JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: JTP232.A/P-3-015
Project #: P-3-015
Project Name: 911 Atrium
Project Location: 1411 W. Madison

1. Please describe the major features of this project:
   Install new flooring after removal of existing, provide and install new light fixtures including pendant lights, repaint space and provide and install furniture and landscaping (not available under term agreements).

2. Please explain why this project could not be bid using the City’s traditional bid process and the need to use JOC procurement system:
   Due to the high security and sensitive nature of this area and the need to complete this work quickly the JOC procurement method provides the greatest flexability.

3. If this project is a one trade project, please provide additional explanation of why it would be in the City’s best interest to do the project under JOC.
   Multiple trade project.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:
   Few non-prepriced items anticipated.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.
   No work is currently covered under existing Term Agreements.
