of its employees, subcontractors, material men, invitees or any person(s) over whom Contractor has control, which must be visibly displayed at all times while at any Police Department facility. No person will be allowed beyond security checkpoints without a valid Security Badge. Each such person must submit signed and properly completed application forms to receive
Security Badges. The application forms will solicit such information as the Superintendent may require; including but not limited to name, address, date of birth (driver’s license). The Contractor is responsible for requesting and completing the form for each employee and subcontractors employee. The Superintendent may grant or deny the application in his sole discretion. The Contractor must make available to the Superintendent, within one (1) day of request, the personnel file of any employee who will be working on the project.

In addition to other rules and regulations, the following rules related to Security Badges, must be adhered to:

A. Each person must wear and display his or her Security Badge on their outer apparel at all times while at any Chicago Police Department facility.

B. Individuals must remain within their assigned area unless otherwise instructed by the Chicago Police Department.

3.6.4. Department of Water Management (“DOWM”) Security Requirements

3.6.4.1. Identification of Workers and Vehicles

All employees and vehicles working within DOWM facilities must be properly identified. All vehicles and personnel passes will be issued to the Contractor by the Commissioner, as required. Contractor, Subcontractors, and employees must return identification material to the Commissioner upon completion of their respective work within the Project, and in all cases, the Contractor must return all identification material to the Commissioner after completion of the Project. Final Contract Payment will not be made until all passes issued have been returned to DOWM Security.

3.6.4.2. Access to Facilities

For purposes of this section, "employee" refers to any individual employed or engaged by Contractor or by any Subcontractor. If the Contractor, or any employee, in the performance of this Contract, has or will have access to a Department of Water Management (DOWM) facility, the City may conduct such background and employment checks, including criminal history record checks and work permit documentation, as the Commissioner of the Department of Water Management and the City may deem necessary, on the Contractor or any Subcontractor, or any of their respective employees. The Commissioner of the Department of Water Management has the right to require the Contractor to supply or provide access to any additional information the Commissioner deems relevant. Before beginning work on the project, Contractor must:

Provide the City with a list of all employees requiring access to enable the City to conduct such background and employment checks;

Deliver to the City consent forms signed by all employees who will work on the project consenting to the City’s and the Contractor’s performance of the background checks described in this Section; and

Deliver to the City consent forms signed by all employees who will require access to the DOWM facility consenting to the searches described in this Section.

The Commissioner may preclude Contractor, any Subcontractor, or any employee from performing work on the project. Further, the Contractor must immediately report any information to the Commissioner relating to any threat to DOWM infrastructure or facilities or the water supply of the City and must fully cooperate with the City and all governmental entities investigating the threat. The Contractor must, notwithstanding anything contained in the Contract Documents to the contrary, at no additional cost to the City, adhere, and cause its Subcontractors to adhere, to any security and safety guidelines developed by the City and furnished to the Contractor from time to time during the term of the Contract and any extensions of it.

3.6.4.3. Security Badges and Vehicle Permits

Each employee whom Contractor wishes to have access to a DOWM facility must submit a signed, completed "Area Access Application" to the DOWM to receive a DOWM Security Badge. If
Contractor wishes a vehicle to have access to a DOWM facility, Contractor must submit a vehicle access application for that vehicle. The applications will solicit such information as the Commissioner may require in his discretion, including name, address, date of birth (and for vehicles, driver’s license and appropriate stickers). The Contractor is responsible for requesting and completing these forms for each employee who will be working at DOWM facilities and all vehicles to be used on the job site. The Commissioner may grant or deny the application in his sole discretion. The Contractor must make available to the Commissioner, within one (1) day of request, the personnel file of any employee who will be working on the project.

At the Commissioner’s request, the Contractor and Subcontractor must maintain an employment history of employees going back five years from the date Contractor began Work or Services on the project. If requested, Contractor must certify that it has verified the employment history as required on the form designated by the Commissioner. Contractor must provide the City, at its request, a copy of the employment history for each employee. Employment history is subject to audit by the City.

DOWM Security Badges and Vehicle Permits will only be issued based upon properly completed Area Access Application Forms. Employees or vehicles without proper credentials will not be allowed on DOWM property.

The following rules related to Security Badges and Vehicle Permits must be adhered to:

A. Each employee must wear and display the DOWM Security Badge issued to that employee on his or her outer apparel at all times.

