UTILIZING JOC FOR CITY CONSTRUCTION PROJECT

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: JTP549.A  
Project #: K-4-082  
Project Name: CFD - EC #125 NFII  
Project Location: 2323 N. Natchez

1. Please describe the major features of this project:
   Remove & replace damaged pavement, to include drainage repairs. Install approx. 200lf of new fence and provide minor landscaping improvements.

2. Please explain why this project could not be bid using the City’s traditional bid process and the need to use JOC procurement method.
   These improvements do not require traditional bid specs/documents. This work requires immediate attention due to the hazardous condition of the deteriorating pavement.

3. If this project is a one trade project, please provide additional explanation of why it would be in the City’s best interest to do the project under JOC.
   JOC is the most efficient & cost effective method to complete this work.

4. If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:
   We do not anticipate any NPP items.

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.
   The city does not have term agreement in-place for this work.
