Disclosure of Retained Parties

A. Definitions and Disclosure Requirements
1. As used herein, the term "Contractor" means a person or entity who has any contract with the City of Chicago.
2. Pursuant to Executive Order 97-1, every contract and lease must be accompanied by a disclosure statement. Providing certain information and attorneys, lobbyists, accountants, consultants, subcontractors, and other persons whom the contractor has retained or expects to retain with respect to the contract or lease. In addition, the contractor must disclose the name of each such person, his or her business address, the nature of the relationship, and the amount of fees paid or estimated to be paid.
3. The Contractor is not required to disclose employees who are paid solely through the Contractor's regular payroll.
4. "Lobbyist" means any person (a) who for compensation or on behalf of any person other than himself undertakes to influence any legislative or administrative action, or (b) any part of whose duties as an employee of another includes undertaking to influence any legislative or administrative action.

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   Veteran's Monument Graffiti to be removed

2. Please explain why this project could not be bid using the city’s traditional bid process and the need to use JOC Procurement system.

   The proposed work is an emergency work and it requires specialized personnel and equipment. This item of work requires specialized cleaning agents, and can’t be done by City’s Dept. of Streets & Sanitation soda removal system also. It would not be time or cost effective for us to perform the work through The City’s traditional bid process.

3. If the project is a one trade project, please provide additional explanation of why it would be in the city’s best interest to do the project under JOC:
   Not applicable - various trades will participate.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.
   N.A.

5. If some elements of the proposed JOC project scope of work are covered by city term agreements, explain why they are included in this JOC project instead of being procured through the term agreements.
