JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECT

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: JTP527
Project #: L-4-017
Project Name: CPD 4th District Building Improvements
Project Location: 2255 E. 103rd Street

1. Please describe the major features of this project:
   Removal & replacement of approx. 2500 sq. ft. of deteriorated concrete walkway, to include minor installation landscaping, recondition the CPD sign @ the main entrance to facility, replace several holding cell locking devices, construct a new counter top to match existing to secure area from the general public.

2. Please explain why this project could not be bid using the City’s traditional bid process and the need to use JOC procurement method.
   The pavement repairs need to be expedited due to safety concerns and the remainder of the work does not require traditional bid specs./documents.

3. If this project is a one trade project, please provide additional explanation of why it would be in the City’s best interest to do the project under JOC.
   This is a multi trade contract.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:
   We do not anticipate any NPP items.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.
   The city does not have term agreements in-place for the major elements of this project.