B. At the sole discretion of the Commissioner and law enforcement officials, including but not limited to the Chicago Police Department, Cook County Sheriff’s Office, Illinois State Police or any other municipal, state or federal law enforcement agency, all vehicles (and their contents) are subject to interior and/or exterior inspection entering or exiting DOWM facilities, and all employees and other individuals entering or exiting DOWM facilities are subject to searches. Vehicles may not contain any materials other than those needed for the project. The Commissioner may deny access to any vehicle or individual in his sole discretion.

C. All individuals operating a vehicle on DOWM property must be familiar and comply with motor driving regulations and procedures of the State of Illinois and the City of Chicago. The operator must be in possession of a valid, state-issued Motor Vehicle Operator’s Driver License.

D. All required City stickers and State Vehicle Inspection stickers must be valid.

E. Individuals must remain within their assigned area and haul routes unless otherwise instructed by the City.

F. Access to the Work sites will be as shown or designated on the Contract Documents Drawings or determined by the Commissioner. The Commissioner may deny access when, in his sole discretion, the vehicle or individual poses some security risk to DOWM.

3.6.4.4. Gates and Fences
Whenever the Contractor receives permission to enter DOWM property in areas that are exit/entrance points not secured by the City, the Contractor may be required to provide gates that comply with DOWM design and construction standards. Contractor must provide a licensed and bonded security guard, subject to the Commissioner’s approval and armed as deemed necessary by the Commissioner, at the gates when the gates are in use. DOWM Security will provide the locks. Failure to provide and maintain the necessary security will result in an immediate closure by DOWM personnel of the point of access.
Stockpiling materials and parking of equipment or vehicles near DOWM security fencing is prohibited.

Any security fencing, gates, or alarms damaged by the Contractor or its Subcontractors must be manned by a licensed and bonded security guard of the Contractor at Contractor's expense until the damaged items are restored. Contractor must restore them to their original condition within an eight (8) hour period from the time of notice given by the Commissioner.

Temporary removal of any security fencing, gate or alarm to permit construction must be approved by the Commissioner, and Contractor must man the site by a licensed and bonded security guard, approved by and armed as deemed necessary by the Commissioner, at Contractor's expense, on a twenty-four (24) hour basis during the period of temporary removal. Contractor must restore the items removed to their original condition when construction is completed.

3.6.4.5. Hazardous or Illegal Materials
Unauthorized hazardous or illegal materials, including but not limited to hazardous materials as defined in 49 C.F.R. Parts 100-185 (e.g. explosives, oxidizers, radiological materials, infectious materials), contraband, firearms and other weapons, illegal drugs and drug paraphernalia, may not be taken on DOWM property. Alcoholic beverages are also prohibited.
ARTICLE 4. TERMS FOR PROFESSIONAL SERVICES

4.1. Providing Services
The Contractor must not honor any verbal requests for Services or perform or bill for any Services or Additional Services without receipt of a written Purchase Order issued by the Department. Any work performed by the Contractor without a written Purchase Order is done at the Contractor’s risk. Consequently, in the event a written Purchase Order is not provided by the City, the Contractor releases the City from any liability whatsoever to pay for any work performed provided without a Purchase Order.

4.2. Standard of Performance
Contractor must perform all Services required of it under this Contract with that degree of skill, care and diligence normally shown by a Contractor in the community performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Contract. Contractor acknowledges that it may be entrusted with or may have access to valuable and confidential information and records of the City and, with respect to that information only, Contractor agrees to be held to the standard of care of a fiduciary. The design of the Program shall meet the City’s requirements as requested by CDA throughout the development of the design and design documents, including but not limited to space and functionality requirements, quality levels for various spaces, system performance criteria and aesthetics.

Contractor must ensure that all Services are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Contractor must provide the City copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Contract, including but not limited to the Scope of Services.

If Contractor fails to comply with the foregoing standards, Contractor must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the City does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the City’s rights against Contractor either under this Contract, at law or in equity.

Contractor shall not have control over, or charge of, and shall not be responsible for, construction means, methods, schedules, or delays, or for safety precautions and programs in connection with construction work performed by others.

To the extent they exist, the City may furnish structural, mechanical, chemical, air, and water pollution and hazardous materials tests, and other laboratory and environmental tests, inspections, and reports required by law or by authorities having jurisdiction over any work, or reasonably requested by Contractor.

In the event Contractor’s Services include any remodeling, alteration, or rehabilitation work, City acknowledges that certain design and technical decisions shall be made on assumptions based on available documents and visual observations of existing conditions.

