**UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS**

For all proposed projects please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5.

(Attach to the MOA)

**1. Please describe the major features of the project:**

The scope of work to be performed under this sub-order shall include installation of seven hundred linear feet of wrought iron fencing.

**2. Please explain why this project could not be bid using the City's traditional bid process and the need to use the JOC procurement system:**

The J.O.C. procurement system is advantageous due to the minimal scope of work for this project. All items to be constructed under this sub-order must be completed in 2003. If the traditional bid process was used this completion date would not be met.

**3. If this project is a one trade project, please provide additional explanation of why it would be in the City's best interest to do the project under JOC:**

Not Applicable

**4. If it is anticipated that over 25% of the project will be non-prepriced, please provide an explanation on why JOC should be used:**

Not Applicable

**5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, these elements should be removed from the JOC project scope of work. If it is not desirable to do so, please explain:**

Purchasing has determined Landscape Term Agreements can not be used for the purpose of construction.

---

On October 8, 2003, CDOT requested a fencing proposal from Fence Builders of Illinois (see attachment) with whom the City has a term agreement. Fence Builders was unable to provide the items specified by the CDOT plans. These items are not covered under their term agreement. Therefore, we are requesting to utilize the Job Order Contract for this project as originally proposed.

Please contact Kris Sorich at 742-0953 with any questions or concerns.  
Thank you for your assistance.

Dear Ms. Lindeman:

[www.cityofchicago.org/transportation](http://www.cityofchicago.org/transportation)

Through your Term Agreement with the City of Chicago, the Chicago Department of Transportation ("CDOT") is seeking a proposal for fencing as shown on the enclosed plans.

Three sizes of fencing and two gate sizes are specified. The proposed plans have been marked accordingly with the exact locations of the respective sizes.

Please provide a proposal to CDOT Bureau of Highways by Wednesday, October 15, 2003.

If there are any questions or concerns, please contact Kris Sorich at 312-742-0953 or Rob Deming of Civiltech Engineering at 312-726-5910.

Sincerely,

Maureen Pikarski
