Utilizing JOC for City Construction Projects

EC 78
1052 West Waveland
JUP 828A

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project:
Upgrade the first floor bathroom.

2. Please explain why this project could not be bid using the City’s traditional bid process, and the need to use JOC procurement system:
The existing first floor bathroom fixtures are leaking and deteriorated, thus requiring replacement.
The JOC procurement method presents the most expeditious manner to correct this situation.

3. If this project is a one trade project, please provide additional explanation of why it would not be in the City’s best interest to do the project under JOC.
Multiple trade project.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, please provide an explanation on why JOC should be used:
No non-prepriced items anticipated.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, these elements should be removed from the JOC project.