4.3. Deliverables
In carrying out its Services, Contractor must prepare or provide to the City various Deliverables. “Deliverables” include work product produced by Contractor, including but not limited to written reviews, reports, recommendations, charts, analysis, designs, plans, specifications, drawings, or other similar products.

The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Contract or reasonably necessary for the purpose for which the City made this Contract. If the City discovers that Contractor has failed to comply with the foregoing standards, the City has 30 days from the discovery to notify Contractor of its failure. If Contractor does not
correct the failure within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as an event of default.

Partial or incomplete Deliverables may be reviewed only when required for a specific and well-defined purpose for the benefit of the City and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Contract and the City’s acceptance of partial or incomplete Deliverables in no way relieves Contractor of its commitments under this Contract.

4.4. Additional Services
Additional Services means those Services which are within the general scope of Services of this Contract, but beyond the description of services in the Detailed Specifications and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Contract. Any Additional Services requested by the Department require the approval by the City through a formal amendment pursuant to Section 1.4.9 of the Standard Terms and Conditions before Contractor is obligated to perform those Additional Services and before the City becomes obligated to pay for those Additional Services. Payment for Additional Services shall be subject to the hourly rates set forth in Exhibit 8 or a mutually agreed upon lump sum amount.

4.5. Timeliness of Performance
Contractor must provide the Services and Deliverables within the term and within the time limits required under this Contract, pursuant to Detailed Specifications or as specified in the applicable Purchase Order. Further, Contractor acknowledges that TIME IS OF THE ESSENCE and that the failure of Contractor to comply with the time limits may result in economic or other losses to the City.

Neither Contractor nor its agents, employees or Subcontractors are entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by Contractor by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

4.6. Suspension
The City may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Contractor upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions of this Contract.

No suspension of this Contract is permitted in the aggregate to exceed a period of 45 days within any one year of this Contract. If the total number of days of suspension exceeds 45 days, Contract by written notice to the City may treat the suspension as an early termination of this Agreement under the "Standard Terms and Conditions."

4.7. Personnel
4.7.1. Sufficient Staffing
Attached to Exhibit 1, Scope of Services, is a list of Contractor’s Key Personnel performing Services for the Program and all Key Personnel of Subcontractors, to the extent applicable. Contractor shall be responsible for the Services and the coordination of its employees and Subcontractor as set forth in this Contract, including but not limited to Exhibit 1. Contractor shall require each Subcontractor, to the extent of the Services to be performed by the Subcontractor, to be bound by and to assume toward Contractor all the obligations and responsibilities which Contractor, by the Contract, assumes toward the City. Contractor acknowledges and agrees that the designation and dedication of such Key Personnel, Subcontractors, and Subcontractors’ Key Personnel and the availability of all such persons to work on the Program is a material inducement to the City entering into the Contract. The City reserves the right to request the removal of any of Contractor’s employees of any level (including Subcontractor
employees) and any Subcontractors who, in the sole discretion of the City, are not properly performing their duties or are interfering with the completion of the Services. No increase in compensation to Contractor or extension of time for Contractor’s performance under this Contract shall result from such removal of employees or Subcontractors. Contractor must assign and maintain during the term of this Contract and any extension of it a fully sufficient staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services for the term of the Contract. The level of staffing may be revised from time to time by notice in writing from Contractor to the City with a detailed explanation and/or justification only with prior written consent of the Commissioner, which consent the Commissioner will not withhold unreasonably. The City may also from time to time request that the Contractor adjust staffing levels to reflect workload and level of required Services or Additional Services.

4.7.2. Key Personnel
In selecting the Contractor for this Contract the City relied on the qualifications and experience of those persons identified by Contractor by name as performing the Services ("Key Personnel"). Contractor must not reassign or replace Key Personnel without the written consent of the Commissioner, which consent the Commissioner will not unreasonably withhold. Removal of Architect or Subcontractor Key Personnel from the Program without the written consent of the City shall constitute an event of default. The Commissioner may at any time in writing notify Contractor that the City will no longer accept performance of Services under this Contract by one or more Key Personnel. Upon that notice Contractor must immediately suspend the services of such person(s) and provide a replacement of comparable qualifications and experience who is acceptable to the Commissioner. Contractor’s Key Personnel, if any, are identified in the Scope of Services / Detailed Specifications portion of this Contract.

