The Department of Streets and Sanitation is requesting an Emergency Approval for PVC Conduit. The current Contractor, Evergreen Supply Company, requested a price increase that was not per the Contract Terms and Conditions. We currently have no contract for this product. The Bureau of Electricity must have the cable for the Chicago Marine Safety Unit, which is a Homeland Security issue.

Attached is the quotation from Efengee Electrical Supply for this emergency request. Please authorize an emergency approval for \$39,999.00.

Your prompt attention to this matter is appreciated.
