JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECT

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: JUP691.A
Project #: N-2-029
Project Name: Harold Washington Library Facade Repair
Project Location: 400 S. State St.

1. Please describe the major features of this project:
   This is a facade repair for the library. The first phase of this contract is an architectural inspection and repair survey of the site. Actual repairs will commence upon review of same.

2. Please explain why this project could not be bid using the City’s traditional bid process and the need to use JOC procurement method.
   This area in question is damaged and in need of immediate repair to minimize further damage to the library. Therefore we must proceed quickly.

3. If this project is a one trade project, please provide additional explanation of why it would be in the City’s best interest to do the project under JOC.
   This is a multi-trade project.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:
   We do not anticipate over 25% NPP items.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.
   The city does not have a term agreement vendor for this work.
