Attachment A
Utilizing JOC For City Construction Projects

Project Number: 06-84-8-020
Project Manager: Lynn Hollenberg

Department: Transportation
Telephone #: (312) 742-4771

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   Scope of Work includes new sidewalk, pavers, soil removal and installation, trees, grates, shrubs, perennials, sodding, irrigation and flag poles, benches. Specialty items include relocation of statue, refurbishing statue base, refurbishing metal dedication plaques.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.
   The time sensitive nature of this project and compressed schedule required the use of J.O.C. All work must be completed by October 15, 2006. The scope represents a combination of 3 individual projects valued at $100,000 each. The relatively small size of each project suggest that the JOC process is more efficient.

3. If the project is a one trade project, please provide additional explanation of why it would be in the city's best interest to do the project under JOC:
   No

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.
   No

5. If some elements of the proposed JOC project scope of work are covered by city term agreements, explain why they are included in this JOC project instead of being procured through the term agreements.
   No

Reason why the MOA differs from the Sub Order

Project No: 06-84-8-020
10th Ward Streetscape Improvements

1. The Sub Order amount differs from the MOA estimate for the following reasons:
   MOA amount is less than final proposal amount because sidewalks and ADA ramps were added to the scope of work after the MOA estimate was completed. Funding for this additional work was not identified prior to the initial estimate.
