For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   This work is for the CPD 21st District Station. Project calls for the remove & replacement of all window,s install new light fixtures @ main counter, remove & replace several de-humidifiers.

2. Please explain why this project could not be bid using the city’s traditional bid process and the need to use JOC Procurement system.
   This work is required to prevent water from infiltrating through the deteriorating, aged windows. JOC is the most expedient method to complete this work in a timely manner.

3. If the project is a one trade project, please provide additional explanation of why it would not be in the city’s best interest to do the project under JOC.
   This is a multi-trade contract to include, window glaziers, electricians, pipefitters, laborers & landscapers.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.
   No NPP items will be used on this project.

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.
   The city does not have term agreements in place for the major elements of this project.
