JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: JTP200A
Project #: C-3-001
Project Name: Widow Clarke House Restoration
Project Location: 1821 S. Indiana Ave.

1. Please describe the major features of this project:
   Exterior restoration of historic landmark designated Widow Clarke House including research, fabrication drawings and specialized carpentry.

2. Please explain why this project could not be bid using the City’s traditional bid process and the need to use JOC procurement system:
   Due to the unique nature and highly specialized carpentry expertise required for this restoration the JOC procurement method will provide the needed flexibility. In addition the funding is provided from a grant which has a time limit on its use.

3. If this project is a one trade project, please provide additional explanation of why it would be in the City’s best interest to do the project under JOC.
   Multiple trade project.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:
   Less than 25% of non-prepriced items anticipated.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.
   No work covered by existing Term Agreements.
