F01a JOC MOA
For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project:
   Repair interior stairs that have the risers rusting thru. Repair the rear stairs that have a wooden hand rail missing and middle hand rail loose.

2. Please explain why this project could not be bid using the City’s traditional bid process, and the need to use JOC procurement system:
   The stairs that have rusted risers and the rear stairs that have missing hand rails are dangerous and present a safety hazard and therefore should be repaired as soon as possible. The JOC procurement method presents the most expeditious manner to correct this situation.

3. If this project is a one trade project, please provide additional explanation of why it would not be in the City’s best interest to do the project under JOC.
   Multiple trade project.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, please provide an explanation on why JOC should be used:
   No non-prepriced items anticipated.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, these elements should be removed from the JOC project.