4.7.3. Salaries and Wages
Contractor and any subcontractors must pay all salaries and wages due all employees performing Services under this Contract unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Contract Contractor underpays any such salaries or wages, the Comptroller for the City may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this paragraph is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

4.8. Ownership of Documents
Except as otherwise agreed to in advance by the Commissioner in writing, all Deliverables, data, findings or information in any form prepared or provided by Contractor or provided by City under this Contract are property of the City, including all copyrights inherent in them or their preparation. During performance of its Services, Contractor is responsible for any loss or damage to the Deliverables, data, findings or information while in Contractor’s or any Subcontractor’s possession. Any such lost or damaged Deliverables, data, findings or information must be restored at Contractor’s expense. If not restorable, Contractor must bear the cost of replacement and of any loss suffered by the City on account of the destruction. Notwithstanding the foregoing, Contractor shall retain all rights to its standard details and specifications and proprietary software, and nothing in this section shall be construed to be a transfer of rights which are not owned by Contractor.

4.9. Copyright Ownership and other Intellectual Property
Contractor and the City intend that, to the extent permitted by law, the Deliverables to be produced by Contractor at the City’s instance and expense under this Contract are conclusively considered "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 et seq., and that the City will be the sole copyright owner of the Deliverables and of aspects, elements and
components of them in which copyright can subsist, and which are owned and transferable by, and of all
days to apply for copyright registration or prosecute any claim of infringement. To the extent that any
Deliverable does not qualify as a "work made for hire", Contractor hereby irrevocably grants, conveys,
bargains, sells, assigns, transfers and delivers to the City, its successors and assigns, all right, title and interest
in and to the copyright and all U.S. and foreign copyright registrations, copyright applications and copyright
renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables
prepared for the City under this Contract and all goodwill relating to them, free and clear of any liens, claims
or other encumbrances, to the fullest extent permitted by law. Notwithstanding the foregoing, Contractor
shall retain all rights to its standard details and specifications and proprietary software, and nothing in this
section shall be construed as a transfer of rights, which are not owned by Contractor. Contractor shall have
no liability or duty whatsoever for any modification or change of the Deliverables or work, without
Contractor’s direct involvement and consent.

Contractor will, and will cause all of its Subcontractors, employees, agents and other persons within its
control to, execute all documents and perform all acts that the City may reasonably request in order to assist
the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the
City. Contractor warrants to the City, its successors and assigns, that, on the date of delivery, except as
expressly stated otherwise in writing to the Commissioner or before that date: (a) Contractor will be the
lawful owner of good and marketable title in and to the copyrights for the Deliverables it prepared, (b)
Contractor will have the legal rights to fully assign the copyrights, (c) Contractor will not assign any
copyrights and will not grant any licenses, exclusive or nonexclusive, to any other party (except pursuant to
(3) below), (d) Contractor is not a party to any other agreements or subject to any other restrictions with
respect to the Deliverables, (e) the Deliverables will be complete, entire and comprehensive within the
standard of performance under Section 2.3 of this Contract, and (f) the Deliverables will constitute works of
original authorship.

4.9.1. Patents
If any invention, improvement, or discovery of the Contractor or its Subcontractors is conceived or first
actually reduced to practice during performance of or under this Contract, and that invention,
improvement, or discovery is patentable under the laws of the United States of America or any foreign
country, the Contractor must notify the City immediately and provide the City a detailed report
regarding such invention, improvement, or discovery. If the City determines that patent protection for
such invention, improvement, or discovery should be sought, Contractor agrees to seek patent
protection for such invention, improvement, or discovery and to fully cooperate with the City
throughout the patent process. The Contractor must transfer to the City, at no cost, the patent in any
invention, improvement, or discovery developed under this Contract and any patent rights to which the
Contractor purchases ownership with funds provided to it under this Contract.

4.9.2. Indemnity
Without limiting any of its other obligations under this Contract and in addition to any other obligations
to indemnity under this Contract, Contractor must, upon request by the City, indemnify, save, and hold
harmless the City, and if this Contract is federally funded the Federal Government, and their respective
officers, agents, and employees acting within the scope of their original duties against any liability,
including costs and expenses, resulting from any willful or intentional violation by the Contractor of
proprietary rights, copyrights, or right of privacy, arising out of the publication, translation,
reproduction, delivery, use or disposition of any Deliverables furnished under the Contract. The
Contractor is not required to indemnify the City or Federal Government for any such liability arising out
of the wrongful acts of employees or agents of the City or Federal Government.

