MEMORANDUM

TO: Jamie Rhee
Chief Procurement Officer
Department of Procurement Services

ATTN: James Bracewell

FROM: Robert Richardson for Thomas G. Byrne
Thomas G. Byrne, Commissioner
Department of Streets and Sanitation

SUBJECT: Emergency Telephone Bid for Ice and Snow
Safety Traction Cleats
Specification Number 94325
FMPS Requisition Number 56716

DATE: January 24, 2011

Per attached letter, Every Bloomin Industrial cannot provide the Trekker Ice and Snow Safety Traction Cleats on Specification Number 87425 Purchase Order Number 23022.

Due to the fact Every Bloomin Industrial Supply's ice and snow safety traction cleats did not meet the requirement's detailed specifications, the Department of Streets and Sanitation respectfully requests an Emergency Telephone Bid as soon as possible.

With the department in the middle of the snow season, only ten (10) pairs of safety cleats in inventory, and several wards placing requests for safety cleats, it is imperative that this requirement be rebid as soon as possible.

This will provide the laborers and motor truck drivers with increased traction on snow and ice while reducing the number of snow and ice-related injuries.

If you have any questions or need additional information, please contact Valleta Smith at (312) 744-2881.
