Estimated Cost: \$ 120,000.00

Funding No.: 001-227-0872050-0550-W706-0550

Dear Mr. Malone:

This Department is requesting the Contractor to provide the materials, equipment, and labor necessary to move the existing signal wires into a new rebuilt underground concrete duct that will replace the existing deteriorated conduit. Estimated duration of this Project is **Thirty (30) calendar days**.

Enclosed is the preliminary estimate of cost for the work involved and a project description. Funding for this work is in place.

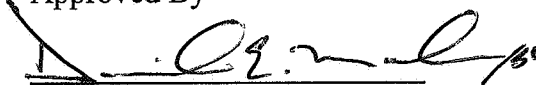

If you concur with this request, please notify this office as soon as possible and forward a copy of the approved memorandum of authorization. For any further information concerning this matter, contact Richard Patrick, Bureau of Water Engineering at 744-5067.
