JOC MEMO OF AUTHORIZATION

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

For all JOC project requests, complete items 1 and 2 below.
Then as appropriate, complete items 3, 4 and 5 accordingly. Attach to J.O.C.
Memo of Authorization.

JOC #: JUP692.A
Project #: M3007
Project Name: NEBO COMMUNITY CTR. (REVISED SCOPE)
              MASONRY REPAIRS
Project Location: 3912 N. Menard St.

1. Please describe the major features of this project:

   Revised scope to contain only masonry repairs and tuckpointing for the
   crumbling deteriorating brick and loosened mortar joints surrounding this facility.

2. Please explain why this project could not be bid using the City's traditional
   bid process and the need to use JOC procurement system:

   Under JOC, these services will allow for immediate resolution & effective
   scheduling of the masonry repairs prior to the scheduled roof replacement
   (JUP692.B).

3. If this project is a one trade project, please provide additional explanation of
   why it would be in the City's best interest to do the project under JOC.

   JOC is to be used because there is not a masonry contract available to acquire
   these services.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced
   Items, provide an explanation on why JOC should be used instead of a city-
   wide term agreement:

   All items are to be found in the Unit Price Book.

5. If some elements of the proposed JOC scope of work are covered by City
   Term Agreements, list the elements that should be removed from the JOC
   project. Attach additional pages if needed.

   No elements apply.
Hi Dale,
This is to inform you that the Scope of Work for # JUP692.A has been revised. The originally approved MOA for Roof Partial Replacement & Repairs at NEBO Community Ctr. valued at $10,000.00 has changed to JUP692.B. Please make note of it.

A new MOA has been issued and assigned the JUP682.A number with the value of $22,000.00. This will encompass Masonry Repairs for the same location. The MOA for JUP682.A has been issued for signature this day.

If you have any questions, please feel free to contact me at 744-6268.
Thank you Dale.
