For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: JUP759.A  
Project #: P-1-093  
Project Name: City Hall - Dept of Consumer Services Buildout - HVAC  
Project Location: 121 N. LaSalle St

1. Please describe the major features of this project:

Provide labor and material to install all HVAC items including DDC controls, fin tubes and covers.

2. Please explain why this project could not be bid using the City’s traditional bid process and the need to use JOC procurement system:

Time constraints and working with DGS forces. Traditional Bid would impede this process.

3. If this project is a one trade project, please provide additional explanation of why it would be in the City’s best interest to do the project under JOC.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:

None anticipated at this time. All items contained in the unit price book.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.
