ATTACHMENT A

Project Number: J04-136.A          Department: Streets and Sanitation
Project Manager: Kevin McDonnell    Telephone No: 312-746-4058

UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

For all proposed projects please complete items 1 and 2 below. As appropriate, complete items 3 through 5. NOTE: The following documents must be attached to the MOA:
1.) A cost estimate
2.) This Attachment A.

1. Please describe the major feature of this project.
   This is the 19th project in the 2006 Mayor’s Office new residential lighting program. In this program each Ward gets 2 blocks of lighting. This project is in the 2nd Ward on Lexington from California to Sacramento. B.O.E. will supply davit poles and luminaires which City Lights will install. City Lights will supply helix foundations, piggyback fixtures, handholes, directional bore conduit, and supply all material and equipment needed.

2. Please explain why this project could not be bid using the city’s traditional process and the need to use the JOC procurement system.

   The Bureau of Electricity had planned to do this project with City Forces, but due to our work load, we can’t do it in a timely manner. The Bureau of Electricity can’t use the traditional bid process because of the time frame involved. The Bureau of Electricity established JOA to help us manage these situations when they occur.

3. If this project is one trade project please provide additional explanation of why it would be in the City’s best interest to do the project under JOC.

   Multiple trades involved.

4. If the proposed project is less than $200,000 the amount of non pre-priced work must be less than 25%. If the proposed project is valued at $200,000 or more the amount of non pre-priced work must not exceed 15%. Please explain if it is anticipated if these limits will be exceeded.

   N/A.

5. If some elements of the proposed JOA project scope of work are covered by City term agreements, these elements should be removed from the JOA projects scope of work. If it is not desirable to do so, please explain.
