SUBJECT: Request for Emergency Authorization
FMPS Requisition: 27473
Description: Mid Mount Silver Fixtures

The Department of Streets and Sanitation is requesting an Emergency Contract in the amount of \$244,720.00. These products are needed to provide services for the Aldermanic Menu and to proceed with the 2006 Residential Lighting Program.

The City had a contract in place for these items, however, that vendor went out of business and we were left with no other means to procure these critical needs. The Mid Mount Fixture is what allows the pole to be illuminated. The Department has the poles and the arms, however, without these fixtures we can not light the street.

Attached please find 3 price quotations. We are recommending Chicago United Industries, LTD due to the fact that they supplied the lowest quotation.

Please contact Lisa Miller at 744-4667 if you have any questions.

I certify that this emergency poses a clear and imminent danger, requiring immediate procurement of services, supplies or equipment to prevent or mitigate the loss or impairment of life, health, property, or essential public services and would not have been avoided by due care and diligence.

Thank you for your assistance

Lisa M. Miller
Assistant to the Commissioner
