JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: JTP209.A
Project #: M-3-004
Project Name: DSS VRS (Vehicular Restraint System)
Project Location: Citywide

1. Please describe the major features of this project:

Closing off access to vacant City Lots for the Department of Streets & Sanitation, Lot Cleaning Program.

2. Please explain why this project could not be bid using the City’s traditional bid process and the need to use JOC procurement system:

Term Agreement Vendor defaulted and program must continue.

3. If this project is a one trade project, please provide additional explanation of why it would be in the City’s best interest to do the project under JOC.

This project requires specific equipment and trades, which can only be provided by the JOC contractor, until a new term agreement vendor is bid.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:

No term agreement in place.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.
