F01a JOC MOA
THE DEPARTMENT OF GENERAL SERVICES
JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECT

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: JUP755.A
Project #: L-2-026
Project Name: CPD Area 3 NFII Landscaping
Project Location: 3245 N. Campbell Ave.

1. Please describe the major features of this project:
   This is a NFII project to improve the landscaping and parking lot area of the facility.

2. Please explain why this project could not be bid using the City’s traditional bid process and the need to use JOC procurement method.
   This repair must be made as soon as possible in order to minimize further damage to the affected areas from the winter months as well as to provide a level of further security by removing and/or trimming the trees which are on the roof line.

3. If this project is a one trade project, please provide additional explanation of why it would be in the City’s best interest to do the project under JOC.
   The is a multi-trade project.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:
   We do not anticipate over 25% NPP items.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.
   The city does not have a term agreement vendor for this work.
