FD01a JOC MOA
THE DEPARTMENT OF GENERAL SERVICES
JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

CFD Engine Co. 125
2323 N. Natchez

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project:
   Upgrade 2nd floor officer’s bathroom by replacing existing fixtures, shower, floor and wall tile, exhaust fan and lighting.

2. Please explain why this project could not be bid using the City’s traditional bid process, and the need to use JOC procurement system:
   Upgrades of fire station washroom facilities and to provide better living and working quarters for all fireman is a city initiative. The JOC procurement method is the quickest and most efficient way to upgrade the fire stations slated for these improvements.

3. If this project is a one trade project, please provide additional explanation of why it would not be in the City’s best interest to do the project under JOC.
   Multiple trade project.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, please provide an explanation on why JOC should be used:
   No non-prepriced items anticipated.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, these elements should be removed from the JOC project.
