JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

Fire Academy South
1338 S. Clinton
Project No.: JTP547A

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project:
   Remove deteriorated carpet and replace with vinyl tile form certain offices, classrooms and corridors. Paint certain rooms and develop the existing drill room into offices.

2. Please explain why this project could not be bid using the City’s traditional bid process, and the need to use JOC procurement system:
   The Fire Department has requested certain upgrades and improvements and the development of offices from the existing drill room. The JOC procurement method presents the most expeditious manner to upgrade this building.

3. If this project is a one trade project, please provide additional explanation of why it would not be in the City’s best interest to do the project under JOC.
   Multiple trade project.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, please provide an explanation on why JOC should be used:
   No non-prepriced items anticipated.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, these elements should be removed from the JOC project.