4.10. Approvals
Whenever Contractor is required to obtain prior written approval, the effect of any approval that may be
granted pursuant to Contractor’s request is prospective only from the later of the date approval was
requested or the date on which the action for which the approval was sought is to begin. In no event is
approval permitted to apply retroactively to a date before the approval was requested.
4.11. Cooperation
Contractor must at all times cooperate fully with the City and act in the City's best interests. If this Contract is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to assure an orderly transition to another provider of the services, if any, orderly demobilization of its own operations in connection with the services, uninterrupted provision of services during any transition period and must otherwise comply with the reasonable requests and requirements of the City in connection with the termination or expiration.

4.12. Compliance with the Americans with Disabilities Act and Other Laws Concerning Accessibility
Contractor covenants that all designs, plans and drawings produced or utilized under this Contract will address and comply with all federal, state and local laws and regulations regarding accessibility standards for persons with disabilities or environmentally limited persons including the following: the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 et seq. and the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities ("ADAAG"); the Architectural Barriers Act, Pub. L. 90-480 (1968), and the Uniform Federal Accessibility Standards ("UFAS"); and the Illinois Environmental Barriers Act, 410 ILCS 25/1 et seq., and all regulations promulgated thereunder, see Illinois Administrative Code, Title 71, Chapter 1, Section 400.110. If the above standards are inconsistent, Contractor must assure that its designs, plans, and drawings comply with the standard providing the greatest accessibility. Also, Contractor must, prior to construction, review the plans and specifications to insure compliance with these standards. If Contractor fails to comply with the foregoing standards, the City may, without limiting any of its remedies set forth in this contract or otherwise available at law, in equity or by statute, require Contractor to perform again, at no expense, all services required to be re-performed as a direct or indirect result of such failure.

4.13. Reimbursement for Travel
In the event that reimbursable travel is required for this contract and authorized by the City, any travel expenses will reimbursed only in accordance with the then-current City of Chicago Travel Reimbursement Guidelines. The Guidelines may be downloaded from the Internet at: http://www.cityofchicago.org/Forms. The direct link is: http://www.cityofchicago.org/content/dam/city/depts/dps/ContractAdministration/Forms/CityofChicago_TravelGuidelines.pdf.

The City has entered into the PLA with various trades regarding projects involving construction, demolition, maintenance, rehabilitation, and/or renovation work, as described in the PLA, a copy of which may be found on the City’s website at: http://www.cityofchicago.org/dam/city/depts/dps/RulesRegulations/Multi-ProjectLaborAgreement-PLAandSignatoryUnions.pdf.

To the extent that this Contract involves a project that is subject to the PLA, Contractor acknowledges familiarity with the requirements of the PLA and its applicability to any Work under this Contract, and shall comply in all respects with the PLA.
ARTICLE 5. SCOPE OF WORK AND DETAILED SPECIFICATIONS

5.1. Scope of Services
This Contract is for Lead Architectural Design Services – Terminal Area Plan ("TAP") – for the O’Hare 21 Program.

More specifically, the Services that Contractor must provide are described in Exhibit 1, "Scope of Services."

This description of Services is intended to be general in nature and is neither a complete description of Contractor’s Services nor a limitation on the Services that Contractor is to provide under this Contract.

5.2. List of Key Personnel
Key Personnel are listed in Exhibit 1.

5.3. Term of Performance

EXHIBIT 6: SEXUAL HARASSMENT POLICY AFFIDAVIT (SECTION 2-92-612)

The policy prohibiting sexual harassment as described in Section 2-92-612 of the Municipal Code of Chicago ("MCC") is applicable to contracts paid from funds belonging to or administered by the City.

Contract title: ________________________________________________
Specification #: __________________________

In accordance with requirements set forth in Section 2-92-612 of the MCC, Contractor hereby attests that Contractor has a written policy prohibiting sexual harassment that includes, at a minimum, the following information:

(i) the illegality of sexual harassment;
(ii) the definition of sexual harassment; and
(iii) the legal recourse available for victims of sexual harassment.

Contractor understands that it may be required to produce records to the CPO to verify the information provided.

Under penalty of perjury the person signing below: (1) warrants that he/she is authorized to execute this Affidavit on behalf of Contractor, and (2) warrants that all certifications and statements contained in this Affidavit are true, accurate, and complete as of the date of execution.
