Attachment A
Utilizing JOC For City Construction Projects

Police Headquarters
3500 S. Michigan

Project No: JV5-005.A

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.

Expand south elevation of Fallen Star Case to accomodate 2 more rows of stars, change glass to sliding, change fabric and install new lighting.

Expand existing south Fallen Star case to accomodate 2 more rows of stars. Also change glass to sliding, change lighting and fabric on back panel. All work to be done per drawings dated 10-16-06

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

The existing Fallen Star Case is full and there isn't any room for more stars. The Police Department wants to Honor many additional stars in March so timing is critical.

3. If the project is a one trade project, please provide an explanation of why it would not be in the city's best interest to do the project using DGS trades or existing term agreements.

Mutitrade - carpenters, laborers, electricians and glazers

4. If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.

All items contained in the CTC

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.
