THE DEPARTMENT OF GENERAL SERVICES
JOC APPROVAL LETTER

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: JTP268.A
Project #: P-3-005
Project Name: Iron Street Campus Phase IV Site Demolition and
Excavation
Project Location: Iron Street Campus 1424 West Pershing

- 1. Please describe the major features of this project:**
Street closure, temp fencing, site demolition and site excavation/ grading.
- 2. Please explain why this project could not be bid using the City's traditional bid process and the need to use JOC procurement system:**
This is Phase IV of the Iron Street Campus. We are precluded from using the traditional bid process because the new fuel station at the North end of Iron Street needs to be opened by October 1, 2004. This work needs to be completed before the Fuel Station can open. Also the construction documents are not in a traditional bid format.
- 3. If this project is a one trade project, please provide additional explanation of why it would be in the City's best interest to do the project under JOC.**
Multiple Trade
- 4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:**
All work items are contained in the unit price book
- 5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.**
