JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

Bethel New Life
4316 West End

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project:
Replace broken glass in certain windows and install new light fixtures at front entry doors of the homeless shelter.

2. Please explain why this project could not be bid using the City’s traditional bid process, and the need to use JOC procurement system:
The Department of Human Services has requested that DGS upgrade certain apartment building units and certain areas within the building to a safe and healthy living condition. The JOC procurement method is the most efficient way to complete this project in a timely manner.

3. If this project is a one trade project, please provide additional explanation of why it would not be in the City’s best interest to do the project under JOC. Multiple trade project.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, please provide an explanation on why JOC should be used:
No non-prepriced items anticipated.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, these elements should be removed from the JOC project.
