JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

CFD Engine Co. 64
7659 S. Pulaski

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project:
Furnish and install window shades and window blinds at Engine Company 64 and for the Rapid Response facility at Honore and Pershing.

2. Please explain why this project could not be bid using the City's traditional bid process, and the need to use JOC procurement system:
These stations are in a non-residential area and shades were never included with the new windows, additional privacy is required and by using the JOC procurement method this can be accomplished in a prompt manner.

3. If this project is a one trade project, please provide additional explanation of why it would not be in the City's best interest to do the project under JOC. Multiple trade project.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, please provide an explanation on why JOC should be used:
No non-prepriced items anticipated.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, these elements should be removed from the JOC project.

Subject: Engine Company 64 New Shades

When a previous project manager had new windows installed, shades were not included. This station is on a busy street and lack of shades has been noticed by a deputy fire commissioner. We are requesting these be done by a JOC contractor to provide uniformity to all the fire stations and this work has already been measured and quoted.

Dick
